# Radical Right In Western Europe A Comparative Analysis

**Hermann Schmitt**

## **Radical Right In Western Europe A Comparative Analysis:**

*The Radical Right in Western Europe* Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries

**The Radical Right in Western Europe** Herbert Kitschelt, 1997 *The extreme Right in Western Europe* Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

*Reflections on the Extreme Right in Western Europe, 1990-2008* Christopher Husbans, 2020-05-26 During the last three decades or so there has been a significant growth of extreme right voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers

on the contemporary politics of the extreme right in Europe as well as being a valuable resource for those teaching courses on this topic or on general political sociology

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah L. de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression Beginning with a discussion of the usefulness of the left right distinction it deals with the varied significance of the term right and analyses the right's post war evolution across Europe

The Populist Radical Right in Central and Eastern Europe Andrea Pirro, 2015-06-05 Often neglected in the study of far right organisations post communist Europe recently witnessed the rise and fall of a number of populist radical right parties The Populist Radical Right in Central and Eastern Europe is the first comparative study to focus on the ideology impact and electoral performance of this party family in the region The book advances a series of arguments concerning the context and text of these parties and systematically analyses the supply side and demand side of populist radical right politics Whilst populist radical right parties in Central and Eastern Europe maintain broad similarities with their West European counterparts they come across as a distinct phenomenon worthy of study in their own right Parties like Ataka Bulgaria Jobbik Hungary and the SNS Slovakia resort to historical legacies and contextual idiosyncrasies to frame their ideology interact with other parties over a number of policy areas and ultimately compete for public office on the basis of their nativist agenda The book provides a novel framework for the analysis of different aspects of populist radical right politics notably enhancing the understanding of this phenomenon by means of primary data such as personal interviews with party leaders and original expert surveys Using the ideological features of these parties as an overarching analytical tool this book is essential reading for students and scholars researching the far right post communist issues and European politics in general

*Radical Right* Pippa Norris, 2005-08-22 During recent decades radical right parties have been surging in

popularity in many nations gaining legislative seats enjoying the legitimacy endowed by ministerial office and striding the corridors of government power The popularity of leaders such as Le Pen Haider and Fortuyn has aroused widespread popular concern and a burgeoning scholarly literature Despite the interest little consensus has emerged about the primary factors driving this phenomenon The puzzle is to explain why radical right parties have advanced in a diverse array of democracies including in Austria Canada Norway France Italy New Zealand Switzerland Israel Romania Russia and Chile while failing to make comparable gains in similar societies elsewhere such as in Sweden Britain and the United States This book first published in 2005 expands our understanding of support for radical right parties through presenting an integrated new theory which is then tested systematically using a wealth of cross national survey evidence covering almost forty countries

**Voting Radical Right in Western Europe** Terri E. Givens, 2005-10-10 The economic and political conditions that have led to the rise of radical right parties exist in similar form and intensity all over Europe Yet radical right parties have only been successful in a few countries The Republikaner party s less than 2% of the vote is much lower than the National Front s high of 15% and the Freedom Party s 27% of the vote in national legislative elections Why do such a small percentage of voters choose the radical right in Germany Why is the radical right winning more seats in Austria than in France and Germany The main argument in this book is that radical right parties will have difficulty attracting voters and winning seats in electoral systems that encourage strategic voting and or strategic coordination by the mainstream parties The analysis demonstrates that electoral systems and party strategy play a key role in the success of the radical right *Mapping the Extreme Right in Contemporary Europe* Andrea Mammone, Emmanuel Godin, Brian Jenkins, 2012-05-16 In recent years the revival of the far right and anti Semitic racist and fascist organizations has posed a significant threat throughout Europe Mapping the Extreme Right in Contemporary Europe provides a broad geographical overview of the dominant strands within the contemporary radical right in both Western and Eastern Europe After providing some local and regional perspectives the book has a series of national case studies of particular countries and regions including Austria Belgium Bosnia Herzegovina Croatia Eastern Europe France Germany Greece Italy Malta Portugal Romania Scandinavia Serbia Spain Switzerland Turkey Ukraine and the United Kingdom A series of thematic chapters examine transnational phenomena such as the use of the Internet the racist music scene cultural transfers and interaction between different groups Drawing together a wide range of contributors this is essential reading for all those with an interest in contemporary extremism fascism and comparative party politics *Right-wing Extremism in the Twenty-first Century* Peter Merkl, Weinberg LEONARD, 2004-08-02 Revising the 1997 first edition this study covers events that occurred in Oldham and Bradford after the year 2000 The rise of right wing extremist groups is put under scrutiny in a number of states including Britain Germany Austria Russia and France **The Oxford Handbook of Electoral Persuasion** Elizabeth Suhay, Bernard Grofman, Alexander H. Trechsel, 2020-04-01 Elections are the means by which democratic nations determine their leaders and communication in the context of elections has the

potential to shape people's beliefs, attitudes and actions. Thus electoral persuasion is one of the most important political processes in any nation that regularly holds elections. Moreover, electoral persuasion encompasses not only what happens in an election but also what happens before and after, involving candidates, parties, interest groups, the media and the voters themselves. This volume surveys the vast political science literature on this subject, emphasizing contemporary research and topics and encouraging cross-fertilization among research strands. A global roster of authors provides a broad examination of electoral persuasion with international perspectives complementing deep coverage of U.S. politics. Major areas of coverage include general models of political persuasion, persuasion by parties, candidates and outside groups, media influence, interpersonal influence, electoral persuasion across contexts and empirical methodologies for understanding electoral persuasion.

The Structure of Political Competition in Western Europe Zolt Enyedi, Kevin Deegan-Krause, 2013-09-13. Is European party politics hovering above society? Why do voters pick one party over others? Is it a question of class? Of religion? Of attitudes about taxes or immigration or global warming? Or is it something else entirely? *The Structure of Political Competition in Western Europe* takes a detailed look at the ways in which Western Europe's party systems are anchored in social and ideological structures. The book's first section focuses on the role of social structures, particularly education, class and religion, and analyzes the complex interplay among these factors. The second section addresses the ways that the sociological structures such as class and religion interact with voters' values. The third section examines the way that these structures and values shape the space of political competition among parties. The conclusion integrates the findings of the empirical articles, putting them into broader comparative perspective, discussing whether relatively predictable structures have been overwhelmed by media-driven spectacles, political personalities and focus on short-term economic performance. This volume will appeal to scholars and graduate students in Europe and those from North America, Asia and other regions who study European politics, political parties, cleavages and political behaviour. This book was published as a special issue of *West European Politics*.

Immigration and Membership Politics in Western Europe Sara Wallace Goodman, 2014-10-16. This book examines why Western European states have recently introduced citizenship tests, integration courses, contracts and oath ceremonies. These requirements are perceived as instruments of civic integration to enable immigrants to be better participants in society and the labor market. However, are all states introducing these requirements for the same reason?

**European Parliament Elections after Eastern Enlargement** Hermann Schmitt, 2014-06-03. This book reflects on the questions raised by the European Election Study 2004, whose analytical focus was on the legitimacy of EU politics after Eastern enlargement. It also assesses the dynamics and the contents of the campaign, on the determinants of the extremely low turnout in the new countries and on the reasons of voter choice in West and East. The book also examines the first European Parliament election after the post-communist countries of Eastern Europe joined the European Union. The central question is what has changed? Are the voters in the new member countries different and if so why? Did the Union suffer from a

loss of democratic legitimacy after Eastern enlargement Each chapter is empirical analytical most are based on the post election surveys of the group that were conducted in all but one of the 25 member countries others focus on the results of content analyses of news media and party manifestos This book was published as a special issue of the Journal of European Integration

**The Oxford Handbook of Populism** Cristóbal Rovira Kaltwasser, Paul A. Taggart, Paulina Ochoa Espejo, Pierre Ostiguy, 2017 The Oxford Handbook of Populism presents the state of the art of research on populism from the perspective of Political Science The book features work from the leading experts in the field and synthesizes the main strands of research in four compact sections concepts issues regions and normative debates Due to its breadth The Oxford Handbook of Populism is an invaluable resource for those interested in the study of populism but also for experts in each of the topics discussed who will benefit from accounts of current discussions and research gaps as well as a map of new directions in the study of populism

*Political Realignment* Russell J. Dalton, 2018-10-18 The process of electoral change is accelerating in contemporary democracies and this book explains why The emergence of Green parties in the 1980s and recent far right parties Brexit and Trump's 2016 victory are parts of this overall process Political Realignment tracks the evolution of citizen and elite opinions on economic and cultural issues from the 1970s to the 2010s and the impact of these changes on electoral politics and public policy Citizen positions on these cleavages have realigned over time producing a similar realignment in the structure of the party systems to represent these demands Economic issues remain important now joined by divisions on cultural issues as a backlash to modernization Assembling an unprecedented time series of empirical evidence this study explains the new forces of electoral change in both Europe and the United States

**The Rise of the Far Right in Europe** Gabriella Lazaridis, Giovanna Campani, Annie Benveniste, 2016-07-04 The results of the last European Elections of 2014 confirmed the rise of right and far right populist parties across the EU The success of a range of parties such as Denmark's Dansk Folkeparti Slovenia's Slovenska demokratska stranka France's Front National Greece's Golden Dawn the United Kingdom Independence Party Beppe Grillo's Five Star Movement in Italy and the Austrian FP has been perceived as a political wave which is transforming the face of the European Parliament and challenging at some level the hegemony of the big four well established European political forces that lead the Strasbourg's assembly the ALDE EPP S D and Greens ALE As populism has become a major issue in many EU countries this collection aims to provide a critical understanding of related trends and recommend ways in which they can be challenged both in policy and praxis by using the gender race ethnicity sexual orientation intersectionality approach This international volume combines extensive transnational comparative data analysis as well as research at discursive attitudinal and behavioural levels

*Cultural Backlash and the Rise of Populism* Pippa Norris, Ronald Inglehart, 2019-02-14 A new theoretical analysis of the rise of Donald Trump Marine Le Pen Nigel Farage Geert Wilders Silvio Berlusconi and Viktor Orbán

*Fascism: Post-war fascisms* Roger Griffin, Matthew Feldman, 2004 The nature of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the

first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism

Getting the books **Radical Right In Western Europe A Comparative Analysis** now is not type of inspiring means. You could not lonesome going in the manner of books heap or library or borrowing from your associates to read them. This is an categorically simple means to specifically acquire guide by on-line. ## Radical Right In Western Europe A Comparative Analysis Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Radical Right In Western Europe A Comparative Analysis free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Radical Right In Western Europe A Comparative Analysis free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Radical

Right In Western Europe A Comparative Analysis free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Radical Right In Western Europe A Comparative Analysis. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Radical Right In Western Europe A Comparative Analysis any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Radical Right In Western Europe A Comparative Analysis Books

1. Where can I buy Radical Right In Western Europe A Comparative Analysis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Radical Right In Western Europe A Comparative Analysis book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
