Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

The Layman's Christology of the Pentateuch Pastor David L. Carpenter, Jr., 2014-04-10 The book was written in light of the many challenges I faced as a student in seminary I found it quite difficult to find books on simple Christology Not only were the numbers of available Christological books few but when I did find books they represented very little Christology and referenced much theology and unnecessary reading What I needed was a resource with reference to help me out and not a scholarly work that embedded denominational values I needed a book that condensed many different Christological viewpoints into an easy to read resource that was practical applicable and with cross reference information That is why I penned this book The book is an assimilation of my Christological studies with secondary resources Therefore the book is short rich in information and short in explanation intentionally done as a reference resource The book is intended to stimulate the undergraduate and graduate student The book has been very useful for some of my friends regarding Bible study and Sunday morning sermons The resource is well displayed in the table of contents and easy to understand The book gives examples of Christological studies throughout the Pentateuch The book is by no means an exhaustive resource but one that lifts the fingerprints of Christ's presence in the OT while still allowing for the reader to make their own Christological discoveries **Defined by Moments** Joel E. Medley, 2020-07-01 Defined by Moments breaks down the life of Gideon into 13 critical decisions that either advanced or diminished his leadership Defining moments are not the grand successes or failures for which we are remembered but are the moments hardly noticed by others that create those public milestones Gideon's story is compelling in that he offers a balanced picture of leadership's highs and lows This book will challenge the

interpretive notion that Gideon was a coward by arguing that he was an ordinary faith challenged leader whose defining moments shaped him Every decision matters and you will learn strategies to help recognize and act upon your defining moments

Acts The Holy Spirit at Work Practical Christianity Foundation,2020-08-08 The Holy Spirit at work The Gospel is spreading In this powerful narrative Luke records specific historical events marking the crucial moments of transition from Jesus physical departure from earth ascension to the coming of the Holy Spirit to earth focusing on the commission of the apostles and the beginning of the ministry of the Church of Jesus Christ in spreading the Gospel beyond Jerusalem to the ends of the world Luke outlines an investigative historical narrative detailing the works of the Holy Spirit through the apostles primarily Peter Stephen and Paul Although Luke s narrative was addressed to an individual Acts 1 1 it is equally relevant to the Church of Jesus Christ across the ages This verse by verse devotional study complete with engaging commentary and practical life applications will renew your appreciation of the grace of God in your own life and challenge you to pursue a closer walk with Christ As you embark on this journey surrender yourself to the living Word of God to inspire you to share the fundamental message of the gospel with others we are reconciled to the Father not by our works but only by the sacrifice of Jesus Christ This extensive Devotional Commentary candidly addresses various controversial issues and offers challenging devotional thoughts and precepts assuring the redeemed and warning the unsaved about the unchanging Truth of God s Holy Word May we heed the words of Christ and open our ears to hear what the Spirit says to the churches
