PRELUDE AND THE SOUND OF MUSIC

(Film Version)

The hills are alive
With the sound of music,
With songs they have sung
For a thousand years.
The hills fill my heart
With the sound of music—
My heart wants to sing
To try song it hears.

My heart wants to beat
Like the wings of the birds that rise
From the lake to the trees.
My heart wants to fly
Like a dove that flies
From a church on a tower.

To laugh like a brook
When it trips and falls
Over stones on its way
To sing through the night
Like a lark who is learning to pray!

I go to the hills
When my heart is lonely;
I know I will hear
What I've heard before—
My heart will be blessed
With the sound of music,
And I'll sing once more.

Music Producers 2nd Edition:

The Music Producer's Handbook Bobby Owsinski, 2023-09-21 The Music Producer's Handbook Second Edition reveals the secrets to becoming a music producer and producing just about any kind of project in any genre of music. Among the topics covered are the producer's multiple responsibilities and all the elements involved in a typical production including budgeting, contracts, selecting the studio and engineer, hiring session musicians, and even getting paid. Unlike other books on production, The Music Producer's Handbook also covers the true mechanics of production from analyzing, troubleshooting, and fixing a song that isn't working to getting the best performance and sound out of a band or vocalist. In addition, Bobby Owsinski tackles what may be the toughest part of being a producer: being a diplomat, a confidant, and an amateur psychologist all at once. This edition also includes new chapters on self-production, small studio production, and how the new songwriter, producer, and engineer/producer hybrids make money in our new digital music world. It also features several new interviews with some of the best-selling producers from different musical genres who offer advice on getting started, getting paid, and making hits. Packed with inside information and including exclusive online media, The Music Producer's Handbook Second Edition provides invaluable tools and advice that will help beginners and seasoned professionals alike. Item includes online resource.

The Music Producer's Survival Guide Brian M. Jackson, 2018-03-09 A music career book like no other, The Music Producer's Survival Guide offers a wide-ranging, exploratory yet refreshing down-to-earth take on living the life of the independent electronic music producer. If you are an intellectually curious musician/producer eager to make your mark in today's technologically advanced music business, you're in for a treat. This new edition includes industry and technological updates, additional interviews, and tips about personal finances, income, and budgets. In this friendly, philosophical take on the art and science of music production, veteran producer/engineer and teacher Brian Jackson shares clear, practical advice about shaping your own career in today's computer-centric home studio music world. You'll cover music technology, philosophy of music production, career planning, networking, craft, and creativity; the DIY ethos; lifestyle considerations; and much more. Brian's thoughtful approach will teach you to integrate your creative passion, your lifestyle, and your technical know-how. The Music Producer's Survival Guide is the first music production book to consider the influence of complexity studies and chaos theory on music making and career development. It focuses on practicality while traversing a wide spectrum of topics including essential creative process techniques, the TR-808, the proliferation of presets, the butterfly effect, granular synthesis, harmonic ratios, altered states, fractal patterns, the dynamics of genre evolution, and much more. Carving out your niche in music today is an invigorating challenge that will test all your skills and capacities. Learn to survive and thrive as a creative technical professional in today's music business with the help of Brian Jackson and The Music Producer's Survival Guide.
