Saved Sex Chastity Because You're Worth It:

Saved Sex Molly Kelly, 1997 Celluloid Saints Theresa Sanders, 2002 The book is written with two goals in mind The first is to give film viewers some background and context for evaluating what they see on screen By and large Hollywood is not conversant with theological issues occasionally movies reveal an appalling ignorance about religion More often however the approach movies take is simply flat footed and unsophisticated Giving readers the tools they need to interpret and critique cinematic portrayals of sanctity is one goal of this book **Making Chastity Sexy** Christine J. Gardner, 2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage Making Chastity Sexy sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism's transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa Resource Book Right to Life-Lifespan of Metro Detroit, 2002 Marriage and Holy Orders Michael Amodei, 2007 Marriage and Holy Orders is for high school students who will soon be embarking on a new stage in life which will initially include college and career planning but will naturally lead to vocational choices such as marriage religious life or priesthood Two vocations that are conferred with their own sacraments marriage and holy priesthood are the focus of the text and are set in the context of a practical study of what it means to live the Christian and human vocation Each chapter of the student text includes several regular features including an opening Scripture quotation Review questions and Journal Discussion starters for each main section Several relevant features that connect with the main material Minds Hearts and Hands assignments that help the students connect the material to service prayer and further study Vocabulary words highlighted in the text and defined in the margins Ten application projects or assignments that students can choose to work on throughout the entire chapter A Teacher's Wraparound Edition is available as well as supplemental online resources at www.avemariapress.com

The Beauty of Chastity Ev. Paul Mukendi, 2020-01-07 A woman had been caught in the act of adultery and she was brought to Jesus While Jesus dealt with the sensitive issue of sexual sins he did not speak loudly and make a long sermon but quietly wrote it down Sometimes honest words that are of a sensitive nature should rather be written down than said We are aware that sexual matters are not comfortable topics to deal with as most people treat them with social stigmas yet we must be diligent to address them thoroughly with the help of the Holy Spirit These teachings might make someone feel

uncomfortable yet they are one of the most noteworthy teachings of the Bible The extent and variety of sexual sins are rapidly increasing in our sophisticated societies so the need has arisen to present sound biblical teachings on sexuality Many people may find themselves victims of sexual sins because they are ignorant Hence the Bible says you will know the truth and truth shall set you free The purpose of these teachings is not to embarrass anyone but to help people discover the truth This book on chastity seeks to help both married and single people find the necessary motivation to pursue sexual purity in a perverted world it addresses many sexual problems and objections frequently found in our society Young people for whom this book was mainly written are shown how to live the charisma of virginity and celibacy charismatically that is as a gift in all humility with joy and perfect freedom **El-Hi Textbooks & Serials in Print, 2000 ,2000** **Forthcoming Books**
