Voices in the Kitchen Meredith E. Abarca, 2006 Literally chilaquiles are a breakfast I grew up eating fried corn tortillas with tomato chile sauce Symbolically they are the culinary metaphor for how working class women speak with the seasoning of their food from the Introduction Through the ages and across cultures women have carved out a domain in which their cooking allowed them to express themselves strengthen family relationships and create a world of shared meanings with other women In Voices in the Kitchen Meredith E Abarca features the voices of her mother and several other family members and friends seated at their kitchen tables to share the grassroots world view of these working class Mexican and Mexican American women In the kitchen Abarca demonstrates women assert their own saz n seasoning not only in their cooking but also in their lives Through a series of oral histories or charlas culinarias culinary chats the women interviewed address issues

of space sensual knowledge artistic and narrative expression and cultural and social change From her mother s breakfast chilaquiles to the most elaborate traditional dinner these women share their lives as they share their savory symbolic and theoretical meanings of food The charlas culinarias represent spoken personal narratives testimonial autobiography and a form of culinary memoir one created by the cooks as writers who speak from their kitchen space Abarca then looks at writers as cooks to add an additional dimension to the understanding of women s power to define themselves Voices in the Kitchen joins the extensive culinary research of the last decade in exploring the importance of the knowledge found in the practical concrete and temporal aspects of the ordinary practice of everyday cooking

The Globalization of Asian Cuisines James Farrer,2015-08-18 This book provides a framework for understanding the global flows of cuisine both into and out of Asia and describes the development of transnational culinary fields connecting Asia to the broader world Individual chapters provide historical and ethnographic accounts of the people places and activities involved in Asia s culinary globalization

Table Lands Kara K. Keeling,Scott T. Pollard,2020-06-04 Food is a signifier of power for both adults and children a sign of both inclusion and exclusion and of conformity and resistance Many academic disciplines from sociology to literary studies have studied food and its function as a complex social discourse and the wide variety of approaches to the topic provides multidisciplinary frames for understanding the construction and uses of food in all types of media including children s literature Table Lands Food in Children s Literature is a survey of food s function in children s texts showing how the sociocultural contexts of food reveal children s agency Authors Kara K Keeling and Scott T Pollard examine texts that vary from historical to contemporary noncanonical to classics and Anglo American to multicultural traditions including a variety of genres formats and audiences realism fantasy cookbooks picture books chapter books YA novels and film Table Lands offers a unified approach to studying food in a wide variety of texts for children Spanning nearly 150 years of children s literature Keeling and Pollard s analysis covers a selection of texts that show the omnipresence of food in children s literature and culture and how they vary in representations of race region and class due to the impact of these issues on food Furthermore they include not only classic children s books such as Winnie the Pooh but recent award winning multicultural novels as well as cookbooks and even one film Pixar s Ratatouille
