Recent Matyr:

The Last Martyr Steven Ostrega,2011-12-20 The story of one man s desperate fight to save his family from the wrath of the coming Apocalypse as the End Times spiral toward the final judgement Today s headlines mirror ancient prophecy to weave a tale of the frightening events as society chooses sides The minority systematically hunted till there can only be one last martyr The Last Martyr John Mackowicz,2004-10 After World War III world leaders abolished all forms of religion seeing them as the cause of the war Any evidence of religion has been eliminated Alden is dissatisfied with a tedious job and unfulfilling marriage Certainly there must be greater meaning to his existence The government sends Alden on a vacation to an uncivilized land in order that he might appreciate all that he has It is here that he discovers Christianity When the new Christian returns from his trip his passion for his faith does not end What will the government do when they discover Alden s treasonous actions

Last Letters & Further Records of Martyred Missionaries of the China Inland Mission Marshall Broomhall,1901

Martyrs Mirror David Weaver-Zercher,2016-03-15 The first scholarly history of the iconic Anabaptist text Approximately 2 500 Anabaptists were martyred in sixteenth and early seventeenth century Europe Their surviving brethren compiled stories of those who suffered and died for the faith into martyr books The most historically and culturally significant of these The Bloody Theater more commonly known as Martyrs Mirror was assembled by the Dutch Mennonite minister Thieleman van Braght and published in 1660 Today next to the Bible it is the single most important text to Anabaptists Amish Mennonites and Hutterites In some Anabaptist communities it is passed to new generations as a wedding or graduation gift David L Weaver Zercher combines the fascinating history of Martyrs Mirror with a detailed analysis of Anabaptist life religion and martyrdom He traces the publication use and dissemination of this key martyrology across nearly four centuries and explains why it holds sacred status in contemporary Amish and Mennonite households Even today the words and deeds of these martyred Christians are referenced in sermons Sunday school lessons and history books Weaver Zercher argues that Martyrs Mirror was designed to teach believers how to live a proper Christian life In van Braght s view accounts of the martyrs helped to remind readers of the things that mattered thus inspiring them to greater faithfulness Martyrs Mirror remains a tool of revival offering new life to the communities and people who read it by revitalizing Anabaptist ideals and values Meticulously researched and illustrated with sketches from early publications of Martyrs Mirror Weaver Zercher s ambitious history weaves together the existing scholarship on this iconic text in an accessible and engaging way

Perfect Martyr Shelly Matthews,2012-07-12 This book analyzes the story of Stephen the first Christian martyr both in terms of rhetorical fittingness and Christian tradition concerning the significance of his dying forgiveness prayer It questions the historicity of the account of his death underscores Acts rhetorical violence and reads Acts against narratives of the martyrdom of James as a means to a richer history of early Jewish Christian relations

The Making of Martyrdom in Modern Twelver Shi'ism Adel Hashemi,2022-02-24 In Twelver Shi a Islam the wait for the return of the

Twelfth Imam Muhammad ibn al Hasan al Mahdi at the end of time overshadowed the value of actively seeking martyrdom. However, what is the place of martyrdom in Twelver Shi'ism today? This book shows that the Islamic revolution in Iran resulted in the marriage of Shi'i messianism and extreme political activism, changing the mindset of the Shi'a worldwide. Suddenly, each drop of martyrs' blood brought the return of al Mahdi one step closer, and the Islamic Republic of Iran supposedly became the prelude to the foretold world revolution of al Mahdi. Adel Hashemi traces the unexplored area of Shi'i discourse on martyrdom from the 1979 revolution when the Islamic Republic's leaders cultivated the culture of martyrdom to topple the Shah's regime to the dramatic shift in the understanding of martyrdom today. Also included are the reaction to the Syrian crisis, the region's war with ISIS and other Salafi groups, and the renewed commitment to the defense of shrines. This book shows the striking shifts in the meaning of martyrdom in Shi'ism, revealing the real relevance of the concept to the present-day Muslim world.

The Era of the Martyrs Aaltje Hidding, 2020-08-24
One of the most traumatic experiences of Late Antique Christians was the Great Persecution begun by Emperor Diocletian and his Tetrarchic colleagues in 303 CE. Here Aaltje Hidding unites research of traditional memory studies with work done by cognitive scientists to examine how they remembered the Persecution. The resulting methodological framework, the cognitive ecology, systemically studies all that can be covered by this term: social surroundings, cognitive artefacts, and the physical environment, and bridges the gap between individual and collective memory. The author analyses the remembrance of the Persecution in three different regions along the Nile river. In Oxyrhynchus, the thousands of papyrus fragments found at the city's rubbish dump give a vivid image of the martyrs in the daily lives of the Oxyrhynchites. In Antinoöpolis, known for the cult of the physician saint Colluthus, she zooms in on the rituals and practices at a martyr's sanctuary. Finally, in Dandara, the rich hagiographical dossier of the anchorite Paphnutius shows how old memories of the Persecution became mixed with new monastic experiences. The Bohairic and Greek Passion of Paphnutius appear in their first complete English translations.

Passion of St. Anthony the Neomartyr D.P. Curtin, 2019-07-15
This hagiographical account is about the Arab saint St. Anthony the Neomartyr and recounts his transformation from a hostile observer of Christianity to a devoted believer. Initially, he mocks and harasses Christians, but after witnessing a miraculous event during a church service, he becomes intrigued by the Christian faith. Following a divine encounter with St. Theodore, he converts, is baptized, and faces persecution for his beliefs. Despite attempts to persuade him to renounce his faith, he remains steadfast and is ultimately martyred. His story emphasizes themes of faith, divine intervention, and the struggle against persecution.

In the Homes of Martyrs James Anthony Walsh, 1922
The Fiction of Valerie Martin Veronica Makowsky, 2016-03-21
In the first book-length study of Valerie Martin's fiction, Veronica Makowsky explores the work of this lauded but often overlooked contemporary novelist. Winner of the Orange Prize for her novel *Property* (2003), Martin also won the Kafka Prize for *Mary Reilly* (1990), which was then

translated into sixteen languages and made into a popular film Despite these successes her critically acclaimed novels and stories have yet to attain a broad readership Makowsky addresses this disconnect through a detailed critical study of Martin s distinguished oeuvre grounding each work in its historical cultural and theoretical contexts Makowsky begins with a sketch of Martin s life and then considers each of her ten novels and four collections of short stories Throughout Makowsky s deft critique reveals Martin to be an astute observer of people and places Pointing to both early works like *A Recent Martyr* 1987 and recent books such as *The Ghost of the Mary Celeste* 2014 Makowsky identifies a potent mixture of pleasure and fear in Martin s writing that emphasizes the author s nuanced exploration of human imagination Notable too are Martin s literary techniques especially point of view and her allusions to masterpieces in Western literature The works of Henry and William James in particular influenced Martin s thematic blend of intellectualism and empathy evident in her rounded depictions of women in works like *Italian Fever* 1999 and *The Great Divorce* 1994 A rich and substantive study *The Fiction of Valerie Martin* demonstrates and deconstructs the mastery of this thought provoking author in turn firmly establishing Martin s place in the canon of contemporary writers

Women and Asian Religions Zayn R. Kassam, 2017-06-22 Covering eclectic topics ranging from South Asian religion to motherhood to world dance to ethnomusicology this book focuses on contemporary selected experiences of women and how their lives interface with religion Religion has often been perceived as the source of constriction for women s roles in society This volume explores how modern women across Asia are mobilizing their faith traditions to address existential issues encountered in both the public and private realms relating to economics public participation politics and culture As such it is revealed that religion can be a powerful force for social change and ameliorating women s lives despite use of religious doctrine in the past to limit women Editor Zayn R Kassam PhD and the contributors cover not only the commonly considered Asian traditions of Hinduism Islam and Buddhism but also Christianity Judaism Bahai and indigenous traditions The book reveals that the challenges and opportunities Asian women face arise both from within and outside whether in terms of developments within their countries or in relation to international political and economic regimes The chapters explore how the issues Asian women face have as much to do with cultural and religious codes as they do with politics economics education and the law consider the varying ways in which family and motherhood are affected by the state s construction of the gendered citizen by social constructs of motherhood and by policies regarding women and children s access to health care and identify the roles played by religion and spirituality in these circumstances

The Road to Martyrs' Square Anne Marie Oliver, Paul F. Steinberg, 2006-04-27 Don t expect to find here the usual clichés about suicide bombers and what drives them In this unique study Anne Marie Oliver and Paul Steinberg render the story of two intertwining often clashing journeys The authors lived for six months with a Palestinian refugee family in Gaza at the beginning of the intifada and offer a gritty poetic portrait of the time They also provide an unrivalled documentary of the underground media they collected during the course of six years in the area Although they could not have surmised as much

at the beginning they soon found themselves led through these media into the world of the suicide bomber Their early study notably anticipated the spread of suicide missions years in advance Dispensing with the platitudes and dogma that typify discourse on the Israeli Palestinian conflict the authors show that the suicide bomber is a complex contradictory construction and can be explained neither in terms of cold efficacy nor sheer evil Theirs is the only book on the subject to illustrate the ecstatic intoxicating aspects of suicide missions and provide extensive access to materials that have remained largely unseen in the West despite the fact that they have served as indispensable tools in the construction and propagation of the suicide bomber The book contains 86 illustrations drawn from the authors archive as well as numerous conversations with leaders and followers of Hamas including a rare interview with a suicide bomber whose bomb failed to explode on an Israeli bus in Jerusalem Here is an important and timely work that will challenge the way we think about the intifada suicide bombers and the Israeli Palestinian conflict *DEAR SCOTLAND - A Martyr's Quincentennial Diary* Jean Wishart Wilson,2018-08-24 In 2013 the Scottish martyr George Wishart was persuaded to come out of retirement and return to Scotland to let him join in preparations for the celebrations surrounding his 500th birthday Realising that George would find modern Scotland very different from the one he left in 1546 he was also invited to keep a Facebook Diary about his life and thoughts during his visit

T&T Clark Companion to Reformation Theology David M Whitford,2014-09-25 This volume introduces the main theological topics of Reformation theology in a language that is clear and concise Theology in the Reformation era can be complicated and contentious This volume aims to cut through the theological jargon and explain what people believed and why The book begins with an essay that explains to students how one can approach the study of sixteenth century theology It includes a guide to major events persons doctrines and movements Global Terrorism and New Media Philip Seib,Dana M. Janbek,2010-09-13 Global Terrorism and New Media carefully examines the content of terrorist websites and extremist television programming to provide a comprehensive look at how terrorist groups use new media today Based partly on a content analysis of discussion boards and forums the authors share their findings on how terrorism 1 0 is migrating to 2 0 where the interactive nature of new media is used to build virtual organization and community Although the creative use of social networking tools such as Facebook may advance the reach of terrorist groups the impact of their use of new media remains uncertain The book pays particular attention to terrorist media efforts directed at women and children which are evidence of the long term strategy that some terrorist organizations have adopted and the relationship between terrorists media presence and actual terrorist activity This volume also looks at the future of terrorism online and analyzes lessons learned from counterterrorism strategies This book will be of much interest to students of terrorism studies media and communication studies security studies and political science *Inspiration and Canonicity of the Scriptures* R. Laird Harris,2008-09-01 In the modern debate on biblical interpretation and verbal inerrancy this book gives weighty evidence for the historic Christian position that the Bible the sacred canon is the very truth of God and that it can be interpreted

understood and applied in our time The book considers the phenomena and data of the Bible and finds them consistent with the teaching of Christ and the apostles that they are both true and meaningful in any culture Inspiration of the Bible and the canonical status of its books are closely interrelated matters but the treatment of both subjects in one volume is all too rare In the treatment of the canon the book quotes extensively from the sources the very early Christian writers as well as recent finds the Dead Sea Scrolls and the books and papyri from Nag Hammadi in Egypt It combines the extensive historical evidence with the witness and claims of the Bible itself Reviews of the original work that it was well documented and thorough but profitable for any serious Christian layman are still applicable to the revised and updated edition

Martyrdom Ihab Saloul, Jan Willem Henten, 2025-10-01 The phenomenon of martyrdom is more than 2000 years old but as contemporary events show still very much alive Martyrdom Canonisation Contestation and Afterlives examines the canonisation contestation and afterlives of martyrdom and connects these with cross cultural acts and practices of remembrance Martyrdom appeals to the imagination of many because it is a highly ambiguous spectacle with thrilling deadly consequences Imagination is thus a vital catalyst for martyrdom for martyrs become martyrs only because others remember and honour them as such This memorialisation occurs through rituals and documents that incorporate and re interpret traditions deriving from canonical texts The canonisation of martyrdom generally occurs in one of two ways First through ritual commemoration by communities of inside readers listeners viewers and participants who create and recycle texts re interpreting them until the martyrs ultimately receive a canonical status or second through commemoration as a means of contestation by competing communities who perceive these same people as traitors or terrorists By adopting an interdisciplinary orientation and a cross cultural approach this book goes beyond both the insider admiration of martyrs and the partisan rejection of martyrdoms and concisely synthesises key interpretive questions and themes that broach the canonised unstable and contested representations of martyrdom as well as their analytical connections divergences and afterlives in the present

Salvation at Stake Brad S. Gregory, 2001-11-15 Thousands were executed for incompatible religious views in 16th century Europe The meaning and significance of those deaths are studied here comparatively providing an argument for the importance of martyrdom as a window onto religious sensibilities and a crucial component in the formation of divergent Christian traditions and identities

Ancient Apologetic Exegesis Stuart Parsons, 2015-02-05 New Testament scholarship uncovers much about first century Christianity Early Christian masters such as Origen and Augustine draw great attention to the third and following centuries Yet oddly despite this flood of attention to both the first century and to the third and later centuries the second century often escapes notice this despite its almost living memory of Jesus and his apostles from only a generation or two prior A distinctive biblical exegesis was used by those second century apologists who challenged Greco Roman pagan religionists Along with introducing the general shape of this ancient apologetic exegesis *Ancient Apologetic Exegesis* aims at its recovery as well Current literature often misunderstands or

dismisses second century exegetical approaches But by looking behind anachronistic views of ancient genre literacy and rhetoric we can rediscover a forgotten form of early Christian exegesis
