The Monster Within Barbara Almond, 2010-10-04 Mixed feelings about motherhood uncertainty over having a child fears of pregnancy and childbirth or negative thoughts about one's own children are not just hard to discuss they are a powerful social taboo In this beautifully written book Barbara Almond brings this troubling issue to light She uncovers the roots of ambivalence tells how it manifests in lives of women and their children and describes a spectrum of maternal behavior from normal feelings to highly disturbed mothering In a society where perfection in parenting is the unattainable ideal this compassionate book also shows how women can affect positive change in their lives *The Monster Within* David R. Worrell, 2024-06-04 In spring of 1985 Dave Worrell a police detective on Canada's Sunshine Coast received a call a young female provincial ward reported that she had been sexually assaulted by her school principal Dave was no stranger to investigating allegations like these but as he dove deeper into the suspect's history it soon became clear that Robert Olav Noyes's actions were even more far reaching and sinister than anyone could have imagined The Noyes case is infamous in British Columbia not only for the nature of the crime but for the number of victims and the length of time he had been perpetrating although he was ultimately charged with nineteen counts of sexual assault he admitted to assaulting over sixty and investigators believe the true count is in the hundreds But how did he go unseen for so long With care and precision Dave recounts the investigation interviewing witnesses and gathering information all as the small town communities involved fall apart in the wake of Noyes's arrest He unfolds the story piece by piece then takes it to court providing firsthand experience and transcripts of the gruelling court sessions to prosecute Noyes *The Monster Within* is a close look at the Noyes case written by the lead investigator himself spanning from the nascent moments of the Noyes case to the aftermath of his sentence *The Monster Within* Cynthia Rowland McClure, 2002-06-01 Cynthia Rowland was an outwardly vivacious and successful television news reporter who inwardly had slipped into the depths of bulimia An addiction to bingeing and purging and heavy doses of laxatives finally landed her in treatment *The Monster Within* tells the story of her descent into sickness her struggle to learn why she was engaging in slow suicide and the courage and grace it took to get well This updated edition includes a section of answers to some of the common questions the author is asked about bulimia Anyone suffering from an eating disorder there are eight million bulimics in America alone as well as parents friends counselors and pastors will find hope and help through this engaging true life story *The Monster Within* Darrell Pitt, 2015-04-22 A Jack Mason Adventure Book 4 After a series of fatal bombings across London Jack Scarlet and Mr Doyle are drawn into another baffling case the reported sighting of a monster loose in the city's underground sewers Before they can investigate the team must travel to Spain to hunt down a group of terrorists But just as they close in Jack and Scarlet are kidnapped With their lives in perilous danger will Mr Doyle find his young assistants in time While back in London will the monster's true origins be uncovered before it too wreaks deadly destruction across the city Darrell Pitt began his lifelong appreciation of Victorian literature

when he read the Sherlock Holmes stories as a child quickly moving on to H G Wells and Jules Verne This early reading led to a love of comics science fiction and all things geeky Darrell is now married with one daughter He lives in Melbourne The first three Jack Mason Adventures The Firebird Mystery The Secret Abyss and The Broken Sun were released by Text in 2014
