Investigating the Social World with SPSS Student Version 14.0 Russell Schutt, 2006-03-06 Praise for the Fourth Edition I think this volume is a good textbook and if I were teaching a research methods subject I would consider using it as a core text The extensive study aids are a particularly attractive aspect of the book as a teaching pool Qualitative Research Journal The continually updated and expanded *Investigating the Social World* now in its Fifth Edition is written so that the doing of social research is closely and consistently linked to important social issues demonstrating not only the value of research but also how technique and substance are intimately related The text offers guides for critiquing research articles exercises for applying research skills and the examples of analyzing and reporting social data provide instructors with key supports for effective teaching Ethical concerns and ethical decision making are treated in tandem with each study of specific methods and an emphasis on how to do research is joined with an equal emphasis on giving students the critical skills necessary to evaluate research done by others *2012 GSS Data CD-ROM - Sociology 2014* Earl R Babbie, 2013-06-01 Updated with 2010 GSS data these data sets are available to students to use in a variety of ways Use the data disc with the SPSS Student Version CD ROM or any statistical software Use it for special exercises assigned in the classroom Free when bundled Prepared by Theodore C Wagenaar **The Basics of Social Research** Earl R. Babbie, 2002 A concise affordable paperback research methods text from Earl Babbie who defined how to teach the research methods course with the publication of THE PRACTICE OF SOCIAL RESEARCH The streamlined Second Edition of THE BASICS OF SOCIAL RESEARCH emphasizes the fundamental concepts of both quantitative and qualitative research methods Inductive chapter openings pose social research problems that are addressed and resolved in each chapter through the application of key chapter concepts Each chapter contains detailed examples and new sections on how to interpret the results of data analysis The second edition features increased technology integration as well SPSS MicroCase HyperResearch and NVIVO statistical software examples are given throughout the text Web icons indicate where practice exercises and tutorials are available on the companion web site The text provides students with the necessary tools for understanding the basics of social research methods and for applying these concepts both inside and outside the classroom *Adventures in Social Research* Earl Babbie, Fred Halley, Jeanne Zaino, 2007-01-24 Designed for both introductory and advanced research methods or statistics courses in sociology political science social work criminal justice and public health departments *Adventures in Social Research* is an ideal computer skills and data analysis textbook for any discipline that uses survey methods New to the Sixth Edition Provides a shorter more condensed version than the Fifth Edition Illustrates uses of SPSS 14 0 and new GSS data sets Includes a CD ROM that contains data sets Designing Own Survey and comprehensive appendices that include questionnaires research reports proposals survey tips commands readings and more Offers a Web page that features SPSS version update changes for students and instructors **The Practice of Research in Social Work** Rafael J. Engel, Russell K. Schutt, 2016-01-27 The

Fourth Edition of Rafael J Engel and Russell K Schutt's *The Practice of Research in Social Work* introduces an integrated set of techniques for evaluating research and practice problems as well as conducting studies. Evidence based practice comes alive through illustrations of actual social work research. Updated with new examples, the latest research and expanded material on technology and qualitative methods, this popular text helps readers achieve the 2015 EPAS core competencies essential for social work practice.

Investigating the Social World Russell K. Schutt, 2012 A student friendly textbook that introduces the most cutting edge research methods applied to engaging social issues. In this new Seventh Edition of his perennially successful social research text, author Russell K Schutt, an award winning researcher and teacher, continues to make research come alive through research stories that illustrate the methods presented in each chapter. Through numerous examples and hands on exercises that help students learn by doing, *Investigating the Social World* Seventh Edition helps readers understand research methods as an integrated whole. Readers will learn to appreciate the value of both qualitative and quantitative methodologies and understand the need to make ethical research decisions while also learning about contemporary social issues like homelessness, drug abuse, disasters, and the effects of social networking on interpersonal relations.

Communication Catalog 2005 Neil Thomson, 2004-09

Statistics Joseph F. Healey, 2002 A comprehensive student oriented text that provides students a challenging first look at social statistics by illustrating the application of statistics to contemporary social issues. Students learn to read and interpret statistics in a variety of settings. Each chapter is complete with numerous practice exercises, problems, and demonstrations, and applications of the latest SPSS and in this edition, MicroCase statistical software packages to reinforce chapter concepts, operations, and formulas. The book's primary emphasis is on developing the following skills necessary for students to become statistically literate: computational competence, appreciation of statistics, and the ability to read professional social science literature.

The Practice of Research in Criminology and Criminal Justice Ronet Bachman, Russell K. Schutt, 2007 This text provides a practical guide to qualitative and quantitative social research techniques integrated with issues from criminal justice.

Renegade Kids, Suburban Outlaws Wayne S. Wooden, Randy Blazak, 2001 Topics covered include exploring boundary between deviance and criminality in the lives of young people who are deeply involved in the youth culture, show how youth culture is not a set of categories so much as it is a dynamic and creative response to the confusions of growing up in modern society.

Statistics Alive! Wendy J. Steinberg, 2008 Statistics need not be dull and dry. This text shows students the underlying logic to what they're learning and well-crafted practice and self-check features help ensure that new knowledge sticks.

Social Network Analysis David Knoke, Song Yang, 2019-12-02 David Knoke and Song Yang's *Social Network Analysis* Third Edition provides a concise introduction to the concepts and tools of social network analysis. The authors convey key material while at the same time minimizing technical complexities. The examples are simple sets of 5 or 6 entities such as individuals, positions in a hierarchy, political offices and nation states, and the relations between them include friendship, communication, supervision.

donations and trade The new edition reflects developments and changes in practice over the past decade The authors also describe important recent developments in network analysis especially in the fifth chapter Exponential random graph models ERGMs are a prime example when the second edition was published P models were the recommended approach for this but they have been replaced by ERGMs Finally throughout the volume the authors comment on the challenges and opportunities offered by internet and social media data

Marriages and Families Karen Seccombe, Rebecca L. Warner, 2004 In this fresh more structural alternative to other texts for the marriage and family course Seccombe and Warner provide a comprehensive look at close relationships and the family in just 15 chapters Examining close relationships and families by placing them in social context the authors offer a unique emphasis on the structural and relational aspects of the family with a focus on family resilience The text weaves together a macro view social structural analysis of close relationships with the macro an individualist view The authors demonstrate the interaction of theory and methodology in family studies in Chapter 2 and blend cutting edge research and practical applications throughout Among the highlights of this first edition are the exceptionally thorough exploration of the topics of singlehood and cohabitation in Chapter 7 and the unique six chapter core 8 13 that focuses on all aspects of parenthood and the challenges and crises that families face today The authors emphasis on family resilience and how families can be strengthened is reflected in the Constructing Strong Families boxes that appear throughout the text These features encourage students to apply groundbreaking research on what makes a family strong to their own families and in the concluding chapter Looking Ahead Helping Families Flourish which examines the factors that successful families regardless of ethnicity culture or social class consistently exhibit
