Sex And Eroticism In Mesopotamian Literature

David M. Carr

Sex And Eroticism In Mesopotamian Literature:

Sex and Eroticism in Mesopotamian Literature Dr Gwendolyn Leick, 2013-01-11 Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject the Sumero Akkadian cuneiform sources which were written between the 21st and the 5th centuries B C Using these long neglected and often astonishing data Gwendolyn Leick is able to anlayse Mesopotamian views of prostitution love magic and deviant sexual behaviour as well as more general issues of sexuality and gender This fascinating book sheds light on the sexual culture of one of the earliest literate The Erotic Word David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between civilisations the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is improverished the other is warped Sex in Antiquity Mark Masterson, Nancy Sorkin Rabinowitz, James Robson, 2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media Sex in Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies Celibacy in the Ancient World Dale Launderville, 2010-07-01 Celibacy is a commitment to remain unmarried and to renounce sexual relations for a limited period or for a lifetime Such a commitment places an individual outside human society in its usual form and thus guestions arise What significance does such an individual and such a choice have for the human family and community as a whole Is celibacy possible Is there a socially constructive role for celibacy These questions quide Dale Launderville OSB in his study of celibacy in the ancient cultures of Israel Mesopotamia and Greece prior to Hellenism and the rise of Christianity Launderville focuses especially on literary witnesses because those enduring texts have helped to shape modern attitudes and can aid us in understanding the factors that may call forth the practice of celibacy in our own time Readers will discover how celibacy fits within a context of relationships and what kinds of relationships thus support a healthy and varied society one aware of and oriented to its cosmic destiny Dale Launderville OSB is professor of theology at Saint John's University School of Theology eminary Collegeville Minnesota He is the author of Piety and Politics The Dynamics of Royal Authority in Homeric Greece Biblical Israel and Old Babylonian Mesopotamia Eerdmans 2003 and Spirit and Reason The Embodied Character of Ezekiel s

Symbolic Thinking Baylor University Press 2007 Some Wine and Honey for Simon A. Joseph Ferrara, Herbert B. Huffmon, 2020-04-24 This volume celebrates the life and work of the late Simon B Parker 1940 2006 the Harrell F Beck Scholar of Hebrew Scripture at the School of Theology and Graduate School of Arts and Sciences at Boston University Contributors Edward L Greenstein Mark S Smith Karel van der Toorn Steve A Wiggins N Wyatt Katheryn Pfisterer Darr David Marcus Herbert B Huffmon Bernard F Batto Tim Koch F W Dobbs Allsopp Amy Limpitlaw of Songs Elaine T. James, 2017 Landscapes of the Song of Songs is an interdisciplinary study that develops a theory of landscape to explore the Song's conceptualization of the natural world New readings of the Song's poetry reveal how it imagines human lovers enfolded in complex relationships of fragility and care Women in Ugarit and Israel Hennie J. Marsman, 2021-10-01 In this volume the presupposition is investigated whether women in a polytheistic society had a better position than women in a monotheistic society To this end the social and religious position of women in Ugarit according to its literary texts is compared to that of women in Israel according to the Hebrew Bible while the wider context of the ancient Near East is also taken into consideration After an overview of feminist biblical exeges s the book discusses the roles of women in the family and in society It also provides an analysis of the roles of women as religious specialists and as worshippers Finally the data on the position of women in the literary texts is compared to that in non literary texts

Orality and Literacy in the Demotic Tales Jacqueline E. Jay, 2016-06-10 In Orality and Literacy in the Demotic Tales Jacqueline E Jay extrapolates from the surviving ancient Egyptian written record hints of the oral tradition that must have run alongside it The monograph's main focus is the intersection of orality and literacy in the extremely rich corpus of Demotic narrative literature surviving from the Greco Roman Period The many texts discussed include the tales of the Inaros and Setna Cycles the Myth of the Sun's Eye and the Dream of Nectanebo Jacqueline Jay examines these Demotic tales not only in conjunction with earlier Egyptian literature but also with the worldwide tradition of orally composed and performed discourse On Femininities in the Song of Songs and Beyond Vita Daphna Arbel, 2022-01-13 Vita Daphna Arbel uses critical theories of gender to offer an alternative reading of the multilayered conceptualization of the Song of Song s feminine protagonist the most beautiful woman Arbel treats the most beautiful woman as a culturally constructed and performed representation of woman and situates this representation within the cultural discursive contexts in which the Song partly emerged She examines the gender norms and cultural ideologies it both reflects and constructs and considers the manner in which this complex representation disrupts rigid ahistorical notions of femininity and how it consequently indirectly characterizes womanhood as dynamic and diverse Finally Arbel examines the reception and impact of these ideas on later conceptualizations of the Song of Songs female protagonist with a heuristic examination of Mark Chagall's Song of Songs painting cycle Le Cantique des Cantiques These compositions selected for their diverse depictions of the Song s protagonist their impact on European art and their vast popularity and bearing in the broader cultural imagination illustrate a fascinating

dialogue between the present and the past about the most beautiful woman and about multiple femininities Sex, Honor, and Power in the Deuteronomistic History Kenneth Stone, 1996-11-01 In this original work Stone studies the structure and social presuppositions of several narratives from the Deuteronomistic History in which sexual activity plays a significant role Both narratological and anthropological tools are utilized in the textual analysis Stone interestingly notes the link between sexual activity gender and prestige structures the emphasis on male contest and female chastity discussed by anthropologists of honour and shame and the role of the exchange of women in relations between men In each story sexual practice is primarily related to male struggles for honour and power Sacred Prostitution in the Ancient Greek World. From Aphrodite to Baubo to Cassandra and Beyond. Morris Silver, 2020-01-01 This book does not intend to demonstrate that Greeks and other ancient Mediterranean peoples men and women married and unmarried sought and participated in sex for its own sake That is it is taken as obvious a given that they were able to separate sex for pleasure from sex for reproduction There never were human beings who concerned themselves only with fertility Neither does this study seek to demonstrate that some ancient Greeks were willing to provide sexual services to partners in return for the receipt of nonsexual benefits Again this is self evident Nor does this study intend to show that the ancient Mediterranean world was familiar with individuals and enterprises that regularly earned incomes by selling sexual services Clearly the ancient world knew prostitution as an occupation and as a form of enterprise In an article published by Ugarit Forschungen in 2008 Silver 2006a challenged the view that temple sacred prostitution did not exist in the ancient Near East Contrary to such scholars as Julia Assante 1998 2003 Martha T Roth 2006 and Vinciane Pirenne Delforge 2010 ample evidence indicates that it did For the convenience of readers this article is included as a Supplement to the present volume The original article has been reformatted to correct some typographical errors and to make it blend seamlessly into the present volume but otherwise it is unchanged More recent materials from the ancient Near East are considered mostly in footnotes however The present study seeks to leap beyond this finding by showing that temple prostitution also flourished in the ancient Mediterranean That it did is of course an old view but the old supporting arguments often lack rigor and even clarity and the supporting evidence is fragmentary contradictory and often facially absurd e g Herodotus 1 199 1 5 Work of this kind has been discredited by scholars such as Fay Glinister 2000 and Stephanie Lynn Budin 2008 The Loss of Male Sexual Desire in Ancient Mesopotamia Gioele Zisa, 2021-11-22 After more than fifty years since the last publication the cuneiform texts relating to the treatment of the loss of male sexual desire and vigor in Mesopotamia are collected in this volume The aim of the book is to present Mesopotamian medical tradition regarding the so called n libbi therapies zi ga in Sumerian n libbi in Akkadian lit raising of the heart is the expression used to indicate a group of texts intended to recover the male sexual desire This medical tradition is preserved from the Middle Babylonian period to the Achaemenid one This broad range testifies to the importance of the transmission of this material throughout Mesopotamian history The book provides the edition of this

textual corpus and analyzes it in the light of new knowledge on ancient Near Eastern medicine Moreover this volume aims to show how theories and methodologies of Cultural Anthropology Ethnopsychiatry and Gender Studies are useful for understanding the Mesopotamian medical system This edition is an important tool for understanding Mesopotamian medical knowledge for Assyriologist however since the texts have been translated and discussed using the anthropological and gender perspectives they are accessible also to scholars of other research fields such as History of Medicine Sexuality and A Brief History of Oral Sex David DePierre, 2017-07-10 The ancient Greeks and Romans considered it Gender degrading to both parties yet depicted it prolifically in art and literature The Early Christian Church called it the worst evil punishable by seven years of penance and fasting murder was one year Nearly all of the 13 original American colonies had laws against it except Georgia A Victorian handbook for young brides advised how to dampen his desire to kiss in forbidden territory Attitudes about oral sex have varied through the centuries and across cultures a death sentence in some nations a religious practice in others This book explores its history as well as its impact on world events **A Century of James** Frazer's The Golden Bough Stephanie Lynn Budin, Caroline J. Tully, 2024-11-21 This multidisciplinary volume examines the ongoing effects of James G Frazer's The Golden Bough in modern Humanities and its wide ranging influence across studies of ancient religions literature historiography and reception studies The book begins by exploring the life and times of Frazer himself and the writing of The Golden Bough in its cultural milieu It then goes on to cover a wide range of topics including ancient Near Eastern religion and culture Minoan religion and in particular the origins of notions of Minoan matriarchy Frazer's influence on the study of Graeco Roman religion and magic Frazer's influence on modern Pagan religions and the effects of Frazer's works in modern culture and scholarship generally Chapters examine how modern academia and beyond continues to be influenced by the otherwise discredited theories in The Golden Bough ideas such as Sacred Marriage and the incessant Fertility of Everything The book demonstrates how scholarship within the Humanities as well as practitioners of alternative religions and the common public remain under the thrall of Frazer over one hundred years since the publication of the abridged edition of The Golden Bough and what we must do to shake off that influence A Century of James Frazer s The Golden Bough is of interest to scholars and students from a wide range of disciplines including Ancient History History of Religion Comparative Religion Classical Studies Archaeology Historiography Anthropology Folklore and Reception Studies Chapter 18 of this book is freely available as a downloadable Open Access PDF at http www taylorfrancis com under a Creative Commons Attribution CC BY 4 0 license Sexuality and Law in the Torah Hilary Lipka, Bruce Wells, 2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel s social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the prohibition on male with

male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later re interpretations of pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond **Song of Songs** Adele Berlin, 2025-01-07 Berlin approaches the Song of Songs as a Jewish Hellenistic work of love poetry She notes Greek ideas throughout the book and shows how they have been adjusted into Jewish thought and literary forms Going beyond previous studies this volume emphasizes that the Song's blending of the Jewish and the Greek is part of its literary virtuosity Book of the Empress Martijn Benders, 2025-04-24 The Empress of Mushrooms Martijn Benders and the Psychedelic Revisioning of World History by Leopold van Empel If you think a book about a mushroom can be no more than a catalogue of hallucinations think again Amanita Muscaria The Book of the Empress the first volume in Martijn Benders Shhhhhhroom series is a stunning hybrid of mythical archaeology psychedelic philosophy and esoteric manifesto It is as much an ode to the fly agaric mushroom as it is a revolutionary rereading of human history Benders writes with the bravado of a poet flipping the world upside down to see what falls out His style is exuberant associative at times manic but rarely gratuitous The foreword s final line Avoid milk Avoid it like the plague sets the tone immediately this is no polite analysis but a literary gauntlet provocative humorous and damn well written What makes The Book of the Empress unique among the growing corpus of psychedelic literature is its literary merit Where other authors lose themselves in doctrinaire neurochemistry or na ve hymns to Mother Ava Benders constructs a rich network of references from Heraclitus and Sappho to Goya and the Dead Kennedys from Slavic folk medicine to esoteric readings of Botticelli and Dante His central thesis that the exclusion of the fly agaric mushroom from the human diet has led to neurological and spiritual degeneration is unorthodox but argued with surprising coherence He weaves evolutionary hypotheses such as an expansion on McKenna s stoned ape theory with razor sharp critiques of the nationalist food industry religious dogma and pharmaceutical capitalism For Benders Amanita muscaria is not a hallucinogen but a portal a teacher a revolutionary nutrient What he achieves here echoes what Robert Graves once did with The White Goddess a merging of myth poetry and biology into an alternative genealogy of human consciousness But Benders is more unruly more ironic and more willing to embrace the grotesque He inserts himself into the narrative sometimes as a shaman sometimes as a sarcastic commentator always with a playful defiance of genre This makes the book both a personal travelogue and a philosophical tract Still Amanita Muscaria is not an easy book Its structure is fragmentary chapters leap from Vedic mythology to Russian literature and back to Goya s Saturn Devouring His Son But those who surrender to its kaleidoscopic logic will find a book that refuses to be reduced to a summary or classification When

placed alongside other works in the psychedelic canon Michael Pollan s How to Change Your Mind or Terence McKenna s Food of the Gods what stands out is Benders literary surplus Where Pollan is journalistic and McKenna visionary Benders is a poet philosopher launching his argument rhythmically like a shamanic jazz solo His project to reinstate the fly agaric as a cultural axis may sound utopian but it is a beautifully written utopia And perhaps that s exactly what the world needs Conclusion Amanita Muscaria The Book of the Empress is an exceptional work that elevates the mushroom to the throne of cosmic imagination Wild visionary occasionally brilliant A cult classic in the making Fallen Angels and Fallen Women Robin Jarrell, 2013-02-15 The strange and enigmatic title son of man has intrigued biblical scholars for millennia What does it mean and how does it describe Jesus in his role as the Christian messiah Robin Jarrell surveys the mythological roots of the phrase in the ancient Mesopotamian Epic of Gilgamesh and traces its development from the mythology of the Egyptian queen Hatshepsut's birth narrative to the Baal Cycle in Ugaritic literature to the story of Pandora and finally to the story of creation found in the book of Genesis The key to unlocking the mystery of the phrase son of man is embedded in the story of the first son of man Noah with the reference to the sons of God who found wives among the daughters of men and whose offspring brought devastation to the earth and the reason for the flood In the hands of the Christian gospel writers the parallel son of man figure found in the Dead Sea Scrolls reemerges in the identity of the last son of man Jesus of Nazareth **Bible Says About Sex** Jeremiah Cataldo, 2022-08-12 When it comes to sex the Bible is marred by inequality To address the consequences of that What the Bible Says About Sex asserts that modern perspectives on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity **Ishtar** Louise M. Pryke, 2017-07-14 Ishtar is the first book dedicated to providing an accessible analysis of the mythology and image of this complex goddess The polarity of her nature is reflected in her role as goddess of sexual love and war and has made her difficult to characterise in modern scholarship By exploring this complexity Ishtar offers insight into Mesopotamian culture and thought and elucidates a goddess who transcended the limits of gender divinity and nature It gives an accessible

oduction to the Near Eastern pantheon while also opening a pathway for comparison with the later Near Eastern and
literranean deities who followed her

When people should go to the ebook stores, search commencement by shop, shelf by shelf, it is really problematic. This is why we present the books compilations in this website. It will certainly ease you to look guide **Sex And Eroticism In Mesopotamian Literature** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. peterson s stress concentration factors google books - Oct 11 2022

web jan 14 2008 peterson's stress concentration factors establishes and maintains a system of data classification for all of the applications of stress and strain analysis and expedites their synthesis into peterson's stress concentration factors open library - Sep 10 2022

web mar $16\ 2021$ created by bwbimportbot imported from better world books record peterson s stress concentration factors by walter d pilkey deborah f phd pilkey 2020 wiley sons limited john edition in english

peterson s stress concentration factors google books - Dec 13 2022

web peterson's stress concentration factors fourth edition includes a thorough introduction of the theory and methods for static and fatigue design quantification of stress and strain research

pdf stress concentration factors semantic scholar - Jun 07 2022

web stress concentration factors inproceedings peterson1974stresscf title stress concentration factors author ronald e peterson and robert plunkett year 1974 url api semanticscholar org corpusid 137540502 r peterson r plunkett published 1974 engineering mathematics physics

peterson s stress concentration factors by pilkey walter d - Jul 08 2022

web feb 11 2020 peterson s is the practitioner s go to stress concentration factors reference includes completely revised introductory chapters on fundamentals of stress analysis miscellaneous design elements finite element analysis fea for stress analysis

peterson s stress concentration factors 3rd edition wiley - Apr 17 2023

web peterson's stress concentration factors establishes and maintains a system of data classification for all of the applications of stress and strain analysis and expedites their synthesis into cad applications substantially revised and completely updated this book presents stress concentration factors both graphically and with formulas

stress concentration wikipedia - Aug 21 2023

web during the design phase there are multiple approaches to estimating stress concentration factors several catalogs of stress concentration factors have been published perhaps most famous is stress concentration design factors by peterson first published in 1953 finite element methods are commonly used in design today

peterson s stress concentration factors 4th edition wiley - Jul 20 2023

web takes a deep dive into the theory and methods for material characterization quantification and analysis methods of stress

and strain and static and fatigue design peterson s stress concentration factors is an excellent book for all mechanical civil and structural engineers and for all engineering students and researchers

peterson s stress concentration factors wiley - Oct 23 2023

web peterson s stress concentration factors walter d pilkey deborah f pilkey 3rd ed p cm includes index isbn 978 0 470 04824 5 cloth 1 stress concentration 2 structural analysis engineering i pilkey deborah f ii pilkey deborah f iii peterson rudolph earl 1901 stress concentration factors iv title ta417 6 p43 2007

peterson s stress concentration factors wiley online books - Jun 19 2023

web dec 26 2007 peterson's stress concentration factors establishes and maintains a system of data classification for all of the applications of stress and strain analysis and expedites their synthesis into cad applications substantially revised and completely updated this book presents stress concentration factors both graphically and with

peterson s stress concentration factors 4th edition wiley - Mar 04 2022

web description the bible of stress concentration factors updated to reflect today s advances in stress analysis this book establishes and maintains a system of data classification for all the applications of stress and strain analysis and expedites their synthesis into cad applications

fundamentals of stress analysis peterson s stress concentration - Jan 14 2023

web jan 15 2020 one of the classic theories in dealing with structural design is the theory of elasticity where the stress concentration factors method is widely adopted to analyze the stresses for the prescribed geometries under given loading conditions

stress concentration factors charts and relations useful in making - May 06 2022

web stress concentration factors charts and relations useful in making strength calculations for machine parts and structural elements by peterson rudolph earl 1901 publication date 1974 topics strength of materials tables strains and stresses tables mechanical engineering tables publisher new york wiley collection

peterson s stress concentration factors wiley online books - Sep 22 2023

web jan 15 2020 about this book the bible of stress concentration factors updated to reflect today s advances in stress analysis this book establishes and maintains a system of data classification for all the applications of stress and strain analysis and expedites their synthesis into cad applications

peterson s stress concentration factors wiley online library - Feb 15 2023

web jan 15 2020 this chapter presents the formulas and figures of the stress concentration factors scfs according to the loading tension torsion and bending the shape of the hole circular elliptical and rectangular single and multiple holes and two and three dimensional cases

peterson s stress concentration factors 2nd edition wiley - May 18 2023

web description a complete revision of the definitive work on the subject of stress concentration this new edition updates all of the graphics with computer generated art which incorporates both a visual representation of the product structure under consideration along with the graph of the stress concentration factors

project muse comeuppance costly signaling altruistic - Mar 09 2023

web jan 1 2008 comeuppance costly signaling altruistic punishment and other biological components of fiction william flesch 4 19 21 ratings3 reviews with

comeuppance costly signaling altruistic punishment and other - Dec 26 2021

web fiction flesch contends gives us our most powerful way of making sense of the social world comeuppance begins with an exploration of the appeal of gossip and ends with
