Signs of Our Times ,1872 *Christian Herald and Signs of Our Times* ,1885 **Essays on Being Reformed** Dirkie Smit,2009-12-01 What does it mean to be Reformed Christians in the world today and in Africa and South Africa What does it mean to commemorate the legacy of John Calvin 1509 1564 after 500 years in a modern world characterised by democracy by popular notions of human dignity and human rights by worldwide struggles for individual freedoms and for social justice by a global economy in crisis when social historians argue about the lasting contribution of Calvin and his followers precisely with respect to all these modern phenomena The 28 essays by Dirkie Smit selected for this volume deal with such questions

Defining the Church for Our Time Peter Schmiechen,2012-06-12 The church is broken and we cannot fix it Faith in God is disconnected from churches Mainline churches are deeply divided and their budgets and congregations have diminished with no agreement for recovery So what shall we do It is time to stop talking about the problems and to consider a new vision of the church for our time This book is a celebration of the church as the community of new life in Christ It assumes Christ intended to create a community on earth embodying grace and holiness It begins with a new and inclusive definition of the church as a community enduring in time It affirms the great variety of churches all as valid expressions of the new life and explains how and why churches are formed in different ways The goal is for churches to celebrate the saving power of Christ and to see the glory of God revealed in the world in our time **The Fatima Prophecies** Thomas W. Petrisko,2011-05-28 I

Signs of Our Time John Margolies, Emily Margolin Gwathmey, 1993 A collection of photographs of the commercial advertising which has decorated America's roadsides

The Quiet Revolution of Pope Francis Gerry O'Hanlon, 2021-04-01 In this ground breaking book O'Hanlon offers an Irish theology for a Church in crisis carefully crafted in the light of his experience of having travelled the length and breadth of Ireland over the last ten years This is not an armchair theology but one that has been chiselled out of the experience of listening to and learning from others in high and low places engaging with diverse groups attending to the teaching of the Second Vatican Council and heeding the prophetic voice of the Bishop of Rome From the Foreword by Dermot A Lane draws on decades of reflection by himself and by others upon the immense challenges facing the Catholic Church in the post Second Vatican Council period in Ireland and beyond We have lacked neither the vision nor the goodwill to move forward but the institutional and organisational reforms needed to make the Second Vatican Council an embedded reality have eluded us until now Pope Francis the gentle revolutionary has called for a new synodal way of being church Synod means the path which we walk together and it looks like the missing piece of the jigsaw O'Hanlon's wise critical but hopeful diagnosis offers the glimpse of a longed for sea change for the Church Michael Kirwan SJ Loyola School of Theology at Trinity College Dublin

Vatican II Anthony Ciorra, Anthony J. Ciorra, Michael W. Higgins, 2012 Here is a collection of papers that were presented at a conference Vatican II A Universal Call to Holiness sponsored by Paulist Press and Sacred Heart University Fairfield Connecticut Seven of the presentations are based on the seven speeches given by several cardinals at the conclusion of the council on December 8 1965 The conference was not a critique of the council documents but rather creative ways in which the energy of the council can be marshaled in establishing the agenda and needs of the twenty first century The presenters and their topics Anthony Ciorra Introduction Michael W Higgins Afterword Holiness in the Future Holiness as Future Massimo Faggioli Keynote The Vision of the Second Vatican Council R Scott Appleby To Rulers Nancy A Dallavalle to Workers Sarah L Heiman and Peter Denio To Youth Roberto Goizueta To the Poor the Sick and the Suffering John Haught To Men and Women of Science Diana Hayes To Women Fr Michael Himes To Artists

Pilgrim's Process David R. Peel, 2021-08-31 This book traces the intellectual journey of a Christian minister and theologian Starting with his discovery of God through a love of the natural world David Peel's encounter with thinkers from his Reformed tradition and extensive ecumenical involvement takes him to a revisionary theology which meets his attempt to integrate a scientific background with the Christian faith Essays written during his

career illustrate the path he has taken The topics covered include theological method the centrality of theology for the church s life and work a sacramental view of ministry the missional church biblical authority nonconformity s gifts to the contemporary church and theological education Peel s theological approach is as critical of inadequate theologies inherited from the past as it is determined to construct a Christian narrative which satisfies twin requirements first being congruent with the Jesus tradition and secondly convincing the minds reaching the hearts and driving the commitments of contemporary people Both ministers and church members are challenged to view their own theological journeys as God given vocations

Formation for Life Glen Stassen,Rodney L. Petersen,Timothy A. Norton,2013-08-16 From all corners of the world both inside cities and in the remote countryside the cry for just peace rings out loud and strong But as many will note in this book the cry for just peace isn t enough for just peace requires active faith working hands and willing hearts Gathered in this volume are essays written from a wide variety of perspectives religious traditions nationalities and ages from a sixteen year old high school student to an eighty four year old senior professor that seek to offer insight toward answering one question How are just peacemaking faith formation and discipleship connected within a twenty first century context

A Message for Our Times William Doyle,2013-12-18 In this message the author draws on his life long ministerial experience to convey the realities of where we are on our journey through this life to where it is we are going The book reflects the treasure of shared knowledge and reveals what the author terms the unconscious unreality which draws people away from the conscious realities that would otherwise enrich their lives It is directed to all Gods people both Christians and non Christians These spiritual messages come at a time when the world is set on a course that is causing much consternation and answers many perplexing problems facing individuals The author takes church leaders to task for allowing much of what is changing the face of a civil society This book is not for idle curiosity Each chapter is at times sad at times joyful and at times soul searching There is strong emphasis on the lure of easy borrowing and sensationalism one of the plagues of modern times that mask the face of lasting values diminishing the hunger for the spiritual life and depleting the soul of contentment This book offers a clear and unshakeable understanding of the truth of God and clarifies scriptural text about the end times it speaks about you

This Is Our Time Trevin Wax,2017-03-01 Uncertain Confused Overwhelmed Many Christians feel bombarded by the messages they hear and the trends they see in our rapidly changing world How can we resist being conformed to the pattern of this world What will faithfulness to Christ look like in these tumultuous times How can we be true to the gospel in a world where myths and false visions of the world so often prevail In This is Our Time Trevin Wax provides snapshots of twenty first century American Life in order to help Christians understand the times By analyzing our common beliefs and practices smartphone habits entertainment intake and our views of shopping sex marriage politics and life s purpose Trevin helps us see through the myths of society to the hope of the gospel As faithful witnesses to Christ Trevin writes we must identify the longing behind society s most cherished myths what is good true beautiful expose the lie at the

heart of these myths what is false and damaging and show how the gospel tells a better story one that exposes the lie but satisfies the deeper longing **Economic Implications of Bishops' Pastoral Letter on the American Economy** United States.
