[Two Paradigms for Divine Healing](#) Pavel Hejzlar, 2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author proposes a solution to the problems inherent in the two paradigms under scrutiny [40 Questions About Pentecostalism](#) Jonathan Black, 2024-06-18 At just over a century old

the Pentecostal Movement accounts for over 500 million believers worldwide and continues to grow Still confusion abounds over what Pentecostals believe and teach about the Holy Spirit worship salvation healing and much more In 40 Questions About Pentecostalism Jonathan Black provides an accessible overview of the historical theological biblical and experiential factors that make Pentecostalism a vibrant and worldwide Christian movement He answers questions such as these How did Pentecostalism begin in the United States What do Pentecostals believe concerning the Trinity Do Pentecostals affirm the prosperity gospel What do Pentecostals believe about healing What is speaking in tongues As with all the 40 Questions books the question and answer format offers readers targeted guidance on the questions that matter most to them and

controversial issues are addressed with robust scholarship and in a spirit of grace **No Darkness at All** Michael Maffucci,2021-05-03 One of the most difficult things to understand about the Bible is why God seems so different in the Old testament than He does in the New Testament There are places in the Old Testament where God says I kill and I destroy There are many places where God appears to be very harsh when He deals with people For example Uzzah died on the spot when he reached out his hand to touch the ark of God The author is of the conviction that God is good all the time and is never the cause of death destruction or sickness of any kind The author also believes that the Bible is the inerrant word of God Because of his dilemma in trying to justify these two opposite paradigms he has done this detailed study on this subject because he believes the Bible cannot contradict itself Many have blamed God for their afflictions or at the very least they have accepted their problems as God s will for their life If you believe that God is doing something evil to you to teach you a lesson or to develop your faith how can you have faith to be healed or to be delivered from any difficulty Reading this book will help you see that God is good all the time and can do No Darkness At All 1 John 1 5 Careful grammatical research is done in this book that will give you evidence to the face that there is a great difference between what God causes and what God permits Each chapter in this work builds upon this evidence and will increase your faith in the goodness of God 2
