Wanting More of God: How to Attain to the Fullness of Christ Mark Gilpin, Fiona Gilpin, 2025-11-03 The heart cry of many Christians today is that they want more of God. Maybe that is you. Anything is possible with God and he works through imperfect people yet why is it we do not always see the more of God that we desire? Is it because we have clutter in our lives leaving little space for God? In seeking more of God have we missed him by not looking in all the right places? More of God is within our grasp what can we learn from Jesus's example? If you are looking to recalibrate your understanding of discipleship if you are longing to know and truly experience more of God and who you are in Him if you want to understand a fruitful life from Heaven's perspective this book is for you. It doesn't just offer excellent information it provides a roadmap for you to experience a transformation. Janice Pleasants Leads the Eastgate Online School of Spiritual Life. Do not be misled by thinking this is just another Christian self-help guide. Rather it is a rich and reasoned journey into the heart of God. Skillfully laid out by those whose lives bear witness of the More available to us all. Mark and Fiona's walk qualifies their talk and is what gives this work substance. Mark Hendley D.D. h.c. and Director of The Stones Cry Out. This inspiring book combines excellent insights from Scripture with brilliant engagement of today's Western culture on how to be filled with God's glory and pass it on to others. It's a must read for the thirsty. Derrick Burns Author, Speaker and Founder of Ministry School International

The Comfort of God Harold John Ockenga, 2019-02-27 Sermons from Second Corinthians. Today's readers will find these sermons as timely and relevant as they were for those who originally heard them preached

The God Of All Comfort: A Theological Study of the Causes and Cures of Affliction Carl Shank, **Transformed by the Grace of God** Martin Reén, 2021-12-14 The reason that I have written this book is to give you hope of true and lasting transformation. A hope that is built on the grace of God. I have seen both in my own life as well as in the lives of countless other people how the power of Jesus Christ heals, restores, transforms and makes everything new again. This book is an invitation to dive into the depths of God's grace and to be transformed by the love of the Father and the finished work of Jesus Christ. It has been my goal to write it in a simple language to make it as accessible and readable as possible but also to do it in an inspirational way. I have no intention to write a systematic explanation of the grace of God but to share some of the insights I have gained through the years as to how we are transformed by the grace of God. Hopefully this book can be a source of encouragement and comfort for that process. The God of all grace will strengthen and establish you so that you can become everything that He has called you to be

Spiritual Connection Within W. Ruben Exantus, 2023-09-07 A few words about the origin of this book and why it was written will help the reader to understand its teaching This book is the outcome of a series of Bible studies I taught on prayer at Grace Baptist Church of Apopka a church I pastored for nearly twelve years in Orlando Florida The idea came to me while putting into practice what I taught the

congregation concerning prayer according to God's will. A great number of people go to church every week across America and around the world but unfortunately they never have a personal time with God in prayer. The only time they spend in prayer is when they gather with the congregation for corporate worship. Can you imagine a Christian who only prays to God once or twice a week? Prayers addressed with others practically means there is nothing personal about it. Don't get me wrong, I believe in corporate prayer and I think it creates an atmosphere of worship and fellowship where many believers get together to pray. It is essential to the life of a church. The true church of God will not go without it. In addition, there are those who pray to God often and alone. They seek times of silence in their lives to be with God alone and pray. However, there is an important question that must be addressed if we want God to answer our prayers: Do we pray according to God's will? I believe deep in my heart that there is a great misinterpretation among Christians in regard to the subject of prayer which leads to a lack of spiritual power in many followers of God. I think it's time for you to find out what might be the cause of that spiritual weakness.

Global Witness Through Weakness Joseph M. Lear, 2025-04-18 The apostle Paul is recognized as the paramount example of what it means to be a Christian missionary committed to the cause of Christ. In his Second Epistle to the Corinthians, we read of the struggles he endured in establishing the church in Corinth. These struggles gave rise to his exposé of his own paradoxical life and ministry based on his firm conviction that strength only comes through weakness. Paul, in his confessed weakness, poured out his life as a participant in the sufferings and death of the Savior. He believed that only in such participation would resurrection grace and power be released for the salvation of lost humanity. This letter is a powerful blueprint for missionary training institutes and sending agencies as they prepare, select, and send missionaries to the four corners of the earth.

Paradigm of the Greatest Commandments Henry Lew, 2024-02-28 How can the greatest commandments form the paradigm for our lives? How can these two commandments inform and transform our worldview to help us face the challenges of life? What do these commandments tell us about relationship with God, ourselves, and others? This book studies these questions, arriving at many counterintuitive conclusions.

Seifrid,2014-10-17 Newest volume in the acclaimed Pillar New Testament Commentary series The question that Paul set before the ancient church in Corinth Do you not recognize that Jesus Christ is in and among you 2 Cor 13 5 remains a critical question for the church today This commentary by Mark Seifrid seeks to hear Paul s message afresh and communicate it to our time Seifrid offers a unified reading of 2 Corinthians which has often been regarded as a composite of excerpts and fragments He argues that Paul s message is directed at the practical atheism of the Corinthian church the hidden heresy that assumes God s saving work in the world may be measured by outward standards of success and achievement Like all of the Pillar volumes Seifrid s commentary on 2 Corinthians offers careful grammatical analysis and exegesis with clear pastoral application **Great Archers and Their Weapons and Fresh Arrows from Many Quivers** Louis Albert Banks,1903
