James R. O'Connor

Matt McCarten:

Matt McCarten Cathy Casey, 2002 Everyone has a view of Matt McCarten president of the Alliance wannabe mayor of Auckland aspiring MP trade union leader stutterer pin up boy In public McCarten has been variously described as ruthless Machiavellian manipulative uncompromising frank driven tough honest down to earth A sensitive new age hatchet man A strategic genius A ruthless operator To his supporters on the left he is a saint and to those he opposes he is a demon The private Matt McCarten is much less well known Matt has consistently refused to discuss his past in any detail In this biography Matt s story is told in his own words And it s a heart rending tale This focused political fighting machine evolved from a lonely little boy shunted between orphanages and boys homes in the Wellington region for 14 years His story is one of survival into successful adulthood Cathy Casey is the author of *CHANGE FOR THE BETTER THE STORY OF GEORGINA BEYER* She worked for a number of years as Jim Anderton s Senior Private Secretary until early 2002 She is Matt McCarten s partner

Jonathan Boston, 2003 This text is accompanied by audiovisual material CD ROM [John Key: Portrait of a Prime Minister](#)

John Roughan, 2017-01-30 New Zealand s most popular modern day Prime Minister John Key shocked many with his decision to step down from office less than a year out from a general election Rather than doing what most expected and seeking an historic fourth term Key opted to quit while his approval rating was still high and before voters tired of him I always thought leaders overstay their welcome They just start grating with people All the things people liked about them they start not to like Key tells journalist John Roughan in this updated edition of *John Key Portrait of a Prime Minister* A fascinating insight into Key s early life personality and motivations Roughan s account of John Key s rise and rise examines how the twin ambitions of a boy in a state house to make a million dollars and be Prime Minister were realised beyond his dreams As popular as ever after eight years as Prime Minister Key chose to leave the job he loved and the voters who seemed certain to return him to office But as Roughan concludes it s perhaps not surprising that the instincts that served him so well as a currency trader and which also informed his approach to politics ultimately fuelled Key s unprecedented decision to retire at the height of his power [Political Handbook of the World 2015](#)

Life Changing

Alasdair Thompson, 2013-09 In Life Changing Alasdair Thompson outlines the events surrounding his sacking as chief executive of the Employers and Manufacturers Association New Zealand s largest business membership organisation after twelve years of reorganisation and rebuilding the Association He reveals his upbringing the people and events that shaped him his views on business economics and public policy and outlines a career in local government and in various local authorities and boards We see the man behind the media target and he shares his beliefs and values his crises as well as personal transformation and newfound faith and peace Thompson s was at the centre of a media maelstrom that led to his downfall This book describes how he and his family coped with the aftermath and ultimately moved on happier and stronger Life Changing learning from the past fixing the future By Alasdair Thompson Life Changing is what I have called my book due out early October It is partly autobiographical and partly a commentary on a wide range of political business and media issues including the ethics of some leaders in those fields It s also about my transformation from having been publicly disgraced and humiliated to a happy new and much better person with a wonderful new life Much of what I have written will be controversial although I did not write it to be so I had some important things to say about business political even media ethics including those of some important leaders in those field The media too rightly comments on such things like the collapse of finance companies and the many billions of dollars that many retirees have consequently suffered and the increase in the suicide rate among baby boomers The media is constantly covering such things but there are some things they do not hear the whole story about It s a few of these I felt compelled to write about I take responsibility for my fall from public grace for my bad behaviour towards Mihingarangi Forbes the interviewer from Campbell Live when I lost my cool with her this was the bit that Campbell Live producer Pip Keane chose to broadcast on that programme on June 23 2011 Nevertheless I do call Mihingarangi Forbes John Campbell and Pip Keane for what media commentator Dr Brian Edwards at the time called dishonest journalism The book in five parts covers in parts 2 and 3 my downfall as the Employer and Manufacturers EMA CEO in June 2011 which led to my sacking for allegedly bringing the EMA into disrepute on 6 July 2011 even though I had offered my resignation almost immediately It covers how my wife Joan and I coped and ultimately dealt with the maelstrom that followed my comment first made on Mike Hosking s NewstalkZB breakfast show that some women s monthly sickness problems affected their productivity and earnings This escalated when later that afternoon I was

interviewed by Mihi Forbes in a 27 minute interview the last 4 minutes of which were chosen by producer Pip Keane as the best bits most controversial to be broadcast that evening on Campbell Live It is mainly parts 2 and 3 of my 5 part book that are the basis of an in depth TV3 3rd Degree programme to be screened on Wednesday 2nd October The programme also looks at my life now my transformation having researched feminism and Christian theology leading to me becoming a Christian travelling extensively overseas and to again become a self employed business advisor and tourist business operator Life Changing is about much more than all this though although it does reveal so much more than was ever made public at the time of my demise mainly because I was barred at the time from talking to the media and my employer *The Democratic Socialist Party* Jim Percy,1994 **Language Put to Work** Enda Brophy,2017-08-11 WINNER of The Gertrude J Robinson Book Prize awarded by the Canadian Communication Association and the Canadian Association of Work and Labour Studies Book of the Year Award This book examines the striking rise of call centres over the past quarter century through the lens of the resistance and collective organizing generated by workers along the digital assembly lines Drawing on field research in Atlantic Canada Ireland Italy and New Zealand Enda Brophy investigates the contested making of the transnational call centre workforce and its integration into the circuits of global capitalism Moving beyond depictions of call centre labour as either entirely liberated or utterly subordinated *Language Put to Work* inquires into the forms of work refusal and insubordination provoked by the spread of these communicative workplaces including informal strategies of quitting slacking and sabotage conventional trade union activity tactical innovations at the margins of the labour movement and forms of self organization forged by workers outside of the established trade union movement Weaving rich empirical evidence together with political economic analysis and theories of resistance this book argues that the submission of language to the production of value in the call centre is a process of proletarianization rather than professionalization and that the new working class has widely opposed this transformation
