Out Loud ,2004 **3** Jeffrey Martin,2010-11 For most people an experience with social networking helps them connect with new acquaintances and bridge the gap between long lost friends But one man has adopted its resources to fulfill a more sinister agenda Brandon Thornley uses the database to search for potential victims as he feeds his thirst for blood What Brandon doesn t realize is that someone has accepted his request and this person is even more ruthless than him New Haven Police Detective Patrick Morgan is assigned to investigate a string of ritualistic murders which leads him to discover that the killer has left behind something valuable Armed with the evidence he needs to bring a madman to justice Detective Morgan sets his sights on his target Unfortunately for him he s not the only one and his competition will do anything to ensure he fails **Contemporary Theatre, Film and Television** Thomas Riggs,2007-03 Biographical reference providing information on individuals active in the theatre film and television industries Covers not only performers directors writers and producers but also behind the scenes specialists such as designers managers choreographers technicians composers executives dancers and critics from the United States Canada Great Britain and the world *Country of My Skull* Antjie Krog,2007-12-18 Ever since Nelson Mandela dramatically walked out of prison in 1990 after twenty seven years behind bars South Africa has been undergoing a radical transformation In one of the most miraculous events of the century the oppressive system of apartheid was dismantled Repressive laws mandating separation of the races were thrown out The country which had been carved into a crazy quilt that reserved the most prosperous areas for whites and the most desolate and backward for blacks was reunited The dreaded and dangerous security force which for years had systematically tortured spied upon and harassed people of color and their white supporters was dismantled But how could this country one of spectacular beauty and promise come to terms with its ugly past How could its people whom the oppressive white government had pitted against one another live side by side as friends and neighbors To begin the healing process Nelson

Mandela created the Truth and Reconciliation Commission headed by the renowned cleric Archbishop Desmond Tutu. Established in 1995, the commission faced the awesome task of hearing the testimony of the victims of apartheid as well as the oppressors. Amnesty was granted to those who offered a full confession of any crimes associated with apartheid. Since the commission began its work, it has been the central player in a drama that has riveted the country. In this book, Antjie Krog, a South African journalist and poet who has covered the work of the commission, recounts the drama, the horrors, the wrenching personal stories of the victims and their families. Through the testimonies of victims of abuse and violence from the appearance of Winnie Mandela to former South African president P. W. Botha's extraordinary courthouse press conference, this award-winning poet leads us on an amazing journey. *Country of My Skull* captures the complexity of the Truth Commission's work. The narrative is often traumatic, vivid, and provocative. Krog's powerful prose lures the reader actively and inventively through a mosaic of insights, impressions, and secret themes. This compelling tale is Antjie Krog's profound literary account of the mending of a country that was in colossal need of change.

Lawbreaker Diana Palmer, 2024-12-17 You just can't do better than a Diana Palmer story to make your heart lighter and smile brighter. Fresh Fiction. Tony Garza has been Odalie Everett's nemesis since the day they met. Once a New Jersey crime boss, Tony now owns an art gallery in New York where he spends most of his time delegating his shadier business to subordinates. Odalie is a professional singer whose lifelong dream is to perform at the Met. She never expected to run into the heartbreaker from her past when she rents a small house near Tony's Manhattan apartment while taking voice lessons. But when they reconnect, they can't help but give in to unforgettable passion. As their relationship blossoms, deadly figures from Tony's past come back to exact revenge, and he'll do anything to protect Odalie, even bring her back home to her family ranch in Texas. But as Odalie struggles with the idea of leaving behind her dreams in the city to have true love in Texas, she finds herself caught in the ultimate trap, and Tony's past won't let them go.

Also in the Long Tall Texans Series: *The Loner*, *Notorious*, *Unleashed*, *Unbridled*, *Undaunted*.
