Marc Songini

Rebel Raiders The Astonishing History Of The Confederacy's Secret Navy:

The Rebel Raiders James T. De Kay, 2002 The history of the Confederates plans to build a navy with the covert aid of the British The plan culminated in the building of the C S S Alabama **American Naval History, 1607-1865** Jonathan R. Dull, 2012-12-01 For its first eighty five years the United States was only a minor naval power Its fledgling fleet had been virtually annihilated during the War of Independence and was mostly trapped in port by the end of the War of 1812 How this meager presence became the major naval power it remains to this day is the subject of American Naval History 1607 1865 Overcoming the Colonial Legacy A wide ranging yet concise survey of the U S Navy from the colonial era through the Civil War the book draws on American British and French history to reveal how navies reflect diplomatic political economic and social developments and to show how the foundation of America's future naval greatness was laid during the Civil War Award winning author Jonathan R Dull documents the remarkable transformation of the U S Navy between 1861 and 1865 thanks largely to brilliant naval officers like David Farragut David D Porter and Andrew Foote visionary politicians like Abraham Lincoln and Gideon Welles and progressive industrialists like James Eads and John Ericsson But only by understanding the failings of the antebellum navy can the accomplishments of Lincoln's navy be fully appreciated Exploring such topics as delays in American naval development differences between the U S and European fleets and the effect that the country's colonial past had on its naval policies Dull offers a new perspective on both American naval history and the history of the developing republic **The Civil War at Sea** Craig L. Symonds, 2012 Continuing in the vein of the Lincoln prize winning Lincoln and His Admirals acclaimed naval historian Craig L Symonds presents an operational history of the Civil War navies both Union and Confederate in this concise volume Illuminating how various aspects of the naval engagement influenced the trajectory of the war as a whole The Civil War at Sea adds to our understanding of America's great national conflict Both the North and the South developed and deployed hundreds of warships between 1861 and 1865 Because the Civil War coincided with a revolution in naval technology the development and character of warfare at sea from 1861 1865 was dramatic and unprecedented Rather than a simple chronology of the war at sea Symonds addresses the story of the naval war topically from the dramatic transformation wrought by changes in technology to the establishment management and impact of blockade He also offers critical assessments of principal figures in the naval war from the opposing secretaries of the navy to leading operational commanders such as David Glasgow Farragut and Raphael Semmes Symonds brings his expertise and knowledge of military and technological history to bear in this essential exploration of American naval engagement throughout the Civil War *Wolf of the Deep* Stephen Fox, 2009-03-25 The electrifying story of Raphael Semmes and the CSS Alabama the Confederate raider that destroyed Union ocean shipping and took more prizes than any other raider in naval history In July 1862 Semmes received orders to take command of a secret new British built steam warship the Alabama At its helm he would become the most hated and feared man in ports up and down the Union coast and a Confederate legend

Now with unparalleled authority and depth and with a vivid sense of the excitement and danger of the time Stephen Fox tells the story of Captain Semmes's remarkable wartime exploits From vicious naval battles off the coast of France to plundering the cargo of Union ships in the Caribbean this is a thrilling tale of an often overlooked chapter of the Civil War *Life in Jefferson Davis' Navy* Barbara B Tomblin, 2019-04-15 The Civil War is often considered a soldiers war but *Life in Jefferson Davis Navy* acknowledges the legacy of service of the officers and sailors of the Confederate States Navy In this full length study Barbara Brooks Tomblin addresses every aspect of a Confederate seaman's life from the risks of combat to the everyday routines which sustained those sailing for the stars and bars Drawing upon diaries letters newspaper accounts and published works Tomblin offers a fresh look at the wartime experiences of the officers and men in the Confederate Navy including those who served on gunboats ironclads and ships on western rivers and along the coast and at Mobile Bay as well as those who sailed on the high seas aboard the Confederate raiders Sumter Alabama Florida and Shenandoah The author also explores the daily lives deprivations and sufferings of the sailors who were captured and spent time in Union prisoner of war camps at Point Lookout Elmira Camp Chase Johnson's Island Ship Island and Fort Delaware Confederate prisoners journals and letters give an intimate account of their struggle helping modern audiences understand the ordeals of the defeated in the Civil War

The Great Abolitionist Stephen Puleo, 2024-04-23 The groundbreaking biography of a forgotten civil rights hero In the tempestuous mid 19th century as slavery consumed Congressional debate and America careened toward civil war and split apart when the very future of the nation hung in the balance Charles Sumner's voice rang strongest bravest and most unwavering Where others preached compromise and moderation he denounced slavery's evils to all who would listen and demanded that it be wiped out of existence More than any other person of his era he blazed the trail on the country's long uneven and ongoing journey toward realizing its full promise to become a more perfect union Before and during the Civil War at great personal sacrifice Sumner was the conscience of the North and the most influential politician fighting for abolition Throughout Reconstruction no one championed the rights of emancipated people more than he did Through the force of his words and his will he moved America toward the twin goals of abolitionism and equal rights which he fought for literally until the day he died He laid the cornerstone arguments that civil rights advocates would build upon over the next century as the country strove to achieve equality among the races *The Great Abolitionist* is the first major biography of Charles Sumner to be published in over 50 years Acclaimed historian Stephen Puleo relates the story of one of the most influential political figures in American history with evocative and accessible prose transporting readers back to an era when our leaders exhibited true courage and authenticity in the face of unprecedented challenges *The Alabama, British Neutrality, and the American Civil War* Frank J. Merli, 2004-11-17 A study of the Confederacy's inept attempts to win foreign support for its cause

A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military

political social and economic aspects of the American Civil War 1861-1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory The Lost Fleet Marc Songini,2013-11-26 Arctic disasters rogue whales ambush by Confederate ships the true saga of one captain's struggle to survive the demise of the Yankee whaling fleet It's the mid nineteenth century and the American whaling fleet is struck by one hammer blow after the other Yankee whalers are contending with icebergs storms rogue whales sharks hostile natives and disease Many whalers give up the life but some carry on the vocation One such man is a captain from Connecticut Thomas William Williams Not only does he go out on voyage after voyage he even takes on board with him his tiny wife Eliza and his infant son and daughter The Lost Fleet's thrilling narrative recounts Williams' remarkable career including a daring escape from the Confederate cruiser Alabama and a daring rescue and salvage of lost ships off Alaska's coast Songini has crafted a historical masterpiece in recording a family saga a true narrative of adventure and death on the high seas and a detailed and well researched look at the demise of Yankee whaling All Brave Sailors J. Revell Carr,2010-06-15 In the darkness before moonrise on the Atlantic Ocean off the African coast on August 21 1940 the night erupted in a fusillade of bullets and shells The victim was a stalwart English tramp steamer Anglo Saxon part of the lifeline that was keeping besieged England supplied The attacker was the Widder a German surface raider disguised as a neutral merchant ship When it was near its prey the raider unmasked its hidden armament and with overwhelming force destroyed the target ship Only seven of the forty one man crew of the Anglo Saxon managed to get into a small boat and escape the raiders Seventy days later two of them half dead stumbled ashore in the Bahamas The account of the sailors' ordeal how first the badly wounded and then the less strong died and were thrown over the side of a fragile boat that had almost no supplies is suspenseful and riveting On the same day the two survivors reached the Bahamas the Widder arrived off Brest in occupied France her murderous voyage over Her captain Hellmuth von Ruckteschell who sank a staggering twenty five ships was eventually tried as a war criminal All Brave Sailors is a story of endurance heroism brutality and survival under the most terrible circumstances It fills a gap in the history of World War II telling the story of the much neglected sailors and the ships of the merchant marine fighting against great odds in the early days of the war

As recognized, adventure as well as experience approximately lesson, amusement, as skillfully as contract can be gotten by just checking out a ebook **Rebel Raiders The Astonishing History Of The Confederacys Secret Navy** then it is not directly done, you could agree to even more with reference to this life, regarding the world.

We come up with the money for you this proper as skillfully as easy pretentiousness to acquire those all. We offer Rebel Raiders The Astonishing History Of The Confederacys Secret Navy and numerous book collections from fictions to scientific research in any way. along with them is this Rebel Raiders The Astonishing History Of The Confederacys Secret Navy that can be your partner.
