Murder On The Ecstasy Express:

Ingardeniana III Anna-Teresa Tymieniecka, 2012-12-06 In the footsteps of Ingardeniana II this volume marks the 20th anniversary of Roman Ingarden's death partly focusing upon his thought partly bringing his aesthetics into the present day framework of research It might have appeared puzzling to the followers of our Analecta Husserliana why within the original horizon encircled by the research work of our International Society of Phenomenology and Literatur whose research work is devised in a diametrically opposed direction to that of Roman Ingarden there is steadfastly running through our discussions a line of Ingardenian reflection The reason as I have pointed out in the introduction to Ingardeniana II expertly edited by Hans Rudnik is clear Ingarden's analysis of the intentional structures of works of art offers in its distinct and clear cut forms an objective correlate as well as a point of reference to the vast conundrum of issues concerning the creative endeavor of the writer poet artist in their struggle to endow life with its specifically human significance a conundrum that in our research we are trying to disentangle elucidating its mysterious ramifications their sources and dynamic virtualities As a matter of fact Ingarden's thought newly interpreted and originally expanded occupies a legitimate place in the present collection We find here in the first place an original expansion of Ingarden's aesthetic theory in the monograph of Jadwiga Smith followed by the essays of Władysław Osadnik Yushiro Takei and Charles Rzepka *Fiction Writer's Market, 1982-83* Jean M. Friedrich Dürrenmatt Friedrich Dürrenmatt, 2006-10-05 These translations of Friedrich Dürrenmatt's fiction introduce the writer to a new generation of readers The Swiss writer Friedrich Dürrenmatt 1921-90 was one of the most important literary figures of the second half of the twentieth century During the years of the cold war arguably only Beckett Camus Sartre and Brecht rivaled him as a presence in European letters Yet outside Europe this prolific author is primarily known for only one work The Visit This second volume of Selected Writings reveals a writer who may stand as Kafka's greatest heir Dürrenmatt's novellas and short stories are searing tragicomic explorations of the ironies of justice and the corruptibility of institutions The most well known work included here is The Pledge a requiem to the detective story that was made into a film starring Jack Nicholson The evocative novellas The Assignment tells the story of a woman filmmaker investigating a mysterious murder in an unnamed Arab country it has been hailed by Sven Birkerts as a parable of hell for an age consumed by images The novella Traps meanwhile is a chilling comic novella about a traveling salesman who agrees to play the role of the defendant in a mock trial among dinner companions and then pays the ultimate penalty Dürrenmatt has long been considered a great writer but one unfairly neglected in the modern world of letters With these elegantly conceived and expertly translated volumes a new generation of readers will rediscover his greatest works
