Carmelite prioresses had failed to grasp the importance of Threse for the modern era in the church He wrote Armed with the sign of the Cross I open the book Story of a Soul and find the place where the fire in her heart unites with the burning heart of Jesus in Vivre dAmour To Live by Love Suddenly the storm dies down calm returns and something indescribable floods my whole being and changes me completely This poem became an ark of salvation for me The dear sister gave me confidence I therefore conclude that the promise I will spend my heaven in doing good on earth After my death I will send down a shower of roses is literally fulfilled St Raphael was also greatly influenced by the example of famous pianist Hermann Cohen who became a Carmelite priest and founded Carmelite communities in France and England He arranged for a translation of Story of a Soul and a Life of Hermann Cohen to be translated into Polish We hope this volume appearing as it does soon after a year recalling the Fifth Centenary of St Teresa of Avila will make St Raphael better known and loved in the English speaking world and inspire people to value her charism and dedicate themselves to Christ and his Church at the present time Fr Timothy Tierney knows how to combine in his work a rich detailed and interesting collection of biographical material probably unknown to many with a penetrating analysis of the spiritual life of Fr Raphael Kalinowski Fr Saverio Cannistr O C D Superior General of the Discalced Carmelites
