Sermons On Second Samuel Chapters 1 13:

Sermons on 2 Samuel Jean Calvin,1992 While John Calvin is chiefly remembered today as a great theologian it should not be forgotten that he was essentially a pastor Indeed it has been said of him that he became a theologian in order to be a better pastor His preaching gives some of the clearest evidence for this Still in his early twenties when he began to preach he continued to do so for the rest of his life on average five times a week during his long years of ministry in Geneva From 1549 thanks to the Company of Strangers who employed Denis Raguenier as a scribe Calvin s sermons were preserved and their riches remain available to us Now thanks to the devoted labours of Professor Douglas Kelly of Reformed Seminary Jackson Mississippi the Sermons on 2 Samuel 1 13 are made available in English for the first time Important as these sermons are for students of Calvin they are of inestimable value for those who like Calvin are pastors preachers or are simply ordinary Christian believers like those to whom they were first preached Calvin s masterly handling of the historical narrative of this wonderful book of Scripture combines with his deep insight into human character to produce a volume which will be treasured Publisher

2 Samuel John Woodhouse,2015-10-14 King David stands as one of the most important figures of world history From children s storybooks to Michelangelo s famous statue ancient Israel s most famous king is still remembered and recognized by people around the world three thousand years after he lived Helping readers deepen their understanding of David s tumultuous reign John Woodhouse highlights David s important role in salvation history a history that began with Israel but now encompasses God s plan for the whole world Designed as a trustworthy resource for pastors who preach and teach on a regular basis this commentary ultimately argues that David s story is important because it lays the crucial foundation for the life and ministry of Jesus Christ the son of David Part of the Preaching the Word series **1-2**

Samuel, 1-2 Kings, 1-2 Chronicles Derek Cooper,Martin J. Lohrmann,2016-04-05 This latest volume in the Reformation Commentary on Scripture RCS series offers biblical commentary from numerous Reformation era theologians pastors and preachers from a variety of theological traditions Lutheran Reformed Anglican Radical and Roman Catholic on six Old Testament books 1 2 Samuel 1 2 Kings and 1 2 Chronicles Christ the Mediator of the Law Byung-Ho Moon,2006-07-01

This study seeks to give an account of the truth scope and validity of Calvin s Christological understanding of the law in the light of his concept of Christus mediator legis It sets out the key points of the intellectual origins of Calvin s theology of the law especially his study of law Christ s mediation of the law in the Old and New Testaments and the relationship between the duplex office and the triplex use of the law A comparative study between Calvin and contemporary Reformers Luther Bucer Melanchthon and Bullinger and Servetus is made in order to point up the unique feature of the coherence between Christology and soteriology in Calvin s theology of the law **The Identity and the Life of the Church** Yosep

Kim,2014-07-09 This study of John Calvin s ecclesiology argues that Calvin s idea of the twofold identity of the Church its spiritual identity as the body of Christ and its functional identity as the mother of all believers is closely related to his

understanding of Christian identity and life which are initiated and maintained by the grace of the triune God The anthropological basis of Calvin s idea of the Church has not been examined fully even though Calvin presents the important concepts of his ecclesiology in light of his anthropological ideas This study offers an overall evaluation for Calvin s ecclesiology arguing that it is ultimately his pastoral concern for the Christian and the Church under affliction that both governs his theological understanding of the Church and shapes his proposals for establishing and sustaining the life of the Church in the world

The Overshadowed Preacher Jerusha Matsen Neal,2020-10-08 The Overshadowed Preacher breaks open one of the most important unexamined affirmations of preaching the presence of the living Christ in the sermon Jerusha Matsen Neal argues that Mary s conceiving bearing and naming of Jesus in Luke s nativity account is a potent description of this mystery Mary s example calls preachers to leave behind the false shadows haunting Christian pulpits and be overshadowed by the Spirit of God Neal asks gospel proclaimers to own both the limits and the promise of their humanness as God s Spirit filled servants rather than disappear behind a pulpit prince ideal It is a preacher s fully embodied witness lived out through Spirit filled acts of hospitality dependence and discernment that bears the marks of a fully embodied Christ This affirmation honors the particularity of preachers in a globally diverse context challenging a status quo that has historically privileged masculinity and whiteness It also offers hope to ordinary souls who find themselves daunted by the impossibility of the preaching task Nothing in the angel s words is impossible with God

Characters and Characterization in the Book of Kings Keith Bodner,Benjamin J.M. Johnson,2019-12-12 This book is an examination of characters in the books of Kings showing how understanding and interpretation of key characters affects readings of the story The volume begins with more general pieces addressing how the study of characters can shed light on the composition history of Kings and on how characters and characterization can be considered with respect to ethics particularly with respect to the moral complexity of biblical characters Contributors then consider key characters within the Kings narrative in depth such as Nathan Bathsheba Solomon and Jezebel The contributors use their own specific expertise to analyze these characters and more drawing on insights from literary theory and considering such approaches as questioning our view of a particular character with based on the character within the text with whom we identify Contributors also assess whether or not characters as portrayed in the biblical text necessarily match up to their possible counterparts in history

You Are Still a Mother Jackie Gibson,2023-10-09 When you lose your baby to stillbirth or miscarriage it feels like the ground has fallen out from underneath you Speaking from experience Jackie Gibson reaches out offering the only balm that will bring comfort to your pain

Preaching Christ from the Old Testament Sidney Greidanus,1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament

Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

Calvin Bruce Gordon, 2009-07-21 During the glory days of the French Renaissance young John Calvin 1509 1564 experienced a profound conversion to the faith of the Reformation For the rest of his days he lived out the implications of that transformation as exile inspired reformer and ultimately the dominant figure of the Protestant Reformation Calvin's vision of the Christian religion has inspired many volumes of analysis but this engaging biography examines a remarkable life Bruce Gordon presents Calvin as a human being a man at once brilliant arrogant charismatic unforgiving generous and shrewd The book explores with particular insight Calvin's self-conscious view of himself as prophet and apostle for his age and his struggle to tame a sense of his own superiority perceived by others as arrogance Gordon looks at Calvin's character his maturing vision of God and humanity his personal tragedies and failures his extensive relationships with others and the context within which he wrote and taught What emerges is a man who devoted himself to the Church inspiring and transforming the lives of others especially those who suffered persecution for their religious beliefs
