The First Hollywood Musicals Edwin M. Bradley, 2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry's most lucrative genre until the greedy studios almost killed the genre by glutting

the market with too many films that looked and sounded like clones of each other From the classy movies such as *Sunnyside Up* and *Hallelujah* to failures such as *The Lottery Bride* and *Howdy Broadway* this filmography details 171 early Hollywood musicals Arranged by subgenre backstage operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film's place in the genre's history Includes over 90 photographs

William Faulkner in Hollywood Stefan Solomon, 2017-08-01 A scholarly examination of the scripts and fiction Faulkner created during his foray as a Hollywood screenwriter During more than two decades 1932-1954 William Faulkner worked on approximately fifty screenplays for major Hollywood studios and was credited on such classics as *The Big Sleep* and *To Have and Have Not* Faulkner's film scripts and later television scripts constitute an extensive and until now thoroughly underexplored archival source Stefan Solomon analyzes the majority of these scripts and also compares them to the fiction Faulkner was writing concurrently His aim to reconcile two aspects of a career that were not as distinct as they first might seem Faulkner the screenwriter and Faulkner the modernist Nobel Prize winning author As Solomon shows Faulkner adjusting to the idiosyncrasies of the screen writing process a craft he never favored or admired he offers insights into Faulkner's compositional practice thematic preoccupations and understanding of both cinema and television In the midst of this complex exchange of media and genres much of Faulkner's fiction of the 1930s and 1940s was directly influenced by his protracted engagement with the film industry Solomon helps us to see a corpus integrating two vastly different modes of writing and a restless author Faulkner was never only the southern novelist or the West Coast hack writer but always both at once Solomon's study shows that Faulkner's screenplays are crucial in any consideration of his far more esteemed fiction and that the two forms of writing are more porous and intertwined than the author himself would have us believe Here is a major American writer seen in a remarkably new way

Billy the Kid on Film, 1911-2012 Johnny D. Boggs, 2013-09-06 A comprehensive filmography this book is composed of lengthy entries on about 75 films depicting legendary New Mexico outlaw Billy the Kid from the lost Billy the Kid 1911 to the blockbuster *Young Guns* 1988 to the direct to video *Billy the Kid* 2012 and everything in between Each entry gives a synopsis cast and credits critical reception and a discussion of the events of the films compared to the historical record Among the entries are made for TV and direct to video films foreign movies and continuing television series in which Billy the Kid made an appearance

Literary Adaptations in Black American Cinema Barbara Tapa Lupack, 2002 By contrast in the works of black writers from Oscar Micheaux to Toni Morrison the black experience has been more fully more accurately and usually more sympathetically realized and from the early days of film select filmmakers have looked to that literature as the basis for their productions

Manderley Forever Tatiana de Rosnay, 2017-04-18 The nonfiction debut from beloved international sensation and 1 New York Times bestselling author Tatiana de Rosnay her

bestselling biography of novelist Daphne du Maurier It's impressive how Tatiana was able to recreate the personality of my mother including her sense of humor It is very well written and very moving I'm sure my mother would have loved this book Tessa Montgomery d'Almeida daughter of Daphne du Maurier as told to Pauline Sommelet in Point de Vue As a bilingual bestselling novelist with a mixed Franco-British bloodline and a host of eminent forebears Tatiana de Rosnay is the perfect candidate to write a biography of Daphne du Maurier As an eleven-year-old de Rosnay read and reread Rebecca becoming a lifelong devotee of Du Maurier's fiction Now de Rosnay pays homage to the writer who influenced her so deeply following Du Maurier from a shy seven-year-old a rebellious sixteen-year-old a twenty-something newlywed and finally a cantankerous old lady With a rhythm and intimacy to its prose characteristic of all de Rosnay's works Manderley Forever is a vividly compelling portrait and celebration of an intriguing hugely popular and at the time critically underrated writer Manderley Forever is a nominee for the 2018 Edgar Award for best critical biographical work
