Reba My Story:

Reba Reba McEntire, Tom Carter, 2015-04-15 With the same straightforward honesty that made her one of country's top selling female recording artists Reba McEntire tells her phenomenal story From her childhood in Oklahoma working cattle with her ranching family to her days on the rodeo competition circuit from her early days as a performer in honky tonks to her many awards and a sold out appearance at Carnegie Hall Reba relates her experiences with heartfelt emotion and down to earth humor With the same warmth and generous spirit that infuses her music she introduces us to the most important people in her life the family and friends who sustain her and the musicians and producers who have inspired her and helped her realize her artistic vision With great poignancy she also recounts the lowest points of her life the breakup of her first marriage and the plane crash that took the lives of eight of her band members and the highest her remarriage and the birth of her son Shelby Her story is not only a chronicle of a remarkable life but a vivid testament of unshakable determination and faith in God Reba My Story is an intimate portrait of one of America's most beloved and successful entertainers NOTE This edition does not include a photo insert

The scenario is a year in the lives of four New Soldiers in the Army of God It is a metaphor for Christian life today The analogy that Christians are supposed to be warriors for the Kingdom of God is not new I do not believe our local churches are supposed to be luxurious day camps for pampering self indulgent babies rather I believe new believers should hit the ground running learning about spiritual warfare from the outset and even with our own mistakes hurts frequent breakdowns we are

destined to win others who are caught in the darkness of sin and point them to the light and salvation offered by Jesus Christ

The militant church is a favorite theme of mine **Cedar Crossing** Mark Busby, 2013-03-19 The Trans Cedar lynching is an infamous tale buried deep in the subconscious of rural Texas history although it made front page headlines in the Dallas Morning News and even in national newspapers from May through November of 1899 This horrifying event is at the center of a compelling novel by author Mark Busby He has not only researched original documents but has used family oral histories to probe the mysteries that still shroud a lynching that is as horrifying and baffling now as it must have been over a hundred years ago The War of Northern Aggression was still fresh in the memory of those who lived through it hog stealing moonshine secret meetings and the lore of the Texas Rangers were part of the fabric of country life and there were many who refused to believe the war was really over Against this backdrop a running feud between the Humphries and the Wilkinsons exploded into a triple murder When young Jefferson Bowie Adams II is given an assignment for a college course in 1964 President Kennedy has just been assassinated the movement for civil rights is beginning to stir and developments in Vietnam barely make the back pages of the newspaper Setting out to record a story from his family's history Jeff discovers sitting in his grandfather's hideout while Pampaw smokes a forbidden cigar a story that is as mesmerizing as it is shocking the tale of a triple lynching in Henderson County in the late spring of 1899 an event Pampaw himself witnessed Even as the scene of the crime is slowly being submerged by the filling of the Cedar Creek Reservoir Jeff struggles to uncover the truths of what really happened that fateful night in 1899 Through the various recollections of his aging kin Adams begins to uncover a web of relationships and a love story that ultimately leads him to a missing girl a country graveyard and a realization that he and his family are part and parcel of the stained history of the South **Billboard** , 1994-04-30 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
