Rainy Spell And Other Korean Stories:

The Rainy Spell and Other Korean Stories Ji-moon Suh, 2015-02-24 This anthology of short stories reflects the writers shared core experience of Korea's trajectory from an inward looking feudal state through Japanese colony and battle ground for the Korean War to a modernizing society Three stories have been added to the original edition *The Rainy Spell and Other Korean Stories*, 1998 *The Rainy Spell and Other Korean Stories*, 1983 ***The Rainy Spell and Other Korean Stories*** Chi-mun Sö, 1983 ***Modern Korean Literature*** Peter H. Lee, 1990-11-01 The history of Korea in the twentieth century has been a grim succession of oppressions humiliations and betrayals Yet through it all modern Korean writers have been able not only to find their own distinctive voices but to forge a national literature that speaks eloquently of the survival of the human spirit in times of crisis This anthology includes the finest translations available of representative works in all the major genres including poetry fiction essays and drama Readers will gain a clear sense of the development of twentieth century Korean literature and a vivid impression of the resilience strength and tenacity of modern Korean writers ***The Routledge Companion to Korean Literature*** Heekyoung Cho, 2022-03-15 The Routledge Companion to Korean Literature consists of 35 chapters written by leaders in the field who explore significant topics and who have pioneered innovative approaches The collection highlights the most dynamic current scholarship on Korean literature presenting rigorous literary analysis interdisciplinary methodologies and transregional thinking so as to provide a valuable and inspiring resource for researchers and students alike This Companion has particular significance as the most extensive collection to date of English language articles on Korean literature it both offers a thorough intellectual engagement with current scholarship and addresses a broad range of topics and time periods from premodern to contemporary It will contribute to an understanding of literature as part of a broad sociocultural process that aims to put the field into conversation with other fields of study in the humanities and social sciences While presenting rigorous and innovative academic research that will be useful to graduate students and researchers the chapters in the collection are written to be accessible to the average upper level undergraduate student and include only minimal use of academic jargon In an effort to provide substantially helpful material for researching teaching and learning Korean literature this Companion includes as an appendix an extensive list of English translations of Korean literature ***United States and Asia at War: A Cultural Approach*** Philip West, Steven I. Levine, Jackie Hiltz, 2015-06-03 This text examines the Pacific War the Korean War and the Vietnam War from the perspective of those who fought the wars and lived through them The relationship between history and memory informs the book and each war is relocated in the historical and cultural experiences of Asian countries *America's Wars in Asia*, Even though the cultural approach concerns itself with the local and the particular rather than with the abstract and universal it is inherently comparative Moreover it also relocates each war in the historical and cultural experiences of Asian countries themselves rather than seeing the war as merely a conflict between the United States and Asian nations *Modern Korean*

Drama Richard Nichols, 2011 Carefully selected and represented the plays in this collection showcase both the fantastic and the realistic innovations of Korean dramatists during a time of rapid social and historical change Stretching from 1962 to 2004 these seven works tackle major subjects such as the close of the Choson dynasty and the aftermath of the Korean War while delving into trenchant cultural issues such as the marginalization of students who rebel against mainstream education and the role of traditional values in a materialistic society Longtime scholar of Korea and its vibrant politically acute theater Richard Nichols opens with a general overview of modern Korean drama since 1910 and concludes with an appendix describing theater production and audience attendance in Seoul He chooses works that aren't just for Korean audiences These texts confront universal themes and situations tackling the problem of ambition the trouble with fidelity and the complexity of sexual and interpersonal relationships Nichols situates each work critically historically and culturally including brief biographies of playwrights and extensive notes A bibliography also provides alternative readings and the titles of additional plays currently available in English Primed for production these skillful translations provide Western directors with exciting new material for the stage At the same time they offer students and scholars a sophisticated survey of the modern Korean dramatic tradition

Understanding Korean Literature Hung-Gyu Kim, Robert Fouser, 2016-09-16 This study examines the development and characteristics of various historical and contemporary genres of Korean literature It presents explanations on the development of Korean literacy and offers a history of literary criticism traditional and modern giving the discussion an historical context

Korea Briefing, 1993 Donald N. Clark, 2019-04-08 This edition of Korea Briefing the fourth in the series is issued in conjunction with The Asia Society's Festival of Korea a yearlong nationwide celebration of Korean history culture and contemporary life

A History of Korean Literature Peter H. Lee, 2003-12-18 This is a comprehensive narrative history of Korean literature It provides a wealth of information for scholars students and lovers of literature Combining both history and criticism the study reflects the latest scholarship and offers a systematic account of the development of all genres Consisting of twenty five chapters it covers twentieth century poetry fiction by women and the literature of North Korea This is a major contribution to the field and a study that will stand for many years as the primary resource for studying Korean literature

The Columbia Companion to Modern East Asian Literature Joshua S. Mostow, 2003-07-10 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun

ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay

Modern Korean Fiction Bruce Fulton, 2005 To represent the past century of Korean fiction this definitive collection extends beyond familiar writers challenges cultural norms and crosses political borders By including stories from neglected female North Korean and Wolbuk writers those who migrated to the North after 1945 and whose works were widely banned in South Korea and by bringing politically engaged works together with experimental ones this anthology articulates the ruptures and resolutions that have marked the peninsula From sketches of desperate peasants in straitened circumstances to fast moving visceral tales of contemporary South Korea the works in this collection bear witness to the dramatic transformations and events in twentieth century Korean history including Japanese colonial rule civil war and economic modernization in the South The writers explore these developments through a variety of literary and political lenses revealing with precision and poignancy their impact on Korean society and the lives of ordinary Koreans This anthology includes an introduction which synthesizes the key developments in modern Korean literature and a comprehensive bibliography of Korean fiction in translation

Remembering the Forgotten War Philip West, Suh Ji-moon, Donald Gregg, 2015-02-12 In contrast to the many books that use military diplomatic and historic language in analyzing the Korean War this book takes a cultural approach that emphasizes the human dimension of the war an approach that especially features Korean voices There are chapters on Korean art on the war translations into English of Korean poetry by Korean soldiers and American soldier poetry on the war There is a photographic essay on the war by combat journalist and Pulitzer Prize winning photographer Max Desfor Another chapter includes and analyzes songs on the Korean War Korean American and Chinese that illuminate the many complex memories of the war There is a discussion of Korean films on the war and a chapter on Korean War POWs and their contested memories More than any other nonfiction book on the war this one shows us the human face of tragedy for Americans Chinese and most especially Koreans June 2000 was the fiftieth anniversary of the outbreak of the Korean War this moving volume is intended as a commemoration of it

Global Cold War Literature Andrew Hammond, 2011-12-21 In countries worldwide the Cold War dominated politics

society and culture during the second half of the twentieth century Global Cold War Literatures offers a unique look at the multiple ways in which writers from Asia Africa Europe and North and South America addressed the military conflicts revolutions propaganda wars and ideological debates of the era While including essays on western European and North American literature the volume views First World writing not as central to the period but as part of an international discussion of Cold War realities in which the most interesting contributions often came from marginal or subordinate cultures To this end there is an emphasis on the literatures of the Second and Third Worlds including essays on Latin American poetry Soviet travel writing Chinese autobiography African theatre North Korean literature Cuban and eastern European fiction and Middle Eastern fiction and poetry With the post Cold War era still in a condition of emergence it is essential that we look back to the 1945-89 period to understand the political and cultural forces that shaped the modern world The volume's analysis of those forces and its focus on many of the hot spots Afghanistan Iran North Korea that define the contemporary war on terror make this an essential resource for those working in Postcolonial American and English Literatures as well as in History Comparative Literature European Studies and Cultural Studies Global Cold War Literatures is a suitable companion volume to Hammond's Cold War Literature Writing the Global Conflict also available from Routledge

Women's Performative Writing and Identity Construction in the Japanese Empire Satoko Kakiyama, 2022-11-28 In Women's Performative Writing and Identity Construction in the Japanese Empire the author examines how writers captured various experiences of living under imperialism in their fiction and nonfiction works Through an examination of texts by writers producing in different parts of the empire including the Japanese metropole and the colonies and territories of Taiwan Korea and Manchukuo the book explores how women negotiated the social and personal changes brought about by modernization of the social institutions of education marriage family and labor Looking at works by writers including young students in Manchukuo Japanese writer Hani Motoko Korean writer Chang Tok cho and Taiwanese writer Yang Ch ien Ho the book sheds light upon how the act and product of writing became a site for women to articulate their hopes and desires while also processing sociopolitical expectations The author argues that women used their practice of writing to construct their sense of self The book ultimately shows us how the words we write make us who we are **Rat Fire** Theodore

Hughes, Jae-Yong Kim, Jin-kyung Lee, Sang-Kyung Lee, 2013-12-31 This volume brings together twelve short stories by colonial Korean proletarian writers as well as two works written in 1946 under U S military occupation The volume provides a diverse ever changing portrait of the complex movements of people and ideas that constituted both colonial Korea and the Japanese empire adding the tumultuous experiences of those from the Korean peninsula to the existing international canon of socialist and feminist literature **The Descendants of Cain** Ji-moon Suh, Sun-won Hwang, Julie Pickering, J. Suh, 2015-04-15 Hwang Sun won perhaps the most beloved and respected Korean writer of the 20th century based this extraordinary novel on his own experiences in his North Korean home village between the end of World War II and the eve of the Korean War when

Korea had been divided into North and South by its two liberators the United States and the Soviet Union In this story the Soviet backed communist party using the promise of land reform sets people at each other s throat Portrayed here is an entire community caught in the political and social firestorm that brings out the selfishness cruelty and ignorance of simple people but also shows their loyalty and nobility Compelling here too is a heroine who represents the eternally feminine for all Korean men and the setting the harsh political psychic and physical landscape of rural postwar North Korea rarely glimpsed by the outside world Hwang Sun won is an artist of consummate delicacy and subtlety and his writing is marked by keen psychological insight and steely asceticism While three collections of his short stories have appeared in Hong Kong and the West *The Descendants of Cain* is the first English translation of a Hwang Sun won novel *From Wonso Pond* Kang Kyong-ae,2009-10-01 A vibrant account of the travails of Japanese colonialism as experienced by workers and women by the pioneering feminist writer of the Korean left Andre Schmid author of *Korea Between Empires* A classic revolutionary novel of the 1930s and the first complete work written by a woman before the Korean War to be published in English *From Wonso Pond* transforms the love triangle between three protagonists into a revealing portrait of the living conditions that led to modern Korea both North and South A fatherless young girl now poised to become the victim of the landlord s lecherous fangs and paws begins one of the original newspaper teasers describing *From Wonso Pond* and the fate of its heroine Sonbi In a plot rich with Dickensian overtones the novel paints a vivid picture of life in what is now North Korea through the eyes of Sonbi her childhood neighbor Ch otchae and a restless law student Sinch ol as they journey separately from a small impoverished village ruled by the lecherous land baron to the port city of Inch on But life is hardly easier there as Sonbi wears herself out boiling silk threads twelve hours a day while Ch otchae and Sinch ol load rice on the docks All three become involved with underground activists fighting the oppression of country and city as well as their Japanese colonial rulers An astonishing achievement From a colonized Korea Kang sets the stage for the tragic birth of two rival nations John Dos Passos and George Orwell may have had a Korean sister yet Min Jin Lee author of *Pachinko*
