Rebecca Of Sunnybrook Farm The Best Sellers Of 1904:

Rebecca of Sunnybrook Farm Kate Douglas Smith Wiggin, 2012-12-17 *Rebecca Of Sunnybrook Farm Minnesota*
Theodore Christian Blegen, 1975 The acclaimed history is brought up to date through placement of the political economic social and cultural developments since 1963 within the larger context of national and international events **Seventy Years of Best Sellers, 1895-1965** Alice Payne Hackett, 1967 **Our Times** Mark Sullivan, 1927 For contents see Author Catalog
Our Times: America finding herself Mark Sullivan, 1927 **Raising America** Ann Hulbert, 2011-01-26 Since the beginning of the twentieth century millions of anxious parents have turned to child rearing manuals for reassurance Instead however they have often found yet more cause for worry In this rich social history Ann Hulbert analyzes one hundred years of shifting trends in advice and discovers an ongoing battle between two main approaches a child centered focus on warmly encouraging development versus a sterner parent centered emphasis on instilling discipline She examines how pediatrics psychology and neuroscience have fueled the debates but failed to offer definitive answers And she delves into the highly relevant and often turbulent personal lives of the popular advice givers from L Emmett Holt and Arnold Gesell to Bruno Bettelheim and Benjamin Spock to the prominent and ever conflicting experts of today The Book World Nicola Louise Wilson, 2016-05-18 British literature underwent profound changes in the period 1900 1940 What role did audiences and channels of book distribution play in this In this wide ranging collection the influence of publishers distributors librarians and readers come to the foreground to open up new perspectives on literature and print culture Rooted in original archival research chapters include studies of the engagement of canonical writers and bestsellers with the literary marketplace the influence of international and mobile audiences publishing practices involving genre promotion and censorship and the significance of spaces of reading including bookshops circulating libraries and on board passenger ships Through a series of detailed case studies that focus on under explored aspects of distribution and readership the contributors open up new perspectives on literature and the British book trade F. Scott Fitzgerald Niklas Salmose, David Rennie, 2024-07-16 A comprehensive study of the life of F Scott Fitzgerald related in two year chapters by twenty three leading writers on the Jazz Age author There never was a good biography of a novelist F Scott Fitzgerald wrote in The Crack Up There couldn t be He is too many people if he s any good Fitzgerald a good novelist by any measure has tested this challenge to the biographer s art A new star illuminating the literary scene a chronicler of the Jazz Age in all its brilliance and tarnish a romantic symbol of the American century an acute observer of society s best and worst and of his own star crossed career a midlife burnout at forty four leaving an unfinished masterpiece in his wake he was a man of many aspects a writer whose complexity and multitudes this composite biography finally aptly portrays Bringing together twenty three leading writers and scholars on Fitzgerald each focusing on two years of his life this volume takes its cue from Henry James s remark cited by preeminent Fitzgerald biographer Scott Donaldson The whole of anything is never told you can only take what groups together F Scott Fitzgerald A

Composite Biography presents a new way of grouping together biographical material and perspectives considering from various angles the author's best known works as well as understudied writings including neglected stories and forays into autobiography such as *What I Think and Feel at 25* and *How to Live on 36 000 a Year*. The glamor and fame that made F. Scott and Zelda mythic figures of their time appear here alongside the personal experiences that he occasionally included in his writing, the beginnings as well as the poignant end, the literary relationships that informed and framed his work set against solitary effort, fame and failures. This remarkable study of F. Scott Fitzgerald by twenty-three experts reflects the multifaceted whole of a life in many parts in new and revelatory ways.
