Leonard G. Friesen

Nemtsy Ukrainy:

The Routledge History of Genocide Cathie Carmichael, Richard C. Maguire, 2015-05-01 The Routledge History of Genocide takes an interdisciplinary yet historically focused look at history from the Iron Age to the recent past to examine episodes of extreme violence that could be interpreted as genocidal Approaching the subject in a sensitive inclusive and respectful way each chapter is a newly commissioned piece covering a range of opinions and perspectives The topics discussed are broad in variety and include genocide and the end of the Ottoman Empire Stalin and the Soviet Union Iron Age warfare genocide and religion Japanese military brutality during the Second World War heritage and how we remember the past The volume is global in scope something of increasing importance in the study of genocide Presenting genocide as an extremely diverse phenomenon this book is a wide ranging and in depth view of the field that will be valuable for all those interested in the historical context of genocide

Russian Baptists and Orthodoxy, 1960-1990 Constantine Prokhorov, 2014-01-14 Russian Baptists and the Orthodox Church have had a difficult and at times dramatic relationship over the past century and a half However the purpose of this thesis is to examine certain internal connections between these two Christian bodies Despite the evident dissimilarity in theology church practice and traditions there is common ground which has been largely unexplored A number of features inevitably brought them together such as living in the same country over a long period of time sharing a history and national roots responding to the same civic concerns and finally until recently using the same Russian Synodal translation of the Bible This thesis explores first of all the roots of the issue of Orthodox Baptist similarities and dissimilarities in the nineteenth century The remainder of the thesis focuses on 1960 to 1990 There is a chapter analyzing the way in which in significant areas Russian Baptist theology resembled Orthodox thinking This is followed by a study of church and sacraments which again shows that Russian Baptist approaches had echoes of Orthodoxy The thesis then explores Baptist liturgy showing the Orthodox elements that were present The same connections are then explored in the area of Russian Baptist communal spiritual traditions The examination of the Bible beliefs and behaviour also indicates the extent to which Russian Baptists mirrored Orthodoxy Finally there is an analysis of the popular piety of the Russian Baptists and the way in which they constructed an alternative culture The basic views of Russian Baptists between the 1960s and 1990 have been drawn from periodicals of the Russian Baptist communities and from interviews with pastors presbyters and church members who were part of these communities This often yields insights into primary theology which in relation to many issues differs from official Baptist declarations that tend to stress the more Protestant aspects of Russian Baptist life The aim of the thesis is to show that in a period in the history of the USSR when the division between the Western world and the Soviet bloc was marked there was a strong Eastern orientation among Russian Baptists This changed when the USSR came to an end Over a number of years there was mass emigration of Russian Baptists and in addition pro Western thinking gained considerable ground within the Russian Baptist community During the period examined here however it is possible to

uncover a great deal of evidence of Russian Baptists participating in Orthodox theology spiritual mentality and culture

The Years of Great Silence Jonathan Otto Pohl, 2022-03-22 This monograph provides a detailed yet concise narrative of the history of the ethnic Germans in the Russian Empire and USSR It starts with the settlement in the Russian Empire by German colonists in the Volga Black Sea and other regions in 1764 tracing their development and Tsarist state policies towards them up until 1917 After the Bolshevik Revolution Soviet policy towards its ethnic Germans varied It shifted from a generally favorable policy in the 1920s to a much more oppressive one in the 1930s i e already before the Soviet German war J Otto Pohl traces the development of Soviet repression of ethnic Germans In particular he focuses on the years 1941 to 1955 during which this oppression reached its peak These years became known as the Years of Great Silence die Jahre des grossen Schweigens In fact until the era of glasnost transparency and perestroika rebuilding in the late 1980s the events that defined these years for the Soviet Germans could not be legally researched written about or even publicly spoken about within the USSR

A Mennonite Family in Tsarist Russia and the Soviet Union, 1789-1923 David G. Rempel, 2011-09-10 Rempel combines his first hand account of life in Russian Mennonite settlements during the landmark period of 1900 1920 with a rich portrait of six generations of his ancestral family from the foundation of the first colony in 1789

Minority Report Leonard G. Friesen, 2018-02-05 The history of the Black Sea littoral an area of longstanding interest to Russia provides important insight into Ukraine as a contemporary state In *Minority Report* Leonard G Friesen and the volume s contributors boldly reassess Mennonite history in Imperial Russia and the former Soviet Ukraine This volume engages scholars from Ukraine Russia and North America and includes translated and accessible contributions by scholars from the Ukrainian German Institute of Dnipropetrovsk State University *Minority Report* is divided into four sections New Approaches to Mennonite History Imperial Mennonite Isolationism Revisited Mennonite Identities in Diaspora and Mennonite Identities in the Soviet Cauldron An appendix is included which recounts for the first time the emergence of Mennonite public history in southern Ukraine after the collapse of the Soviet Union The volume s contributors reveal that far from being isolated from the larger society Mennonites played an integral role in shaping the entire region *Minority Report* successfully places Mennonite history within the recent historiographical insights offered by Ukrainian and Russian scholars and significantly enriches our understanding of minority relations in Soviet Ukraine

Harvard Ukrainian Studies, 2001 **A Biography of No Place** Kate Brown, 2005-09-06 Drawing on recently opened archives ethnography and oral interviews that were unavailable a decade ago *A Biography of No Place* reveals Stalinist and Nazi history from the perspective of the remote borderlands thus bringing the periphery to the center of history *Russian Germans on Four Continents* Anna Flack, Jan Musekamp, Jannis Panagiotidis, Hans-Christian Petersen, 2023-12-11 The history of Russian Germans *Russlanddeutsche* is one of intensive mobility across space and time Today the descendants of eighteenth century German speaking settlers in the Russian Empire live on four continents Europe Asia and North and South America In this volume authors from the fields of

history sociology cultural studies and sociolinguistics analyze key issues of the history and present of this globally connected diaspora group from an interdisciplinary angle Contributions address the institutional regimes and networks that shaped and continue to shape the mobility of Russian Germans on a global scale the impact of war and violence on the history of this group during the Age of Extremes and the language shifts that accompanied their multiple global moves Its interdisciplinary and geographic diversity makes this volume a unique contribution to research on migration global diaspora transnationalism and practices of belonging By analyzing the multiple pathways of migration entanglement and belonging of people designated as Russian Germans in past and present its chapters provide fresh insight into the making and unmaking of a global diaspora

The International Politics of Eurasia: v. 10: The International Dimension of Post-communist Transitions in Russia and the New States of Eurasia S. Frederick Starr, Karen Dawisha, 2024-11-01 This ambitious ten volume series develops a comprehensive analysis of the evolving world role of the post Soviet successor states Each volume considers a different factor influencing the relationship between internal politics and international relations in Russia and in the western and southern tiers of newly independent states The collapse of the Soviet Union and the discrediting of Marxism Leninism as a source of political legitimacy have prompted a search for fresh principles of political organization that will shape the nature of political culture in all the post Soviet countries This volume focuses on the International dimension of Post communist transitions

Early Ukraine Alexander Basilevsky, 2016-04-11 As the Dark Ages enveloped Europe a civilization was born on the banks of the Dnieper River Rus whose capital at Kiev surpassed in grandeur most cities of Europe was home to the Ukrainian people whose princes made war on Constantinople and established the city states of what would become Russia The cities of Rus were destroyed by the Mongols their remains falling to the Polish Lithuanian kingdom With the steppe restored to wilderness the kraina borderlands of the hardy frontiersmen known as Cossacks who in the 17th century destroyed powerful Polish Lithuanian and Muscovite armies gained Ukrainian independence and established a unique social order Drawing on English Ukrainian and French sources this book chronicles the military and social origins of Ukraine and describes the differences between Ukraine and its neighbors The author refutes the claim that Ukraine and Russia were once united in a common political system

Genre Studies in Mass Media Art Silverblatt, 2007 The study of various types of programming is essential for critical analysis of the media and also offers revealing perspectives on society's cultural values preoccupations behavior and myths This handbook provides a systematic in depth approach to the study of media genres including reality programs game shows situation comedies soap operas film noir news programs and more The author addresses such questions as Have there been shifts in the formula of particular genres over time What do these shifts reveal about changes in culture How and why do new genres such as reality TV shows appear Are there differences in genres from one country to another Combining theoretical approaches with concrete examples the book reinforces one's understanding of the importance of genre to the creation evolution and consumption of media content Each chapter in this

reader friendly book contains a detailed discussion of one of the theoretical approaches to genre studies followed by Lines of Inquiry which summarizes the major points of the discussion and suggests directions for analysis and further study Each chapter also includes an example that illustrates how the particular theoretical approach can be applied in the analysis of genre The author's careful linkage of different genres to the real world makes the book widely useful for those interested in genre study as well as media and culture television studies film studies and media literacy

Crusade and Conversion on the Baltic Frontier 1150-1500 Alan V. Murray, 2017-07-05 This volume represents a major contribution to the history of the Northern Crusades and the Christianization of the Baltic lands in the Middle Ages from the beginnings of the Catholic mission to the time of the Reformation The subjects treated range from discussions of the ideology and practice of crusade and conversion through studies of the motivation of the crusading countries Denmark Sweden and Germany and the effects of the crusades on the countries of the eastern Baltic coast Finland Estonia Livonia Prussia and Lithuania to analyses of the literature and historiography of the crusade It brings together essays from both established and younger scholars from the western tradition with those from the modern Baltic countries and Russia and presents in English some of the fruits of the first decade of historical scholarship and dialogue after the collapse of the Iron Curtain The depth of treatment diversity of approaches and accompanying bibliography of publications make this collection a major resource for the teaching of the Baltic Crusades

Path of Thorns Jacob J. Neufeld, 2014-02-05 Under Bolshevik and Nazi rule nearly one third of all Soviet Mennonites including more than half of all adult men perished while a large number were exiled to the east and the north by the Soviet secret police NKVD Others fled westward on long treks seeking refuge in Germany during the Second World War However at war's end the majority of the USSR refugees living in Germany were sent to the Soviet Gulag where many died Paths of Thorns is the story of Jacob Abramovich Neufeld 1895-1960 a prominent Soviet Mennonite leader and writer as well as one of these Mennonites sent to the Gulag Consisting of three parts a Gulag memoir a memoir history and a long letter from Neufeld to his wife this volume mirrors the life and suffering of Neufeld's generation of Soviet Mennonites In the words of editor and translator Harvey L Dyck Neufeld's writings elevate a simple story of terror and survival into a remarkable chronicle and analysis of the cataclysm that swept away his small but significant ethno religious community

The Shoah in Ukraine United States Holocaust Memorial Museum, 2008 An in depth study of the Holocaust in Ukraine

German-Ukrainian Relations in Historical Perspective Hans Joachim Torke, John Paul Himka, 1994-06-25 Analyzing encounters between Germans and Ukrainians in the twentieth century

Putin's War on Ukraine Samuel Ramani, 2023-04-13 Eight years after annexing Crimea Russia embarked on a full scale invasion of Ukraine in February 2022 Vladimir Putin viewed this attack on a neighbour as a legacy defining mission which sought to restore a central element of Russia's sphere of influence and undo Ukraine's surprisingly resilient democratic experiment These aspirations were swiftly eviscerated as the conflict degenerated into a bloody war of attrition and the Russian economy crumbled under the weight of

sanctions This book argues that Putin's desire to unite Russians around a common set of principles and consolidate his personal brand of authoritarianism prompted him to pursue a policy of global counter revolution it was this which inspired Russia's military interventions in Crimea Donbas and Syria later steering Putin to war against Kyiv Samuel Ramani explores why Putin opted for all out regime change in Ukraine rather than a smaller scale intervention in Donbas and considers the impact on his own regime's legitimacy This focus on the domestic drivers of invasion contrasts with alternative theories that highlight systemic factors such as preventing NATO expansion Ramani concludes by assessing the invasion's implications for Russia's long term political and foreign policy trajectory and how the international response to the conflict will reshape the global order

Johann Cornies, the Mennonites, and Russian Colonialism in Southern Ukraine John R. Staples, 2023-11-01 In the late eighteenth century the Russian Empire opened the grasslands of southern Ukraine to agricultural settlement by new colonists among them Prussian Mennonites Mennonite colonization was one aspect of the empire's consolidation and modernization of its multi ethnic territory In the colony of Molochnaia the dominant personality of the early nineteenth century was Johann Cornies 1789-1848 a hard driving modernizer and intimate of senior Russian officials whose papers provide unique access into events in Ukraine in this era Johann Cornies the Mennonites and Russian Colonialism in Southern Ukraine uses the life story of Johann Cornies to explore how colonial subjects interacted with Russian imperial policy The book reveals how tsarist imperial policy shifted toward Russification in the 1830s and 1840s and became increasingly intolerant of ethnocultural and ethnoreligious minorities It shows that Russia employed the Mennonite settlement as a colonial laboratory of modernity and that the Mennonites were among Russia's most economically productive subjects This microhistory illuminates the role of Johann Cornies as a mediator between the empire and the Mennonite colonists and it ultimately aims to bring light to the history of nineteenth century Russia and Ukraine

Class War or Race War Tamás Kende, 2023-12-01 Class War or Race War is more than an anti thesis of the master narrative regarding the Soviet state antisemitism Kende not only refutes the originally anti Communist myth of the systemic nature of state socialism but tries to re and deconstruct the origins of this myth With intensive use of historical documents memoirs and the related historiography the book attempts to make historical sense from the myth it intends to refute Kende goes beyond the contemporary perceptions of the Jewish question and antisemitism and with close reading of original documents reconstructs the real frontlines of the Soviet society of the 1940s which were not constructed along identity political lines The book reinvests the long forgotten understanding of social classes in an allegedly classless and monolithic society The spontaneous formations of the actual frontlines in the hinterland or on the actual fronts battlefields in the Red Army lacked the participants class consciousness thus its occurrences in the form of conflict producing historical records were recorded as acts of antisemitism As the book advocates Jews could have been found on both sides of the inner frontlines of Soviet society during and right after WWII An insightful read for scholars of Soviet history that presents a bold and challenging

interpretation of the regime and its flaws both perceived and real The International Dimension of Post-Communist Transitions in Russia and the New States of Eurasia Karen Dawisha, 1997 First Published in 2015 Routledge is an imprint of Taylor Francis an Informa company **Actual problems of modern development of the state and law** Mangora T.V., Lukianova M.D., Durach O., Demianchuk Y.V., Tomliak T., Chernyschuk N.V., Pohuliaiev O.I., Dzeveliuk A., Kaidashov V., Pravdiuk A., Pravdiuk M., Skichko I., 2022-10-30 The collective monograph is devoted to the study of trends in the development of modern Ukrainian legal society The research uses an interdisciplinary approach which allows analyzing and characterizing various aspects and approaches to the development of socio legal processes in Ukraine and obtaining socially significant scientific results Leading scientists Tamila Mangora and Maryna Lukyanova emphasize that the Ukrainian legislation which is aimed at settling the issue of resolving labor disputes in court needs improvement However in order to solve urgent problems in the specified area studies devoted to the consideration of foreign experience in resolving labor disputes in court are of particular relevance This is explained primarily by the fact that in many countries of Europe and the world specialized labor courts have been operating for a long time which play a leading role in the resolution of individual and collective labor disputes while at the same time ensuring maximum consideration of the interests of participants in labor relations In their research work Olga Durach and Yuriy Damianchuk pay attention to the organization of the work of courts during martial law emphasize the implementation of the definition of the basic principles of the organization of the judicial power of Ukraine They reveal the peculiarities and problematic issues of the administration of justice during martial law consider the administrative and legal principles of corruption prevention offer ways to solve such issues and ensure the right to a fair trial during the administration of justice during martial law Taisa Tomlyak examines the legal positions of the European Court of Human Rights Explores the broad understanding in the practice of the Court of society's interests in the application of measures of deprivation of the right to property and at the same time ensuring a proportional relationship between the goal set and the means used The author analyzed the current civil legislation and judicial practice of the Civil Court of Cassation the Commercial Court of Cassation of the Supreme Court and the Grand Chamber of the Supreme Court regarding certain categories of credit disputes and land cases including the resolution of jurisdictional problems in the consideration of land disputes In her chapter Natalya Chernyshchuk states the fact that the growth of the role of a lawyer in modern society is objectively due to the complication of social infrastructure democratization of social relations liberalization of economic life growth of private initiative the development of the legal status of the individual the expansion of individual rights and freedoms The role of various forms of social and legal regulation is growing which leads to the emergence of specific social mediators in relations between people and their groups as well as the state In his chapter Oleksandr Pogulyayev considered the legal approaches of the political forces of the Right Bank ethnic minorities in solving the issue of international relations during the years of struggle for Ukrainian statehood the

influence of foreign policy factors on the formation of national demands of political parties and public organizations Andrii Dzevelyuk based on the study of the life path of M Yu Chizhov considers his formation as a lawyer and a political scientist in an interconnected context Analyzes his conclusions that a lawyer should study not only the forms in which law is made available to us not only the forms in which it becomes mandatory but also the awareness of law as one of the social phenomena as a product of various social factors that act under the influence of certain laws The section prepared by Vitaly Kaidashov is dedicated to solving the problem of the legal basis of the safety of the quality of agricultural products The author emphasizes that despite the high degree of importance of the problem under investigation the current legislation of Ukraine on the safety and quality of agricultural products is imperfect contains many gaps in the legal regulation of the specified issues Authors Andriy and Maryna Pravdyuk in the context of various aspects consider and give their practical characteristics to the constitutional obligations of citizens to pay taxes in Ukraine and the European Union In the research of Iryna Skichko the legal prerequisites for the formation of modern vectors of French foreign policy are clearly observed At the same time the approach of temporal differentiation and subject analysis was used which was carried out in accordance with the periods of the reign of French presidents and in relation to the key geopolitical directions of foreign policy European Atlantic Middle Eastern African The content of the collective monograph corresponds to the research direction of the Department of Law of the Vinnytsia National Agrarian University Legal protection of human rights and freedoms in the conditions of European integration The monograph uses legal social and legislative research methods

Nemtsy Ukrainy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nemtsy Ukrainy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nemtsy Ukrainy has opened up a world of possibilities. Downloading Nemtsy Ukrainy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nemtsy Ukrainy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nemtsy Ukrainy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nemtsy Ukrainy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nemtsy Ukrainy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download

Nemtsy Ukraine has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nemtsy Ukraine Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
