Clements, 2016-09-13 Paul Clements champions the creative underground and expressions of difference through visionary
avant garde and resistant ideas This is represented by an admixture of utopian literature manifestos and lifestyles which
challenge normality and attempt to reinvent society as practiced for example by radicals in bohemian enclaves or youth
subcultures He showcases a range of art and participatory cultural practices that are examined sociopolitically and
historically employing key theoretical ideas which highlight their contribution to aesthetic thinking political ideology and
public discourse A reevaluation of the arts and progressive modernism can reinvigorate culture through active leisure and
post work possibilities beyond materialism and its constraints thereby presenting alternatives to established understandings
and everyday cultural processes The book teases out the difficult relationship between the individual culture and society
especially in relation to autonomy and marginality while arguing that the creative underground is crucial for a better world
as it offers enchantment vitality and hope Dictionary of Artists: Maele - Müller Emmanuel Bénézit, 2006 First English
