Sherlock Holmes The Major Stories With Contemporary Critical Essays

Christopher Redmond

Sherlock Holmes The Major Stories With Contemporary Critical Essays:

Sherlock Holmes Arthur Conan Doyle, 1993-11-15 The fifteen Sherlock Holmes stories reprinted in this volume are generally held to be the most significant innovative and influential tales featuring Arthur Conan Doyle's archetypal detective. Drawn principally from the first three Holmes collections these selections are each followed by a concise commentary on its relation to Doyle, other Holmes tales and the genre of detective fiction. The nine accompanying essays which reflect the recent critical interest in Holmes examine the stories from a variety of contemporary critical perspectives. The first five essays by Martin Priestman, Peter Brooks, Gian Paolo Caprettini, John A. Hodgson and Alastair Fowler focus on questions of narrative deduction and plot; the next four by Stephen Knight, Catherine Belsey, Rosemary Hennessey and Rajeswari Mohan and Audrey Jaffe, social, historical, ideological and gender issues. Each critical essay is preceded by a headnote that discusses the essay's critical approach. An introduction by the editor discusses the relation of Sherlock Holmes to Doyle's own life, reviews the history of the stories' publication and reception and provides a brief overview of the contemporary critical essays. Additional sources of enrichment and direction for further study are provided by the four appendices: a chronology of Doyle's life, a note on Doyle's favorite Holmes stories, an annotated bibliography of Holmes collections and critical studies, and a list of film and video versions of the stories in the book.

Sherlock Holmes Handbook Christopher Redmond, 2009-09-28 *Sherlock Holmes Handbook* sums up a Canadian scholar's lifetime expertise about Sherlock Holmes: the characters and themes, the publishers and readers, Victorian London and the Houdini connection, radio actors and cartoonists, the fans who cling to Holmes's reality and the professors who tease out motifs from the fifty-six short stories and four novels. The first edition of *Sherlock Holmes Handbook* appeared in 1993. This edition catches up on new films, new books, a few with a hint of the supernatural and the advent of the Internet which has spread Holmes's fame and Sherlockian fun even further worldwide. The intervening years have brought three multi-volume editions of the Sherlock Holmes stories with hundreds of footnotes providing new insights and new amusement. They have also seen Holmes repeatedly on the amateur and professional stages, including a few Canadian productions. And there have been changes to everything from copyright rules to libraries, booksellers and audio recordings.

Gender and the Modern Sherlock Holmes Nadine Farghaly, 2015-12-23 From his 1887 literary debut to his many film and television adaptations, Sir Arthur Conan Doyle's Sherlock Holmes has lost none of his appeal. Besides Holmes himself, no character in Conan Doyle's stories proves as interesting as the astute detective's constant companion, Dr. Watson, who somehow seems both superfluous and essential. While Conan Doyle does not depict Holmes and Watson as equals, he avoids presenting Watson as incompetent as he was made to appear on screen for decades. A variety of reimagined Holmeses and Watsons in recent years have depicted their relationship as more nuanced and complementary. Focusing on the Guy Ritchie films, the BBC's *Sherlock* and CBS's *Elementary*, this collection of new essays explores the ideas and implications behind these adaptations.

Sherlock Holmes in Context Sam Naidu, 2017-03-17 This book of interdisciplinary essays serves

to situate the original Sherlock Holmes and his various adaptations in a contemporary cultural context This collection is prompted by three main and related questions firstly why is Sherlock Holmes such an enduring and ubiquitous cultural icon secondly why is it that Sherlock Holmes nearly 130 years after his birth is enjoying such a spectacular renaissance and thirdly what sort of communities imagined or otherwise have arisen around this figure since the most recent resurrections of Sherlock Holmes by popular media Covering various media and genres TV film literature theatre and scholarly approaches this comprehensive collection offers cogent answers to these questions

Purloined Letters Mark H. Silver, 2008-04-07 This engaging study of the detective story's arrival in Japan and of the broader cross cultural borrowing that accompanied it argues for a reassessment of existing models of literary influence between unequal cultures Because the detective story had no pre-existing native equivalent in Japan the genre's formulaic structure acted as a distinctive cultural marker making plain the process of its incorporation into late nineteenth and early twentieth century Japanese letters Mark Silver tells the story of Japan's adoption of this new Western literary form at a time when the nation was also remaking itself in the image of the Western powers His account calls into question conventional notions of cultural domination and resistance demonstrating the variety of possible modes for cultural borrowing the surprising vagaries of intercultural transfer and the power of the local contexts in which imitation occurs *Purloined Letters* considers a fascinating range of primary texts populated by wise judges faceless corpses wily confidence women desperate blackmailers a fetishist who secrets himself for days inside a leather armchair and a host of other memorable figures The work begins by analyzing Tokugawa courtroom narratives and early Meiji biographies of female criminals dokufu mono or poison woman stories which dominated popular crime writing in Japan before the detective story's arrival It then traces the mid Meiji absorption of French British and American detective novels into Japanese literary culture through the quirky translations of muckraking journalist Kuroiwa Ruiko Subsequent chapters take up a series of detective stories nostalgically set in the old city of Edo by Okamoto Kido a Kabuki playwright inspired by Arthur Conan Doyle's Sherlock Holmes and the erotic grotesque and macabre works of Edogawa Ranpo whose pen name punned on Edgar Allan Poe

The Sympathetic Medium Jill Galvan, 2011-03-15 The nineteenth century saw not only the emergence of the telegraph the telephone and the typewriter but also a fascination with its ances and occult practices like automatic writing as a means for contacting the dead Like the new technologies modern spiritualism promised to link people separated by space or circumstance and like them as well it depended on the presence of a human medium to convey these conversations Whether electrical or otherworldly these communications were remarkably often conducted in offices at telegraph stations and telephone switchboards and in séance parlors by women In *The Sympathetic Medium* Jill Galvan offers a richly nuanced and culturally grounded analysis of the rise of the female medium in Great Britain and the United States during the Victorian era and through the turn of the century Examining a wide variety of fictional explorations of feminine channeling in both the technological and supernatural realms by such authors as Henry James George Eliot Arthur Conan

Doyle Bram Stoker Marie Corelli and George Du Maurier Galvan argues that women were often chosen for that role or assumed it themselves because they made at a distance dialogues seem more intimate less mediated Two allegedly feminine traits sympathy and a susceptibility to automatism enabled women to disappear into their roles as message carriers Anchoring her literary analysis in discussions of social economic and scientific culture Galvan finds that nineteenth and early twentieth century feminization of mediated communication reveals the challenges that the new networked culture presented to prevailing ideas of gender dialogue privacy and the relationship between body and self Economic Investigations in Twentieth-Century Detective Fiction Yan Zi-Ling,2016-03-09 In his study of Golden Age and hard boiled detective fiction from 1890 to 1950 Yan Zi Ling argues that these two subgenres can be distinguished not only by theme and style but by the way they structure knowledge value and productive labour Using the detective as a reference point and enactor of socially based interests Yan shows that Golden Age texts are distinguished by their conservatism and not only by their conservatism with the detectives actions serving to stabilize institutions with specific ideological aims In contrast the criminal investigations of the hard boiled detective who is poorly aligned with institutions and strong interest groups reveal the fragility of the status quo in the face of escalating cycles of violence Key to Yan s discussion are theories of exchange value and the gift the latter of which he suggests is more akin to detective work than is wage labour Analyzing texts by a wide range of authors that includes Arthur Conan Doyle Agatha Christie Dashiell Hammett Raymond Chandler Dorothy Sayers Raoul Whitfield George Harmon Coxe and Mickey Spillane Yan demonstrates that the detective s truth generating function most often characterized as a process of discovery rather than creation is in fact crucial to the institutional and class based interests that he or she serves *Detection & Its Designs* Peter Thoms,1998 Detective fiction is usually thought of as genre fiction a vast group of works bound together by their use of a common formula But as Peter Thoms argues in his investigation of some of the most important texts in the development of detective fiction in the nineteenth century the very works that establish the genre s formulaic structure also subvert that structure *Detection and Its Designs* reads early detective fiction as a self conscious form that is suspicious of the detective it ostensibly celebrates and critical of the authorial power he wields in attempting to reconstruct the past and script a narrative of the crime In readings of Godwin s Caleb Williams Poe s Dupin stories Dickens s Bleak House Collins s The Moonstone and Doyle s The Hound of the Baskervilles Thoms argues that the detective s figurative writing emerges out of a desire to exert control over others and sometimes over himself *Detection and Its Designs* demonstrates that far from being a na ve form early detective fiction grapples with the medium of storytelling itself To pursue these inward turning fictions is to uncover the detective s motives of controlling the representation of both himself and others a discovery that in turn significantly undermines the authority of his solutions **The House of Fiction as the House of Life** Francesca Saggini,Anna Enrichetta Soccio,2020-05-15 In recent years the interest in the house has grown irresistibly to the point that in many ways houses seem to be situated at the very core of the creative artistic and cultural

domains of contemporaneity Their presence sprawls across the media from magazines to TV programmes and across the globe possibly because as repositories of the human houses have a long standing and profound connection not only with men and women but at a deeper level with the ways of representing man's world across its declinations of gender class and race Houses the perennial ubiquitous and silent background to our daily lives could many a tale unfold the tales of their inhabitants and in their relationships with others of the times they lived in of their configurations of the world as well as the visions and nightmares of the artists who created them This collection offers a comprehensive and transdisciplinary look at the paper houses of English Literature in the eighteenth and nineteenth century Among the configurations addressed the authors investigate the domestic spatialization of authority gendered houses narratives of household construction and deconstruction exotic mansions fin de siècle habitats haunted edifices and houses in detective and Gothic fiction

Revenge Versus Legality Katherine Maynard, Jarod Kearney, James Guimond, 2010-04-09 In the wake of Guantanamo Bay extraordinary renditions and secret torture centres in Eastern Europe and elsewhere *Revenge versus Legality* addresses the relationship between law and wild or vigilante justice between the power to enforce retribution and the desire to seek revenge Taking up a variety of narratives from the eras of Romanticism Realism Modernism and the Contemporary period and including new theories to explain the interactions that occur between legalistic courtroom justice and the vigilante variety *Revenge versus Legality* analyzes some of the main obstacles to justice ranging from judicial corruption to racism and imperialism The book culminates in a consideration of that form of crime or lawlessness that poses the most serious threat to the rule of law vigilante justice masquerading as legality With its mixture of politics literature law and film this lively and accessible book offers a timely reflection on the enduring phenomenon of revenge

Reviewing **Sherlock Holmes The Major Stories With Contemporary Critical Essays**: Unlocking the Spellbinding Force of Linguistics

Sherlock Holmes The Major Stories With Contemporary Critical Essays Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sherlock Holmes The Major Stories With Contemporary Critical Essays has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sherlock Holmes The Major Stories With Contemporary Critical Essays has opened up a world of possibilities. Downloading Sherlock Holmes The Major Stories With Contemporary Critical Essays provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sherlock Holmes The Major Stories With Contemporary Critical Essays has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sherlock Holmes The Major Stories With Contemporary Critical Essays. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sherlock Holmes The Major Stories With Contemporary Critical Essays. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sherlock Holmes The Major Stories With Contemporary Critical Essays, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sherlock Holmes The Major Stories With Contemporary Critical Essays has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sherlock Holmes The Major Stories With Contemporary Critical Essays Books

1. Where can I buy Sherlock Holmes The Major Stories With Contemporary Critical Essays books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
