whether God even cares if we're happy. This world can be so hard and we aren't promised an easy road. But that's not the whole story. The Bible is filled with verses that prove that ours is a God who not only loves celebrations but also desperately wants his children to experience happiness. Why else would he go to the lengths he did to ensure our eternal happiness in his presence? We know that we will experience unimaginable joy and happiness in heaven, but that doesn't mean we can't also experience joy and happiness here on earth.

In *Happiness*, noted theologian Randy Alcorn, bestselling author of *Heaven*, dispels centuries of misconceptions about happiness, including downright harmful ideas like the prosperity gospel, and provides indisputable proof that God not only wants us to be happy, he commands it. Randy covers questions like: How can I cultivate happiness in my life? What's the difference between joy and happiness? Can good things become idols that steal our happiness? Is seeking happiness selfish? How can I achieve happiness through gratitude? What does it look like to receive God's grace? The most definitive study on the subject of happiness to date, this book is a paradigm-shifting wake-up call for the church and Christians everywhere.

The Pentecostal Commentary Billy M. Prewitt, A Trinitarian Exposition of the New Testament

This series is designed with the serious Trinitarian Pentecostal student in mind. With a foundational commitment to the inspiration and infallibility of Scripture, each passage is explained in terms of its theological and practical significance. In addition, the distinctive Pentecostal pneumatology is sustained. Key doctrines are identified and expounded. Important cross-references within Scripture are noted. Historical connections in Church history are mentioned. Erroneous teachings are scrutinized. Comments are based on the King James Version. The KJV text is printed in the body of the commentary. With a modern style of readability, this commentary series is appropriate for anyone seeking to grow and understand the truths of Scripture and is especially helpful to pastors as well as college and seminary students.

Author's Foreword: As a Pentecostal student attending a Pentecostal Bible college, I went to the college bookstore to purchase my textbooks without knowing that the commentaries on my book list were written by non-Pentecostals. Even though my classes required commentaries from various publishers, none of the publishers were Pentecostal. I often wondered why a Pentecostal Bible school would use non-Pentecostal commentaries for class. What I did not know at the time was that there really was no such thing as a Pentecostal commentary written for and by Pentecostals. Since then, there have been a few Pentecostals who have written on individual books, but there are significant portions of even the New Testament that have had little or no Pentecostal voice. As a result, serious Pentecostal students have no other choice but to learn at the feet of non-Pentecostals. I am not opposed to non-Pentecostal commentaries. Indeed, I have gained considerable insights from reading such, but there are two points of theology that I must consciously filter out every time I read them. The most important concern to a Pentecostal is that the pneumatology, the study of the Holy Spirit, presented by non-Pentecostals is very different than that of a Pentecostal. The second point is the emphasis on Calvinistic doctrines, especially eternal security, with which most Pentecostals do not agree. In addition, there are other theological differences and substantially different hermeneutical principles that can dramatically

alter the interpretation of texts in non Pentecostal ways In my studies I have always desired to have a commentary that was thoroughly Pentecostal but I never imagined that I would write one From one Pentecostal to another I hope you will find this series to be a breath of fresh Spirit anointed air Series Preface While it is hoped that Bible students from other theological traditions will study and benefit from its contents it is first and foremost Pentecostal As such this commentary does not include surveys of other viewpoints unless such inclusion is necessary for clarity of argument In addition with all due respect to our Charismatic brethren it may be said that this series is not meant to be inclusive of Charismatic interpretations related to pneumatology The Pentecostal Commentary series intentionally excludes views of Scripture that do not hold to its inspiration inerrancy and infallibility and also excludes modern liberal arguments of authorship date purpose and so on Traditional viewpoints on these subjects will be discussed without confusing the issue In addition 19th century criticism methods and concerns over source documents will not often be discussed In other words this series assumes that the Biblical text is as God wants it to be and that it was written by the person and at the time traditionally ascribed *Pain, Perplexity and Promotion* Bob Sorge,1999 This may well be the most practical inspiring book on Job you ll ever read The book of Job comes alive portraying Job s spiritual journey as a template for those who are in God s refining fires in this hour Let God lead you to higher heights than you ever imagined *Bookseller* ,1865 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **Bookseller and the Stationery Trades' Journal** ,1895 The Bookseller ,1913 **Studies in Matthew** Dale C.
