TO MADDUX is the tale of a relationship that begins when Maddox a young man badly in need of mathematical help encounters Polly a young woman with precisely the sort of talent Maddox needs Over the course of their relationship Polly teaches Maddox to solve mathematical problems he had never been able to solve before With each chapter Maddox is raised as is the reader to a higher level of mathematical understanding As one might expect the story has a very happy aftermath

What Excellent Community Colleges Do Joshua S. Wyner,2019-01-02 In What Excellent Community Colleges Do Joshua S Wyner draws on the insights and evidence gained in administering the inaugural Aspen Prize for Community College Excellence This book identifies four domains of excellence degree completion equity student learning and labor market success and describes in rich detail the policies and practices that have allowed some community colleges to succeed in these domains By starting with a holistic definition of excellence measuring success against that definition and then identifying practices and policies that align with high levels of student success the author seeks to contribute to the growing body of knowledge about improving student success in community colleges *Resources in Education* ,2001-10

Linguistic and Cultural Influences on Learning Mathematics Rodney R. Cocking,Jose P. Mestre,2013-03-07 The combined impact of linguistic cultural educational and cognitive factors on mathematics learning is considered in this unique book By uniting the diverse research models and perspectives of these fields the contributors describe how language and cognitive factors can influence mathematical learning thinking and problem solving The authors contend that cognitive skills are heavily dependent upon linguistic skills and both are critical to the representational knowledge intimately linked to school achievement in mathematics *Third Symposium Proceedings.
