Nepal And The Gospel Of God:

Nepal and the Gospel of God Jonathan Lindell, 1979 **The Asianization of Christianity** Jonathan D. James, 2024 The Asianization of Christianity is a catalyst to change the mission landscape of Asia by making the Gospel more accessible to Hindus Buddhists Muslims Animists and others It is hoped that a new generation of mission leaders will use these culturally specific principles to build bridges from the heart of God to the heart of Asian cultures *Then Nepal's Door Opened* Alma Hagen, 2006 an important book about one of the most dramatic missionary movements of the twentieth century the opening of Nepal and the birth and growth of the Nepali church also tells the inspiring story of a missionary family and their adventures in the Himalayan Mountains of North India and Nepal Foreword **The Trinitarian Dharma** Pabitra Mani Bhandari, 2025-02-25 As the gospel continues to spread to the farthest corners of the world the Christian faith encounters an array of diverse cultures religions philosophies and belief systems This encounter serves as a catalyst for transformation as Christianity both influences and is influenced by the new frontiers it reaches The book at hand endeavors to explore this dynamic process particularly focusing on the Trinitarian theology as a potent force for transformation Moreover it seeks to uncover the resonance between Christian concepts and the rich tapestry of Dharma thereby enhancing our understanding of the Trinity In essence this book serves as a pivotal example of how abstract theological ideas can be made relevant and meaningful in the context of a multicultural and multireligious world It embodies an approach to Christian theology that is both interreligious and interdisciplinary emanating from a global Christian perspective that embraces diversity and dialogue

Methodists and their Missionary Societies 1900-1996 Revd John Pritchard, 2014-02-28 The twentieth century saw the spectacular growth of Christianity in much of the global south the transformation of mission fields into self governing Churches schemes of church union some successful others abortive evolving attitudes to other faiths and significant Christian engagement with issues of racial justice and world poverty This book examines the contribution of the Methodist Missionary Society and its predecessors before 1932 to these world changing movements from the remarkable mass conversions in south west China and west Africa early in the century to the controversy over grants to liberation movements in the 1970s and 1980s Pritchard traces the MMS contribution to education health care rural development and social welfare and describes the administration of the Societies and the selection and preparation of candidates for missionary service This is a ground breaking study of Methodist Overseas Mission in the twentieth century how it adjusted to changing circumstances including the forced withdrawals from China and Burma and developed new initiatives and partnerships including its World Church in Britain programme which brought missionaries from the younger Churches to serve in Britain and Ireland Encyclopedia of Christianity in the Global South Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the

majority of the world's Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation Indian Church History Review, 1990 *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986*, 1998 *Borders and Bridges* Alain Epp Weaver, Peter Dula, 2007 Conflicts today regularly break out along religious fault lines whether in Iraq Israel Palestine Sudan or elsewhere This volume contains case studies of ways in which Mennonites have contributed to peacebuilding and reconciliation in multi religious contexts and offers a theological rationale for interfaith collaboration Christian Publication, 1984
