Quests And Journeys:

Quests and Journeys Don Nardo, 2002 Discusses the significance behind each myth and compares it to modern day quests and journeys

Mythical Journeys, Legendary Quests Moyra Caldecott, 2007-06-01 One of the most persistent themes in myth and legend from the world's many cultures is the story of the journey the quest In *Mythical Journeys* *Legendary Quests* Moyra Caldecott shows the connection between the sacred mythic journeys as found in legend and story and the real journey of the individual soul towards enlightenment This perennial quest for reassurance in the face of human mortality is spread as wide as our existence on the planet and throughout history Indeed Carl Jung and Joseph Campbell have shown us that myth and legend are not just fantasy tales for children They are powerful expressions in code of a deep yearning towards an understanding of human existence Moyra Caldecott has selected material from many cultures to illustrate this from ancient Egypt and Sumeria to aboriginal Australia pre Columbian America Vietnam India Africa and Europe For each legend she provides background on its origin and detailed analysis of its meaning and significance

Meaningful Journeys Alec Grant, Elizabeth Lloyd-Parkes, 2024-04-12 *Meaningful Journeys* is an edited collection of autoethnographies underpinned by the conceptual philosophical and etymological origins of journeying questing and traditional and modern understandings of pilgrimage The volume contains chapters on the ways in which all these concepts intersect with identity and identity transformation These range across narratives of sport adventure preferred identity curative religion revered location nostalgia grief resolution out of suitcase travels and pilgrimage journeys understood in more traditional senses The collection showcases and promotes the identity transformational quest as an important conceptual nuance of narrative autoethnography Readers will engage with the ways in which contributing authors craft their emerging selves into preferred identities which showcase personal and relational change in action This book is essential reading for students and practitioners of autoethnography and qualitative research internationally and others interested in identity transformation in narrative inquiry

Community and Conflict D. Edyvane, 2007-04-25 Rather than undermining it this book argues that moral conflict is necessary for a liberal political community It develops a new philosophical basis for political association based on an innovative account of the way journey narratives in literature shed light on the possibilities for solidarity in modern democratic societies

Practical Identity and Narrative Agency Kim Atkins, Catriona Mackenzie, 2013-05-13 The essays collected in this volume address a range of issues that arise when the focus of philosophical reflection on identity is shifted from metaphysical to practical and evaluative concerns They also explore the usefulness of the notion of narrative for articulating and responding to these issues The chapters written by an outstanding roster of international scholars address a range of complex philosophical issues concerning the relationship between practical and metaphysical identity the embodied dimensions of the first personal perspective the kind of reflexive agency involved in the self constitution of one's practical identity the relationship between practical identity and normativity and the temporal dimensions of identity and selfhood In addressing these issues contributors engage with debates in the literatures on personal identity phenomenology moral psychology action theory normative ethical theory and feminist philosophy

Journeys into Terror Cynthia J. Miller, A. Bowdoin Van Riper, 2023-05-15 Since ancient times explorers and adventurers have captured popular imagination with their frightening narratives of travels gone wrong Usually these stories heavily feature the exotic or unknown and can transform any journey into a nightmare Stories of such horrific happenings have a long and rich history that stretches from folktales to contemporary media narratives This work presents eighteen essays that explore the ways in which these texts reflect and shape our fear and fascination surrounding travel posing new questions about the geographies of evil and how our notions of terrible places and their inhabitants change over time The volume's five thematic sections offer new insights into how power privilege uncanny landscapes misbegotten quests hellish

commutes and deadly vacations can turn our travels into terror
