Journey through Exodus Mike Newberry, 2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1:5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1:5 God's not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God's help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus

Epidemic of Joy Randal Earl Denny, 2007-05-01 Randal Denny began a devotional study in the Book of Acts with *Do It Again* Lord Acts 1-4 Where the Action Is Acts 5-8 Wind in the Rigging Acts 9-12 and continued it with this volume This book is about joy a certain kind of joy that comes from deep down inside the joy of the new life in Christ E Stanley Jones noted A strange sober joy went across that sad and decaying world joy that goodness was here for the asking that moral victory was possible now that guilt could be lifted from the stricken conscience that inner conflict could be resolved and that a fellowship of like souled persons gave one a sense of belonging It was Good News And it worked Acts 13 through 16 the scope of this study traces the beginnings of that epidemic of joy which spread so rapidly and so extensively that it has reached us today

Sacred House Alan Andraeas, 2019-10-01 While the House Church Movement is gaining immense popularity throughout many denominational and independent faith communities collectively standing as the largest denomination in the United States sacramental and liturgical congregations are taking only the most tentative steps toward this venue of worship Consequently there exists a vacuum of guidelines or information to support this dynamic ministry model from a uniquely sacramental perspective In this book Dr Andraeas examines the scriptural foundations for liturgical worship the biblical theological and historical precedents for house churches and how a union between priestly liturgy and house church worship complement and support each other He concludes with a vigorous challenge for all sacramental and liturgical jurisdictions to engage their seminarians clergy and people in embracing this approach to church planting evangelism and community ministry while offering thoughtful and obtainable recommendations

Parent-Driven Discipleship Michael F Kennedy Jr., 2015-08-28 As many Christians bemoan the deterioration of family values in our society have we as Christian parents abdicated our responsibility by spiritually abandoning our children Although the church has a part in our children's spiritual education are we not accountable before God for the spiritual development of our children Statistics reveal that Christian parents are rarely involved in the spiritual lives of their children Scripture however paints a very different picture of what this relationship should look like As parents we have the

responsibility to drive the discipleship process in the home We must keep our hands on the wheel and take responsibility to guide our children as they journey through life This includes purposefully sharing the gospel with them teaching them the ways of the Lord and modeling for them a Great Commission focused lifestyle The purpose of this book is to examine the biblical responsibility parents have to be involved in their children s spiritual lives and help equip them to take an active role Michael Kennedy Besides laying out a clear study of the biblical foundation for his call to parents author Michael Kennedy supplies a parent and church questionnaire to give the reader an assessment of their starting place and then proceeds to give practical stepping stones to begin raising their children in the admonition of the Lord
