A must have for the Shirley reader or collector. Includes art work by Alan M Clark. Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction, space opera, time travel, hard SF, alien invasion, near future dystopia, fantasy, grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history, and horror, zombies, vampires, and the occult and supernatural and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award winner, we are committed to publishing quality books from a diverse group of authors.

Really, Really, Really, Really Weird Stories John Shirley, 2022-09-20 WELCOME TO THE WEIRD WORLD OF JOHN SHIRLEY. How deep into the weird will you go? Will you wade to your knees? Your waist? Your shoulders? Will you get in over your head? This truly unique story collection from the acclaimed and unsettling John Shirley is organized into four sections. The first section is Really Weird Stories. The second is Really Really Weird Stories. The third is Really Really Really Weird Stories. The fourth is oh yes Really Really Really Really Weird Stories. And the author means what he says: each section is weirder than the last, doubling its strangeness a section at a time. The collection starts out disquieting, it becomes disturbing, then it gets outrageously weird, then mind bending. Yet each story is a compelling narrative. Some of the stories are set in the real world, others have a supernatural or science fiction basis, or come from a place where genres are destroyed by explosive vision. In this edition, there are four new stories, including the Lovecraftian Antarctic adventure *A Boy and His Shoggoth* and published here for the first time *The Whisperer Made Visible*, a tale of secret treaties with horrors, eldritch, and invisible. This updated edition of *Really Really Really Really Weird Stories* is one of the most impressive feats of sustained and varied weirdness since Harlan Ellison's landmark *Dangerous Visions* anthologies. Your mind is strong. Take the risk. Another virtuoso offering from a writer whose daring and originality continue to astonish. PUBLISHERS WEEKLY starred review of the original edition.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
