Rebellion Racism And Representation The Adam Clayton Powell Case And Its Antecedents:

Rebellion Racism and Representation P. Allan Dionisopoulos, 1970-10-01 **Encyclopedia of African American Religions** Larry G. Murphy, J. Gordon Melton, Gary L. Ward, 2013-11-20 Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991 this A Z encyclopedia includes three types of entries Biographical sketches of 773 African American religious leaders 341 entries on African American denominations and religious organizations including white churches with significant black memberships and educational institutions Topical articles on important aspects of African American religious life e g African American Christians during the Colonial Era Music in the African American Church Representation and Responsibility Bruce Jennings, Daniel Callahan, 1985-10-31

Bibliography of African American Leadership Cedric Johnson, Ronald W. Walters, 2000-06-30 Compiled in this volume is the most significant accumulation of works on the subject of African American leadership to date As the field of leadership studies continues to grow this timely work contributes to an understanding of the activities of those people and organizations that have been leaders of people of African descent and have contributed to the cultural and political affairs of the black community as well as the representation of the black community in mainstream American life The annotated entries cover a variety of works on subjects such as dedicated black leadership studies local descriptions and analyses biographies leadership organizations and audio visual materials This reference is an important contribution to the field of leadership studies in general and African American leadership in particular and will serve as a valuable research tool for educators and practitioners alike The entries are organized into six sections which offer a broad overview of the various aspects of African American leadership Part I Critical Studies and Appraisals focuses on the history of works dedicated to both national and local leaders and their politically relevant activities The next section Local Leadership Studies is organized around black leaders who served local communities and the various issues they addressed Part III looks at relevant social movements and ideologies that have highlighted the activities of black leaders Individual leaders who have made contributions to the political life of the black community are included in Part IV while leadership organizations are highlighted in Part V The concluding section of the volume looks at available audio visual materials A thorough index rounds out the bibliography

Congressional Committee Chairmen Andrée E. Reeves, 2021-12-14 Congress does most of its work in committee and no understanding of that body can be complete without an analysis of its committees and those who shape them Andrée E. Reeves now offers a rare glimpse into the workings of committee chairmanship over a span of thirty three years how three chairmen operated and how they influenced their committee and its impact As Reeves demonstrates the chair is the most important player in a congressional committee the one who holds more cards than his colleagues and can deal a winning hand or call a bluff His use of institutional and personal resources affects the committee the chamber and public policy As a case study Reeves compares the leadership of three disparate and strong House Education and Labor Committee chairmen

who served from 1950 to 1984 Graham A Barden D NC Adam Clayton Powell D NY and Carl D Perkins D KY She delves into each chairman s background orientation and use of resources Each had his own brand of leadership she finds and a pronounced but different impact on Education and Labor The committee blocked progressive legislation under Barden facilitated Johnson s Great Society under Powell and fought tooth and nail to maintain its accomplishments under Perkins Reeves emphasizes also committee development including the effects of reforms the relationship between committee composition and policy output and committee voting patterns Rather than advancing smoothly and incrementally Education and Labor developed in stages that coincided with each chairmanship And over the years covered it evolved into a more complex decentralized and democratic organization This is an illuminating study of three men who made a difference in our nation s governance They left a legacy for succeeding chairmen and indeed for the House and their chairmanships have had a lasting impact on our society *Racism* Albert J. Wheeler,2005 Of all mankind s vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature **Barred by Congress** Robert M. Lichtman,2022-01-27 In *Barred by Congress* How a Mormon a Socialist and an African American Elected by the People Were Excluded from Office Robert M Lichtman provides a definitive history of congressional exclusion and expulsion cases Lichtman offers a timely investigation of the vital constitutional issues debated since the nation s founding concerning permissible and impermissible grounds for excluding a member elect or expelling a member from Congress *Barred by Congress* begins with an exhaustive review of the numerous congressional exclusion and expulsion cases in the eighteenth and nineteenth centuries before focusing on the stories of the last three members elect to be excluded from Congress a Mormon a Socialist and an African American each an outsider in American politics excluded notwithstanding election by the voters Lichtman illuminates each of these three remarkable individuals with a detailed biographical sketch Brigham H Roberts was a Utah Mormon whose exclusion from the House of Representatives in 1900 was fueled by a nationwide anti Mormon campaign waged by William Randolph Hearst and his newspaper empire a controversy centered on the issue of polygamy Victor L Berger a Socialist Party leader and editor of an antiwar Milwaukee newspaper during World War I was elected to the House despite the efforts of the Wilson administration to derail his campaign by indicting him under the Espionage Act he was excluded in 1919 and again in 1920 Adam Clayton Powell Jr was a Baptist minister and civil rights advocate who represented the Harlem neighborhood of New York City in the House of Representatives from 1945 until his exclusion in 1967 In *Powell v McCormack* the Supreme Court ruled that Powell s exclusion by the House violated the Constitution a decision that a half century later remains established law but still does not provide complete assurance that the people will be able to in Alexander Hamilton s words choose whom they please to govern them *Running for Freedom* Steven F. Lawson,2014-11-10 *Running for Freedom* Fourth Edition updates historian

Steven Lawson's classic volume detailing the history of African American civil rights and black politics from the beginning of World War II to the present day. Offers comprehensive coverage of the African American struggle for civil rights in the U.S. from 1941 to 2014. Integrates events relating to America's civil rights story at both the local and national levels. Features new material on Obama's first term in office and the first year of his second term. Includes addition of such timely issues as the Trayvon Martin case, the March on Washington 50th anniversary, state voter suppression efforts, and Supreme Court ruling on Voting Rights Act. **Catalog of Copyright Entries.
