THE RAINBOW BRIDGE

REGINALD FARRER

THIS volume contains the continuation and completion of Mr. Farrer's fascinating account (begun in "On the Edge of the World") of his adventurous journey in Western China in search of new sources of religious power. His pages are by no means designed exclusively for the learned, but aim straight at the heart of the general public, and form a valuable contribution to the author's diversified experience of Chinese travels, in which his remarkable gift for portrayal of Chinese life and character finds ample scope.
