Crider,2019-11-08 In tiny Blacklin County Texas a curse is nothing more than a four letter word hollered in a barroom or muttered in the heat So Sheriff Dan Rhodes is more curious than concerned when he dutifully responds to a complaint of witchcraft When Dr Samuel Martin the local dentist and unpopular landlord claims he s been hexed by a tenant Rhodes does his best to smooth things out between the distressed D D S and the would be witch But in two shakes of a black cat s tail the good doctor disappears and his wife turns up bludgeoned to death For Rhodes it means there s a bad moon rising over Blacklin County And now he s got to do the voodoo he does best asking pointed questions and extracting the painful truth from some tight lipped suspects who also bite **A Ghost of a Chance** Bill Crider,2025-09-02 In this tenth installment of

the Sheriff Dan Rhodes series the Blacklin County Texas law enforcer is back to solve even more mysteries Some of the most amusing sequences in Crider s Blacklin county mysteries are set in the jailhouse and star the ongoing word battles between its two septuagenarian denizens Hack the dispatcher and Lawton the jailer This time no one at the jailhouse is laughing and Rhodes has a new problem Not only is the jailhouse itself rumored to be haunted but a mysterious corpse is found in an open grave in the neighboring town Rhodes uses his laid back sleuthing skills to find the answers to these puzzling events which Crider depicts with his usual humor suspense and small town ambiance **Murder Most Fowl** Bill Crider,2019-11-18

Following Booked for a Hanging Anthony Award winner Bill Crider brings back his amiable computer phobic sheriff Dan Rhodes to investigate a murder that may or may not be related to a recent wave of emu rustling For an officer of the law Blacklin County Texas used to be pretty peaceful but now what with the emu rustling cockfights and protests at the new Wal Mart store not to mention murder Sheriff Dan Rhodes has his hands full Hit hard by the collapse of his little hardware store Elijah Lige Ward has taken to chaining himself to the Wal Mart doors and generally making a nuisance of himself And when Lige s dead body turns up floating down a river in a portable toilet Rhodes finds he has quite a case to investigate What was the connection between Lige and chickens Lige and the Palm Club And was he involved in the area s emu thefts It seems that raising emus taste like steak not chicken is a booming business so much so that emu calmer than ostriches and more resistant to disease are being stolen left right and center by would be emu ranchers with little respect for the law From theft to murder the local crime spree seems unstoppable But with a little help from the computer foisted on him by aging deputies Hack and Lawton plus some good old fashioned detective work Rhodes just may be able to straighten out his county **Rest**

in Peace Jack MacLane,2020-04-20 An Evil Secret Danny West knew that something was wrong from the first day his folks moved into the rundown house next to the creepy graveyard The neighborhood kids would never come over to play At night he saw weird shadows prowling around the crumbling tombstones and heard strange gurgling sounds But his parents wouldn't listen to him They said he had a good imagination Then bad things started to happen Terrible gruesome things that even scared his dad There was something in the graveyard Something in the graveyard Something that no kid could ever have imagined Something that should have been left alone to Rest In Peace **Goodnight Moom** Jack MacLane,1989-01-01

LITTLE HARRY WASN'T LIKE OTHER CHILDREN Harry never cared for reading or writing He never showed any interest in baseball or TV Harry lived for other things like the pleasing sound of living creatures screaming in agony And the soothing feel of warm blood running through his fingers But when his grisly experiments progressed beyond stray pets and farm animals to classmates Harry's dad decided to lock the boy away for good in the family basement After all the neighbors might begin to talk In the solitude of the dank musty cellar Harry waited and grew and grew and GREW And while he waited he was counseled by his one and only friend the bright silvery orb in the night sky that he called Moom Harry spoke to Moom And Moom spoke to Harry Moom told Harry what he should do when he finally broke out of his subterranean prison Moom told Harry to kill and Kill and KILL **Booked for a Hanging - A Dan Rhodes Mystery** Bill Crider,2019-11-18

The versatile mystery novelist Bill Crider has created a pantheon of marvelous characters but none is more real warm and thoroughly delightful than Sheriff Dan Rhodes of Blacklin County Texas In his sixth adventure Rhodes is confronted with what seems at first to be a suicide the body of a man newly arrived in the county is found hanged in the dilapidated building he has taken over for his business Simon Graham was a rare book dealer If it seems unlikely to find such an arcane entrepreneur in this extremely rural and sparsely populated part of Texas it becomes less strange when it turns out that Graham was more con man than bibliophile The presumed suicide begins to look more and more like murder when several newcomers swoop down on the scene and try to beat out one another to find a reputedly valuable rare book that Graham was rumored to have among his collection of hardly worthwhile items Although Rhodes's two attenuated and eccentric jailhouse employees have gone overboard for the magic of the department's new computer the steady if put upon Rhodes and his clear-eyed observations of human nature have invariably been more useful to the solution of a crime and that is still true in the case of the hanged book dealer **Sequels** Janet G.
