Sex Female Religion Catholic:

Sex: Female; Religion: Catholic Sally Cunneen, 1968 **Catholic and Feminist: The Surprising History of the American Catholic Feminist Movement** Mary J. Henold, 2020-01-30 In the first history of American Catholic feminism Henold explores the movement from the 1960s through the early 1980s showing that although Catholic feminists had much in common with their sisters in the larger American feminist movement Catholic feminism was distinct and had not been simply imported from outside Henold demonstrates that efforts to reconcile faith and feminism reveal both the complex nature of feminist consciousness and the creative potential of religious feminism **Catholic and Feminist** Mary J. Henold, 2012-06-01 In 1963 as Betty Friedan's *Feminine Mystique* appeared and civil rights activists marched on Washington a separate but related social movement emerged among American Catholics says Mary Henold Thousands of Catholic feminists both lay women and women religious marched strategized theologized and prayed together building sisterhood and confronting sexism in the Roman Catholic Church In the first history of American Catholic feminism Henold explores the movement from the 1960s through the early 1980s showing that although Catholic feminists had much in common with their sisters in the larger American feminist movement Catholic feminism was distinct and had not been simply imported from outside Catholic feminism grew from within the church rooted in women's own experiences of Catholicism and religious practice Henold argues She identifies the Second Vatican Council 1962-65 an inspiring but overtly sexist event that enraged and exhilarated Catholic women in equal measure as a catalyst of the movement within the church Catholic feminists regularly explained their feminism in terms of their commitment to a gospel mandate for social justice liberation and radical equality They considered feminism to be a Christian principle Yet as Catholic feminists confronted sexism in the church and the world Henold explains they struggled to integrate the two parts of their self definition Both Catholic culture and feminist culture indicated that such a conjunction was unlikely if not impossible Henold demonstrates that efforts to reconcile faith and feminism reveal both the complex nature of feminist consciousness and the creative potential of religious feminism

New Catholic Women Mary Jo Weaver, 1995-12-22 Weaver fills an important gap in women's studies through her investigation of the intersection of the women's movement with the lives of contemporary Roman Catholic women Iris Mary Jo Weaver has charted the course of this new consciousness among Roman Catholic women Rosemary Radford Ruether This is the first full scale study of how the U S women's movement has intersected with the lives and aspirations of American Roman Catholic women Elizabeth Johnson *Religious Studies Review* **Woman in a Man's Church**, 2018-06-15 Are you satisfied with the position of women in the Church today No Are you willing to do something about it but don't know where to begin This book will inspire you to pick up the torch of Arlene's lifetime mission to see hear know and experience women as equals in the Church and in today's society Arlene's work was pivotal in validating both the movement of Catholic feminism and like Betty Friedan the general role of women in society Through her studies of scripture Arlene emboldened the position

of women in church scholarship condemning the prominence of male thought in philosophy theology and psychology Today people refer to certain social injustice as a glass ceiling when the author wrote this book in 1971 the ceiling was more like an unscalable mountain

Writing Catholic Women J. DelRosso,2016-04-30 Writing Catholic Women examines the interplay of gender race ethnicity nationality and sexuality through the lens of Catholicism in a wide range of works by women writers forging interdisciplinary connections among women s studies religion and late twentieth century literature Discussing a diverse group of authors Jeana DelRosso posits that the girlhood narratives of such writers constitute highly charged sites of their differing gestures toward Catholicism and argues that an understanding of the ways in which women write about religion from different cultural and racial contexts offers a crucial contribution to current discussions in gender ethnic and cultural studies

Sexual Behavior in the Human Female Alfred C. Kinsey,Institute for Sex Research,1998-05-22 On female sexuality

Same-Sex Desire in Victorian Religious Culture F. Roden,2002-10-23 Same Sex Desire in Victorian Religious Culture examines the role of Christian history in nineteenth century definitions of homosexual identity Roden charts the emergence of the modern homosexual in relation to religious not exclusively sociological discourses Positing Catholicism as complementary to classical Greece he challenges the separatism of sexuality and religion in critical practice Moving from Newman and Rossetti to Hopkins Wilde and Michael Field amongst others Same Sex Desire claims a new literary history bringing together gay studies and theology in Victorian literature

"You Say You Want A Revolution?" Babka, Susie Paulik,Procario-Foley, Elena, Yocum, Sandra,2019-05-22

In Search of Mary Sally Cunneen,2010-12-15 Mary relic of the religious past or beacon of the future Mary is more alive today than she was in the early Christian church surfacing in art and worship in almost every culture on earth Her appeal bridges the gap between the devotional and the secular the uneducated and the sophisticated But who is Mary and what exactly does she symbolize How did a humble Jewish girl become the most honored woman in human history Why is there so little about Mary in the Bible and so much about her in the art and history of Christianity East and West And why in an age dominated by science and technology does devotion to Mary persist In Search of Mary is Sally Cunneen s provocative response to these questions As Cunneen eloquently points out in order to see Mary whole it is important to look at all the different visions and versions of her revisiting history through the eyes of a present day searcher Including the latest findings by historians anthropologists and psychologists as well as art historians and religious scholars In Search of Mary reveals what we know about the life of Mary follows the history and development of her image over the last two thousand years and explores the different ways that Mary has transformed the lives of people today As we struggle for greater unity in a divided world In Search of Mary shows us a woman who can touch all people regardless of their backgrounds She is a profound reminder of the presence of the holy in ordinary life

LGBTQI Inclusivity, Homosexuality, and Same-Sex Marriage in the Catholic Church Vivencio O Ballano,2024-08-19 This book employs an experimental approach to critically re examine the Catholic Church s traditional

teachings on homosexuality heterosexual marriage and Lesbian Gay Bisexual Transgender Queer and Intersexual LGBTQI inclusivity in light of Pope Francis's inductive synodal theology and modern sociology With the growing complexity of today's culture and the advancement of social science research it argues that the empirical foundations of the traditional Church's doctrines on topical moral issues need to be scientifically reassessed so as to update them in view of Francis's synodality and sociological research on gender sexuality and same sex union Discussion pertaining to whether homosexuality is naturally disordered and whether heterosexuality is the only criterion for Christian marriage remain lingering empirical issues in the Church that require a sociological and inductive synodal analysis rather than the traditional deductive philosophical and theological method that is largely based on natural law theory This topical book is of appeal to scholars and students of sociology theology as well as religious biblical and gender studies

The Palgrave Handbook of Queer and Trans Studies in Religion Melissa M. Wilcox, 2025-09-26 This Handbook is a first of its kind high quality reference resource guiding readers through the burgeoning fields of queer and trans studies in religion and pointing them toward the newest directions these fields are taking or should take The chapters cover both theoretical and methodological considerations and also highlight the histories perspectives and ongoing activism of queer and trans people in a wide array of religious contexts Written by a team of both established senior scholars and emerging scholars all working on the leading edges of the field and edited by a senior scholar who also authored the first ever introduction to the field this handbook aims to play a role in defining queer and trans studies in religion for years to come

Alaska National Interest Lands United States. Congress. House. Committee on Merchant Marine and Fisheries. Subcommittee on Fisheries and Wildlife Conservation and the Environment, 1979

Religion, the Body, and Sexuality Nina Hoel, Melissa Wilcox, Liz Wilson, 2020-09-10 How does religion relate to bodies and sexualities Many people would answer simply through repression but the relationship is much more complicated than that While many religions draw boundaries between what they consider to be appropriate and inappropriate use of the human body especially in the realm of sexuality the same religions often celebrate human sexuality and even expect sexual partners to provide each other with sexual pleasure Celibacy too is more than just repression and sometimes it is even seen as providing the practitioner with great spiritual power in other settings the sex act itself is understood to provide this power Religion the Body and Sexuality offers students and general readers a sophisticated and accessible exploration of the connections between religion sexuality and the body through case studies and overviews in the following thematic chapters Celibacy Regulation Controversy Violence Innovation Instrumentalization Ecstasy Each chapter includes suggestions for further reading questions for further thought and a list of relevant media resources This engaging book is an excellent addition to introductory courses on religion or sexuality and is a much needed new volume for advanced courses on the intersections of these areas of human experience

Sexual Orientation and Human Rights in American Religious Discourse Saul M. Olyan, Martha C. Nussbaum, 1998-07-02 Sexual orientation is a topic of intense debate within America's

religious traditions These discussions have had a significant impact on the formation of public policy as speakers who locate themselves squarely within religious traditions have articulated positions on both sides in recent arguments concerning gays in the military civil rights protections for gays and lesbians gay marriage parenting and foster parenting and benefits for partners of gay and lesbian employees of major corporations and institutions This volume which stems from a 1995 conference at Brown University aims to promote both academic and public understanding of the different positions that exist on sexual orientation and its public policy dimensions within four major American religious traditions Writers from within the Jewish community the Roman Catholic church Mainline Protestant churches and African American churches explore the history and tradition of their communities on same sex orientation discuss the moral stance they advocate and consider the legal and public policy implications of that stance For each of these traditions two opposing views are represented and a respondent frames the issue in a larger context The book concludes with essays by Michael McConnell and Andrew Koppelman exploring how our society might find a modus vivendi in a state position of neutrality on the moral status of homosexuality This book will appeal to a broad range of readers interested in these crucial issues and in the role the religious communities play in these debates while helping to foster the climate for a more reasoned and civil dialogue **BMDP**

Statistical Software Manual W. J. Dixon, Wilfrid Joseph Dixon, 1988-01-01 **Abusing Religion** Megan

Goodwin, 2020-07-17 Why do Americans presume to know what's really going on in marginal religions Sex abuse happens in all communities but American religious outsiders often face disproportionate allegations of sexual abuse Abusing Religion argues that sex abuse in minority religious communities is an American problem not merely a religious one **Remaking**

the Rhythms of Life Oliver Zimmer, 2013-02-28 Across Europe the late nineteenth century marked a period of rapid economic change increased migration religious conflict and inter state competition In Germany these developments were further accentuated by the creation of the imperial state in 1870 1871 and the conflicting hopes and expectations it provoked Attempting to make sense of this turbulent period of German history historians have frequently reverted to terms such as industrialization urbanization nation formation modernity or modernization Using the prism of comparative urban history Oliver Zimmer highlights the limitations of these conceptual abstractions and challenges the separation of local and national approaches to the past He shows how men and women drew on their creative energies to instigate change at various levels Focusing on conflicts over the local economy and elementary schools as well as on nationalist and religious processions Remaking the Rhythms of Life examines how urban residents sought to regain a sense of place in a changing world less by resisting the novel than by reconfiguring their environments in ways that reflected their sensibilities and aspirations less by lamenting the decline of civic virtues than by creating surroundings that proved sufficiently meaningful to sustain lives In their capacity as consumers citizens and members of religious or economic associations people embarked on a multitude of journeys As they did larger phenomena such as religion nationalism and the state became intertwined with their everyday

affairs and concerns **Report of the Special Committee on Investigation of the Government Hospital for the Insane** United States. Congress. House. Special Committee on Government Hospital for the Insane, 1907 Fifteen counts investigated Enormous amount of testimony largely on cruelty to patients The Congressmen listened to horror stories for half a year and concluded that nothing needed to be changed except administrative structure and law regulating admittance

Hearings Before the Special Committee Appointed by the Speaker United States. Congress. House. Special committee on investigation of the Government hospital for the insane. [from old catalog], 1906
