questions his teaching is held in tension with that of the epistles of Paul Jesus and Paul are dealing with different case studies together with different communities of faiths which affects how we should interpret the general message contained in the text These misinterpretations of this vital information have needlessly ruined the lives of many innocent victims It is long overdue for the Christian Church to reevaluate her response to this growing problem There is a blessing for those who will receive this teaching **Popular Radio** Kendall Banning,1927 **Radio News** ,1926 Some issues 1943 July 1948 include separately paged and numbered section called Radio electronic engineering edition called Radionics edition in 1943
