inconsistencies and misinformation rampant within the pop gospel circles It argues for a prosperity that cannot be attained out there through giving or what have you but should be a condition within every believer As explained in this book the current prosperity gospel is simply materialistic consumerism Christened Tries to use God as a means to an end V success Tries tying God on to formulas V faith and other biblical principles Elevates Miracles above the Jesus who releases them Misinterprets the Bible V form texting mixed with catchy phrases Mixes law and grace as a means of unlocking blessings Presents a false God and Christ Tramples down Christ's redemption by twisting its meaning Does not encourage growth in grace Promotes wrong concepts of faith Encourages giving out of necessity if you have a need plant a seed Plays by the rules of secular media and cannot effectively communicate the true gospel The author hopes the reader will clearly see such falsehood for what they are
