Hebrews: An Earth Bible Commentary Jeffrey S. Lamp,2020-05-14 In this new ecological commentary on the letter to the Hebrews Jeffrey S Lamp makes use of approaches developed in the relatively new field of Ecological Hermeneutics to shed light upon the connection of Hebrews with Earth Hebrews is frequently characterized as portraying a dualistic cosmology that diminishes the material world muting the voice of Earth Conversely Lamp argues that though Hebrews cannot be construed as an ecological treatise the contours of the letter s presentation may be subverted by reading from an ecological perspective such that cues provided by the author of Hebrews serve as opportunities to hear Earth s voice in the letter Three movements corresponding to thematic interests of the author of Hebrews form the framework of this ecological reading the Son as the agent of creation the Son depicted as the Second Adam and the New Jerusalem as the eschatological dwelling place of God This ecological reading of Hebrews aims to shape its readers into those who fulfill the soteriological aims of God in and for the world

Ruth: An Earth Bible Commentary Alice M. Sinnott,2020-06-25 This ecological reading of the book of Ruth takes into account the power which this short story holds speaking to the whole

person by engaging each reader's emotions, imagination, memory, and reason. Alice M. Sinnott demonstrates how the story of Ruth transcends geographical, spatial, and historical boundaries by appealing to all concerned with the plight of the Earth. Sinnott highlights the ecological dimensions of the text that scholars have ignored or dismissed in the past and explores how the narrator gives voice to the way in which the Earth functions throughout the story. Integral to her reading of the text is a concern for Earth and matters such as food, famine, death, harvests, grain, day and night, and members of the Earth community. Sinnott considers non-human characters as legitimate determining factors in the structuring of the narrative and recognizes Earth and members of the Earth community as equally valid subjects. By identifying with these aspects of Ruth, Sinnott is able to read the text with new eyes and by placing special emphasis on how the narrator depicts the natural world, she reinforces how subjects from that world emerge as integral components.

Earth Story in the Psalms and the Prophets Norman C. Habel, 2001-11-01 In this volume, scholars from around the world read the story of Earth in key texts from the Psalms and the Prophets. Their readings challenge popular understandings of the Chaoskampf myth, the theophany of Psalm 29, and the New Earth in Isaiah 65. Re-readings of Ezekiel expose the cruelty of divine justice extended to the natural world. Several articles by indigenous writers sensitive to the voice of Earth bring new insights to the potential meaning of texts like Psalm 104.

Contributors include Lloyd Geering, Russell Nelson, William Urbrock, Laurie Braaten, Keith Carley, Anne Gardner, John Olley, Gunther Wittenberg, Kalinda Stevenson, Peter Trudinger, Arthur Walker, Jones Norman, Charles Howard, Wallace Geraldine, Avent, Madipoane Masenya, and Abotchie Ntrel. **Earth's Energy Flow** MacCaral, 2019-08-11 Energy flows all around you.
