Neglected Genius

The Diaries of Benjamin Robert
Haydon, 1808-1846

Edited by John Jolliffe

Neglected Genius Diaries

Fintan Cullen

Neglected Genius Diaries:

Neglected Genius John Jolliffe, 2012-04-17 The journal of Benjamin Haydon was Max Beerbohm reported to Siegfried Sassoon the best diary Beerbohm had ever read Harold Acton declared Haydon a more exciting figure than Ruskin H H Asquith compared him favourably with Rousseau while Aldous Huxley declared that Never was anyone more clearly cut out to be an author Today Haydon's portraits and monumental historical paintings hang in almost all Britain's major collections However in his own time 1786-1846 his reputation was less secure Although an intimate of Wordsworth and Walter Scott on friendly terms with lords and politicians Haydon was also well acquainted with debtor's prison Still he remained throughout a witty brilliant diarist vividly evidenced by this volume expertly edited by John Jolliffe which gathers opinions on everything from the Elgin Marbles and Turner's landscapes to Napoleon's digestion and Queen Victoria's complexion Virginia Woolf's Modernist Path Barbara Lounsberry, 2019-02-04 Choice Outstanding Academic Title In this second volume of her acclaimed study of Virginia Woolf's diaries Barbara Lounsberry traces the English writer's life through the thirteen diaries she kept from 1918 to 1929 what is often considered Woolf's modernist golden age During these interwar years Woolf penned many of her most famous works including Mrs Dalloway To the Lighthouse Orlando and A Room of One's Own Lounsberry shows how Woolf's writing at this time was influenced by other diarists Anton Chekhov Katherine Mansfield Jonathan Swift and Stendhal among them and how she continued to use her diaries as a way to experiment with form and as a practice ground for her evolving modernist style Through close readings of Woolf's journaling style and an examination of the diaries she read Lounsberry tracks Woolf's development as a writer and unearths new connections between her professional writing personal writing and the diaries she was reading at the time Virginia Woolf's Modernist Path offers a new approach to Woolf's biography her life as she marked it in her diary from ages 36 to 46 **A Companion to Literary Biography** Richard Bradford, 2018-09-12 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the

eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history

A Magnificent Obsession Helen Rappaport, 2012-03-13 As she did in her critically acclaimed *The Last Days of the Romanovs* Helen Rappaport brings a compelling documentary feel to the story of this royal marriage and of the queen's obsessive love for her husband a story that began as fairy tale and ended in tragedy After the untimely death of Prince Albert the queen and her nation were plunged into a state of grief so profound that this one event would dramatically alter the shape of the British monarchy For Britain had not just lost a prince during his twenty year marriage to Queen Victoria Prince Albert had increasingly performed the function of King in all but name The outpouring of grief after Albert's death was so extreme that its like would not be seen again until the death of Princess Diana 136 years later Drawing on many letters diaries and memoirs from the Royal Archives and other neglected sources as well as the newspapers of the day Rappaport offers a new perspective on this compelling historical psychodrama the crucial final months of the prince's life and the first long dark ten years of the Queen's retreat from public view She draws a portrait of a queen obsessed with her living husband and after his death with his enduring place in history *Magnificent Obsession* will also throw new light on the true nature of the prince's chronic physical condition overturning for good the 150 year old myth that he died of typhoid fever

Keats Lucasta Miller, 2022-04-19 A dazzling new look into the short but intense tragic life and remarkable work of John Keats one of the greatest lyric poets of the English language seen in a whole new light not as the mythologized Victorian guileless nature lover but as the subversive bawdy complex cynic whose life and poetry were lived and created on the edge In this brief life acclaimed biographer Lucasta Miller takes nine of Keats's best known poems *Endymion* *On First Looking into Chapman's Homer* *Ode to a Nightingale* *To Autumn* *Bright Star* among them and excavates how they came to be and what in Keats's life led to their creation She writes of aspects of Keats's life that have been overlooked and explores his imagination in the context of his world and experience paying tribute to the unique quality of his mind Miller through Keats's poetry brilliantly resurrects and brings vividly to life the man the poet in all his complexity and spirit living dangerously disdaining respectability and cultural norms and embracing subversive politics Keats was a lower middle class outsider from a tragic and fractured family whose extraordinary energy and love of language allowed him to pummel his way into the heart of English literature a freethinker and a liberal at a time of repression who delighted in the sensation of the moment We see how Keats was regarded by his contemporaries his writing was seen as smutty and how the young poet's large and boisterous life a man of the metropolis who took drugs was sexually reckless and afflicted with

syphilis went straight up against the Victorian moral grain and Miller makes clear why his writing considered marginal and avant garde in his own day retains its astonishing originality sensuousness and power two centuries on **Keats's Odes**

Anahid Nersessian,2022-11-08 When I say this book is a love story I mean it is about things that cannot be gotten over like this world and some of the people in it In 1819 the poet John Keats wrote six poems that would become known as the Great Odes Some of them Ode to a Nightingale To Autumn are among the most celebrated poems in the English language Anahid Nersessian here collects and elucidates each of the odes and offers a meditative personal essay in response to each revealing why these poems still have so much to say to us especially in a time of ongoing political crisis Her Keats is an unflinching antagonist of modern life of capitalism of the British Empire of the destruction of the planet as well as a passionate idealist for whom every poem is a love poem The book emerges from Nersessian s lifelong attachment to Keats s poetry but more it is a love story between me and Keats and not just Keats Drawing on experiences from her own life Nersessian celebrates Keats even as she grieves him and counts her own losses and Nersessian like Keats has a passionate awareness of the reality of human suffering but also a willingness to explore the possibility that the world at least could still be saved Intimate and speculative this brilliant mix of the poetic and the personal will find its home among the numerous fans of Keats s enduring work **Waterloo** Alan Forrest,2015-03-26 Waterloo was the last battle fought by Napoleon and the one which finally

ended his imperial dreams It involved the deployment of huge armies and incurred heavy losses on both sides for those who fought in it Dutch and Belgians Prussians and Hanoverians as well as British and French troops it was a murderous struggle It was a battle that would be remembered very differently across Europe In Britain it would be seen as an iconic battle whose memory would be enmeshed in **Nationalism and Classicism** A. Leoussi,1998-07-08 This is a comparative study of the

national significance of the classical revival which marked English and French art during the second half of the nineteenth century It argues that the main focus of artists interest in classical Greece was the body of the Greek athlete It explains this interest first by artists contact with the art of Pheidias and Polycletus which portrayed it and second by the claim made by physical anthropologists that the classical body typified the race of the European nations **Narrative painting in**

nineteenth-century Europe Nina Lübbren,2023-05-23 This ground breaking book presents a critical study of pictorial narrative in nineteenth century European painting Covering works from France Germany Britain Italy and elsewhere it traces the ways in which immensely popular artists like Jean L on G r me Karl von Piloty and William Quiller Orchardson used unique visual strategies to tell thrilling and engaging stories Regardless of genre content or national context these paintings share a fundamental modern narrative mode Unlike traditional art they do not rely on textual sources nor do they tell stories through the human body alone Instead they experiment with objects spaces cause and effect relations and open ended ambiguity prompting viewers and reviewers to read for clues in order to weave their own elaborate tales **An Annotated**

Bibliography of Diaries Printed in English Christopher Sampson Handley,1997 Constance Fenimore Woolson's

Nineteenth Century Victoria Brehm, 2001 These essays explore topics crucial to understanding the period's literature and suggest new directions for scholarship Together they constitute a collection that expands the available body of criticism about Woolson and her contemporaries This book is indispensable reading for anyone interested in nineteenth century women's fiction and travel writing Jacket **The Forgotten Analyst** Prophecy Coles, 2024-12-05 Hermine Hug Hellmuth was an extremely gifted and intelligent woman with a poetic mind that had been influenced by the German Romantic Movement Her untimely murder at the age of fifty four by her illegitimately born nephew Rolph has cast a shadow over her reputation Her original contribution to understanding the mind of the child her fine appreciation of the psychological suffering of the illegitimate child and her challenge to Freud's theory about female sexuality has been largely ignored in order to save the reputation of the history of psychoanalysis Her murder needs to be understood against the backdrop of the many tragedies she suffered She lost her mother Ludovika when she was twelve and her father Hugo deceived her over her illegitimately born half sister Antonia Hermine felt deeply unloved and could never trust anyone to get close to her When Antonia died leaving behind her nine year old illegitimately born son Rolph Hermine was faced again with the stigma of illegitimacy and her father's lie about Antonia She was further humiliated by Antonia's stipulation in her will that Rolph was not to be cared for by Hermine The sisters had fallen out over Hermine's analysis with self-styled psychoanalyst Isidor Sadger who disliked Antonia and Hermine publishing extensive observations about Rolph and his sexual behaviour Rolph was a troubled child and his disrupted upbringing after his mother's death was compounded by Hermine's ambivalent behaviour towards him In the end her father's lie Antonia's will and the behaviour of her delinquent nephew rebounded upon her and the intergenerational trauma achieved its nemesis in her murder Prophecy Coles brings new insights to the life of the first child psychoanalyst She reveals Hug Hellmuth to be a woman before her time in her profound understanding of children women's sexuality and desires the impact of a mother's state of mind upon inter uterine life and the concept of motherese the universal pre verbal language of mothers and their newborn babies Coles exposes Hug Hellmuth's genius her flaws and her inadequate care of her troubled nephew to create a rounded picture of a brilliant woman trying to find her own path while struggling with her own demons and the constraints of the time *Sources in Irish Art* Fintan Cullen, 2000 The publication of these texts in a single volume enables the reader to create useful historical comparisons as well as facilitating the careful examination of historical documents *Sources in Irish Art* A Reader will be an ideal text for Irish Studies and relevant Art History courses both at undergraduate and postgraduate levels BOOK JACKET **The Spectator** , 1928 **The Gentleman's Diary** , 1805 The Diary of an Ennuyée Anna Jameson, 1836 **Correspondence and Diary** Philip Doddridge, 1829 The Forgotten Alcott Azelina Flint, Lauren Hehmeyer, 2021-12-30 This collection is the first academic study of the captivating life and career of expatriate artist writer and activist May Alcott Nieriker Nieriker is known as the sister of Louisa May Alcott and model for Amy March in Alcott's *Little Women* As this book reveals she was much more than

Amy she had a more significant impact on the Concord community than her sister and later became part of the creative expat community in Europe There she imbued her painting with the abolitionist activism she was exposed to in childhood and pursued an ideal of artistic genius that opposed her sister s vision of self sacrifice Embarking on a career that took her across London Paris and Rome Nieriker won the acclaim of John Ruskin and forged a network of expatriate female painters who changed the face of nineteenth century art creating opportunities for women that lasted well into the twentieth century A Renaissance woman Nieriker was a travel writer teacher and curator She is recovered here as a transdisciplinary subject who stands between disciplines networks and ideologies striving to recognize the dignity of others Contributors include foundational Alcott scholar Daniel Shealy and Pulitzer Prize winner John Matteson as well as Curators Jan Turnquist Orchard House and Amanda Burdan Brandywine River Museum of Art In this book readers will become acquainted with a dynamic feminist thinker who transforms our understanding of the place of women artists in the wider cultural and intellectual life of nineteenth century Britain France and the United States

The Diary of a Modernist Mary Emily Dowson, 1910 **Creator of Nightmares** Christopher Baker, 2024-12-13 A critical biography of the eighteenth century painter Henry Fuseli 1741 1825 was one of the eighteenth century s most provocative and inventive artists He is best known for his painting The Nightmare which channeled a new form of gothic imagery for the Romantic age This engaging study of the artist s career unveils Fuseli s complexities navigating contradictions between literary and painted works sacred and secular themes and traditional patronage versus competitive exhibitions Plotting Fuseli s trajectory from Zurich to Paris Rome and ultimately London Creator of Nightmares paints an image of Fuseli as an astute marketer and self proclaimed genius who transformed himself from a priest to an Enlightenment writer a mercurial force in the art world and finally a revered teacher

Decoding **Neglected Genius Diaries**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Neglected Genius Diaries**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
