On the Wings of Hypothesis Annette Michelson,2020-10-13 Annette Michelson s erudite and incisive readings of the revolutionary films of Sergei Eisenstein and Dziga Vertov collected for the first time This posthumous volume gathers Annette Michelson s erudite and incisive readings of the revolutionary films of Sergei Eisenstein and Dziga Vertov giving readers the opportunity to track her sustained investigations into their work Michelson introduced American audiences to Soviet cinema in the early 1970s extending the interpretive paradigm she had used for American filmmakers of the mid twentieth century in which she emphasized phenomenological readings of their work to films and writings by Eisenstein and Vertov Over four decades Michelson returned again and again to what she calls following Eisenstein intellectual cinema the deliberate attempt to create philosophically informed analogues for consciousness The volume includes Michelson s major

essays on Eisenstein's unrealized attempts to make movies of both Marx's *Capital* and Joyce's *Ulysses* as well as her authoritative discussion of Vertov's 1929 masterpiece *The Man with a Movie Camera*. Together the texts demonstrate Michelson's pervasive influence as a writer and thinker and her role in the establishment of cinema studies as an academic field. This collection makes these canonical texts available for a new generation of film scholars.

The Ecstasy Beyond Knowing Pir Vilayat Inayat Khan, 2014. *The Ecstasy Beyond Knowing* represents the distilled wisdom of Pir Vilayat Inayat Khan's long lifetime of spiritual seeking and experiences, his dialogues and deep friendships with other mystics and spiritual teachers, and his explorations into the nature of reality with scientists and philosophers. Meditation techniques are explained in detail along with the principles behind them, including practices with breath, light, energy, sound, and mantram-inspired visualizations, and the Sufi dhikr. The Sufi process and stages of transformation are interwoven with those of Hinduism, Buddhism, the Jewish Kabbalah, the glorification of the Christian Mass, and the alchemical process of self-transfiguration. The height, depth, and breadth of mystical experiences are integrated with the insights of psychology and contemporary scientific discoveries, and the creativity inherent in all human nature is invoked to aid in transforming and beautifying the personality as well as the world. Pir Vilayat reveals the way to develop a deep connection with the soul and spirit and offers advice on maintaining the awareness and integrity of that connection through the joys and sorrows, challenges, and adventures of everyday life. Pir Vilayat Inayat Khan's *Ecstasy Beyond Knowing* is a unique and monumental guidebook, the fruit of a lifetime's experience in teaching and guiding meditation for the most diverse audiences around the world. It is at once a comprehensive practical handbook for meditation, covering such basic subjects as working with the breath, sound, and levels of consciousness; a wide-ranging comparative study of interpretive and theoretical accounts of meditation in Sufi, Hindu, Buddhist, and Kabbalistic traditions; and an insightful, suggestive guide for the integration of one's meditation practice in the wider processes and stages of individual spiritual growth.

Scientific and technological revolutions, economic and social upheavals, and the outbreak of war changed the course of history. The 1930s also marked a turning point for Robinson Jeffers, both in his career as a poet and in his private life. The letters collected in this second volume of annotated correspondence document Jeffers' rising fame as a poet, his controversial response to the turmoil of his time, his struggles as a writer, the growth and maturation of his twin sons, and the network of friends and acquaintances that surrounded him. The letters also provide an intimate portrait of Jeffers' relationship to his wife Una, including a full account of the 1938 crisis at Mabel Dodge Luhan's home in
