Embattled America Jason Bivins,2022 Embattled America is a reinterpretation of conservative evangelical persecution claims The centrality of such claims to American life is widely known This book however argues against standard approaches to them It interprets a range of controversial subjects and persons surrounding embattled religion from the Obama to Trump era Glenn Beck Sarah Palin the Tea Party Wallbuilders anti sharia legislation and birthers The lesson of each episode is linked not to any iteration of religion but to a democratic fundament that is obscured in the obsession with controversial religion

Signposts ,2000 Religion in the Public Square James M. Patterson,2019-04-11 Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell religious leaders who popularized theology through media campaigns designed to persuade the public In Religion in the Public Square James M Patterson considers religious leaders who popularized theology through media campaigns designed to persuade the public Ven Fulton J Sheen Dr Martin Luther King Jr and Rev Jerry Falwell differed profoundly on issues of theology and politics but they shared an approach to public ministry that aimed directly at changing how Americans understood the nature and purpose of their country From the 1930s through the 1950s Sheen was an early adopter of paperbacks radio and television to condemn totalitarian ideologies and to defend American Catholicism against Protestant accusations of divided loyalty During the 1950s and 1960s King staged demonstrations and boycotts that drew the mass media to him The attention provided him the platform to preach Christian love as a political foundation in direct opposition to white supremacy Falwell started his own church which he developed into a mass media empire He then leveraged it during the late 1970s through the 1980s to influence the Republican Party by exhorting his audience to not only ally with religious conservatives around issues of abortion and the traditional family but also to vote accordingly Sheen King and Falwell were so successful in popularizing their theological ideas that they won prestigious awards had access to presidents and witnessed the results of their labors However Patterson argues that Falwell s efforts broke with the longstanding refusal of religious public figures to participate directly in partisan affairs and thereby catalyzed the process of politicizing religion that undermined the Judeo Christian consensus that formed the foundation of American politics
