supported bootleggers He points instead to the large number of working class Oklahomans who patronized saloons whether legal or not and focuses on class conflict in early efforts to control alcohol He also describes the trials of enforcement officers who worked to plug leaks in statewide and later national prohibition A cultural and social history of liquor in early Oklahoma Grappling with Demon Rum provides a fresh look at crusaders against vice at the regional level In portraying this conflict between middle and working class definitions of social propriety Klein provides new insight into forces at work throughout America during the Progressive Era *Oil History*, 1995 OIL HISTORY is the definitive guide to the romance history lore of the global petroleum business The oilfield s past was wild woolly a time of greed guts glory goofups A lot has been written about those colorful days of yesteryear from the old Venango Oil Regions 1866 to the new The Prize 1991 OIL HISTORY reviews 810 titles of enormous variety Look at just the long the short of it The encyclopedic A Brief History of the Pennsylvania Oil Region 652 pages to the terse We Drilled Spindletop 37 pages Author publisher length date of publication are also provided The extensive index will help readers find titles by either author or subject No matter what your interest in the history of the worldwide petroleum business it s represented in this unique volume Published in hardcover the 6 inch by 9 inch OILFIELD HISTORY is handsomely cloth bound in royal blue with distinguished silver lettering Order from IADC Publications P O Box 4287 Houston TX 77210 4287 713 578 7171 ext 214 FAX 713 578 0589 Oklahoma History Oklahoma Historical Society.
