Reborn Love:

True and Lasting Love Bernardo Leonard, 2003 This is a must and essential book to have Le Meilleur the best There is power in the words and gestures of Bernardo It is impossible to read his work without being moved He pours himself out before you and in your own heart you experience immediate contact and warmth He transports you to a purer region from which dogmas and mysteries descend He loosened his words like arrows from the bow and his whole heart seems to fly with them The pathetic the profound the sublime are side by side with the simple and the ordinary What is most divine in the heart of a man cannot be expressed in writing Yet this writer did It has depth it convicts It causes one to re evaluate oneself Yet dira la verite est beate to tell the truth is beautiful Jean Paul Screenwrite Nice France A very thought provoking book to say the least As Bernardo Leonard points out with sometimes painful clarity there is no greater power on earth than love The merging of earthly Love and theological support of that Love is accomplished without undue and unnecessary pressure to convert Instead the pressure exerted upon the reader is to think hence thought provoking As much as I tried to disagree with him on certain issues of forgiveness I knew in my heart that Bernardo was right We can fool some of the people some of the time fool all of the people all of the time but we can never fool ourselves at any time When you know the truth in your heart you know the truth Period To err is human to forgive is divine So much of humanity is so far removed from divine reading and digesting this book will bring them closer The reader can identify with each of Bernardo s Love filled and Love driven chapters because every human being is in search of ONE thing and only one thing LOVE Some run the race claiming it s money or fame they are after others claim this and still others claim that Every one of us understands that the reason we lives is to Love and be Loved Thank you Bernardo for putting these truths to paper Stan Brushwood Tucson Arizona

Leave Love with Me William Lawton, 2023-09-19 Desire for beauty is at the heart of human existence Some find this meaning out of their religious or spiritual perspective Some find it at the edge of their traditions And others find it outside any recognizable tradition This book speaks especially to the second and third groups of people Desire releases us to explore difference and to honor alternatives Desire shapes our lives in unique ways It centers our energies for personal and relational change where difference can be debated and variety permitted We might transcend circumstances that limit us Desire is more than meaningfulness it is captivation of mind and spirit to life s possibility In my discovery desire is an abandonment to beauty

The Sane Society Erich Fromm, 2017-06-28 Following the publication of the seminal Fear of Freedom Erich Fromm applied his unique vision to a critique of contemporary capitalism in The Sane Society Where the former dealt with man s historic inability to come to terms with his sense of isolation and the dangers to which this can lead The Sane Society took his theories one step further

The Cantata of Love Blaise Arminjon, 2014-09-17 What book of the Old or New Testament has generated the most commentaries in the history of the Church Not John s Gospel not Paul s letter to the Romans not the prophet Isaiah no it is the Song of Songs It is a book that is unknown to many Catholics and shocking to

those who discover it for the first time because of its descriptions of a lover and his beloved God is only mentioned once and that is at the very end And yet the greatest of the Fathers have commented on it Origen s is the classic and St Jerome says of it Origen having surpassed all of the interpreters of all the books of Scripture surpassed himself in this interpretation of the Canticle St Bernard of Clairvaux St Francis de Sales St John of the Cross all have added to the great tradition of interpreting this book for they see it as God s love for Israel and the Church Christ s love for Mary for the Church and for each of us The author draws on all these classics of Catholic tradition to give us a verse by verse reading of the Song of Songs which will deepen the spiritual lives of all of us a deepening rooted in God s word and the most profound Catholic tradition **Blurred**

Lines Lena Steinhawser,2025-06-26 *Blurred Lines* is a gripping college romance where truth and perception collide secrets unravel and two broken hearts find unexpected connection Skylar never imagined her life could spiral from one photo One moment she s minding her business next she s the scandal of the college newspaper accused of kissing a much older man The images look convincing The story spreads like wildfire But is it real Luke prefers the quiet A journalism student with a passion for truth he s never one to stir drama until Skylar storms into his world demanding answers She s fierce unapologetic and absolutely nothing like the math equations she loves predictable and exact Luke isn t looking for love In fact he s convinced he can t feel it But something about Sky challenges everything he thought he knew As the two dig deeper into the mystery behind the photos they discover secrets about the people around them and about each other With a past that refuses to stay buried and emotions they can t control Sky and Luke are forced to ask themselves can love survive when the lines between truth and lies are so dangerously blurred **The Pleiadean Goddesses** Helena Öhrström,2023-05-26 This book is

about the Pleiad Goddesses their wheel of the year and how we can use its energies for our ascension process into the new age It is a workbook to awaken and evolve in your Goddess power and to evolve spiritually with the Goddesses and their Wheel of the Year In the book you will find the star of the year and the wheel of the year for the Pleiad goddesses with holidays and those belonging to the respective goddesses You will learn how you can follow the Pleiad Goddesses through the various festivals You get tips on ceremonies and altars and to follow the cyclical power of the moon together with the goddesses on your own The book contains channeled messages from the goddesses and the Pleiades You can read the author s own stories and experiences in contact with the Pleiades The book is written to influence us to remember who we are and reclaim our feminine sacred power *Tolstoy's Major Fiction* Edward Wasiolek,1978 Edward Wasiolek after much valuable

work on Dostoevsky has now written one of the best books on Tolstoy in recent decades This may be in part because of his preoccupation with Tolstoy s most challenging contemporary and the resulting sense of their unlikeness in a common pursuit But there are other unspeculative reasons Few studies of Tolstoy have been so carefully pondered and so firmly organized to convince and not so many show the flexibility and variety of its approach Wasiolek proposes an essentially simple and consistent reading but he advances it with subtlety and discretion Henry Gifford Times Literary Supplement *Oxford*
