Quest Of Wholeness An Evaluation Of The:

The Philosopher's "I" J. Lenore Wright, 2012-02-01 This book examines philosophers autobiographies as a genre of philosophical writing Author J Lenore Wright focuses her attention on five philosophical autobiographies Augustine s Confessions Descartes Meditations Rousseau s The Confessions Nietzsche s Ecce Homo and Hazel Barnes s The Story I Tell Myself In the context of first person narration she shows how the philosophers in question turn their attention inward and unleash their analytical rigor on themselves Wright argues that philosophical autobiography makes philosophical analysis necessary and that one cannot unfold without the other Her distinction between the ontological and rhetorical dimensions of the self creates a rich middle ground in which questions of essence and identity bear upon existence **Frantz Fanon for the 21st Century Volume 1 Frantz Fanon's Discourse of Racism and Culture, the Negro and the Arab**

Deconstructed Daurius Figueira, 2018-11-19 Frantz Fanon 1925 1961 in the 1950s unleashed his discourse of the black white complex and the Negro thereby commencing his contribution to the international movement for liberation from colonial oppression and racism through a specific process of decolonisation In the 21st century the intensifying wave of racist assaults on non white peoples in the North Atlantic has once again raised the issue of racism white people and the North Atlantic State This book focuses on WE the non whites in our complicity with North Atlantic white supremacy through a deconstruction of Fanon s discourse which presents a 21st century analysis of the 21st century non white reality of our self hate self immolation and racism against non whites as ourselves and the beneficiary of this self hate white North Atlantic hegemony **Africa's Social and Religious Quest** Randee Ijatuyi-Morphé, 2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality politics and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today

A Study on 'The Language' of Resistance and Rebellion S.A.Thameemul Ansari, 2013-10-03 This book entitled A study on the language of Resistance in the Writings of Toni Morrison A Sociolinguistic Perspective is an academic attempt to re introduce to the readers Morrisons

language of anger aspiration and hope which has been silenced for long due to factors which are not too far to seek The language variation which is demonstrated in phonological phonetic morphological syntactical and semantic levels highlights a fact that every variation has features which deserve to be respected Here the term variation is used to refer to differences existing within the same dialect Language a person uses is a reflection of the background he is from In other words it is an identity If defines the being of an individual in social and political sense The language of the oppressed has certain features which are normally ignored First of all such people are not encouraged to respect and represent themselves in their original language They develop a sense of self inadequacy That feeling gives an individual a feeling of guilt This unreasonable guilt that a marginalized is subjected to disturbs his communicative competence As a result he will try to develop sense of negativism related towards his own language This feeling is the initial reaction to the process which is going to over bulldoze the victim in due course of time The reader will find such instances of victimization and also example of doing violence with words in the following chapters

Nietzsche and Jung Lucy Huskinson,2004-07-22 Was Jung s interpretation and assessment of Nietzsche accurate Nietzsche and Jung considers the thought and personalities of two icons of twentieth century philosophical and psychological thought and reveals the extraordinary connections between them Through a thorough examination of their work Nietzsche and Jung succeeds in illuminating complex areas of Nietzsche s thought and resolving ambiguities in Jung s reception of these theories The location and analysis of the role played by opposites in the whole self according to Jung is considered revealing the full extent of Nietzsche s influence This rigorous and original analysis of Jungian theory and its philosophical roots supported by Jung s seminars on Nietzsche s Zarathustra leads to the development of a fresh interpretation of the theories of both The shared model of selfhood is put into practice as the personalities of Nietzsche and Jung are evaluated according to the other s criteria for mental health attempting to determine whether Nietzsche and Jung were themselves whole Nietzsche and Jung demonstrates how our understanding of analytical psychology can be enriched by investigating its philosophical roots and considers whether the whole self is a realistic possibility for each of us This book will prove fascinating reading for students in psychology philosophy and religion as well as practicing Jungian analysts

Gender, Identity, And The Production Of Meaning Tamsin E. Lorraine,2019-04-05 This book explains an open ended theory of self that delineates masculine and feminine self strategies on the basis of the Hegelian tradition of theorizing self other relations and contemporary feminist theory It proposes the possibility of combining the gender differentiated self strategies

The Quest George Robert Stow Mead,1915

The Politics of the Dreamscape Seth Rogoff,2021-08-25 This book traces the intersection of dreams and power in order to analyze the complex ways representations of dreams and paradigms of dream interpretation reinforce and challenge authoritarian hierarchical structures The book puts forward the concept of the dreamscape as a pre representational space that contains anarchistic attributes including its instability or chaotic nature and the lack of a stable or core selfhood and identity in its subjects The

book situates this concept of the dreamscape through an analysis of the Daoist notions of the transformation of things and hundun chaos and the biblical concept of tehom the deep Using this conceptual framework this book analyzes paradigmatic moments of dream interpretation along a spectrum from radical anarchist assertions of the primal dreamscape to authoritarian dream texts that seek to reify identity define and establish hierarchy and support coercive relationships between unequal subjects The book s key figures include William Blake Robert Frost Jacob and Joseph from Genesis Sigmund Freud Carl Jung Jean Rhys Franz Kafka and the neurobiologist J Allan Hobson *Comprehensive Psychiatric Nursing* Judith Haber,1997 This outstanding text and reference emphasizes the seamless continuity of psychiatric care as well as the variety of settings in which it is now provided As always your students get current and comprehensive information that s presented in a clear accessible visually stimulating format and is now more clinically relevant than ever For example the psychobiological bases of mental disorders and psychopharmacological interventions are now featured in a new chapter depicted in two exciting full color inserts and integrated throughout the book Strange, Surprising, Sure Robert Cummings Neville,2024-10-01 In *Strange Surprising Sure* Robert Cummings Neville presents a theory of being change and value and engages other philosophers who deal with these concepts The book s central thesis is that the entire created world includes everything determinate and thus the creator does not exist within creation Strangely this reverses nearly everything in the Western tradition Surprisingly this thesis is approached from a great many angles all of which are within the Western South Asian or East Asian traditions Surely put this thesis will win out in the long run Although Neville writes for an English reading audience he engages with thinkers from all these traditions **Norman Mailer at 100** Robert J. Begiebing,2022-11-23 Winner of the Robert F Lucid Award for Mailer Studies *Norman Mailer at 100* celebrates the author s centenary in 2023 and the seventy fifth anniversary of the publication of his bestselling debut novel *The Naked and the Dead* by illustrating how Mailer remains a provocative presence in American letters Novelist and Mailer scholar Robert J Begiebing lays out how this polymath author s work makes vital contributions to the larger American literary landscape encompassing the debates of the nation s founders the traditions of Western Romanticism and the juggernaut of twentieth century modernism The book includes six critical essays two creative dialogues featuring Walt Whitman and Ernest Hemingway and Begiebing s own interview with Mailer from 1983 Each piece pairs Mailer with a critical interlocutor whose work offers telling revelations about his ideas and art among them Ralph Waldo Emerson Carl Jung Kate Millett and Joan Didion By encouraging a reconsideration of his career from its beginnings to his final books in the early twenty first century *Norman Mailer at 100* forges a new path toward appreciating the author s achievements that underscores the extent to which his work can help us confront the challenges of today **Caribbean Theology** Howard Gregory,1995 This timely collection explores critical issues facing theological education in the West Indies with special attention to the current status and content of Caribbean theology Contributors represent a number of mainstream Protestant traditions Anglican Moravian

Baptist Methodist and Presbyterian and approach their topics from a variety of specializations Biblical Studies Church History Social Sciences Pastoral Care and Christian Education Howard Gregory who is the president of the United Theological College of the West Indies has done an exemplary job of representing the diversity of theological opinion at the conference as well as highlighting some common concerns of participants All participants Gregory points out acknowledged a pressing need to address practical aspects of pastoral care and to identify priorities specific to the Caribbean region In addition all participants underscored the need for renewed commitment to the task of developing and teaching an authentic Caribbean theology although there is considerable disagreement as to exactly what an authentic Caribbean theology should be
