The Spiritual Spa Mary Kavanagh Sherry, 2006 Over many years of observing deeply spiritual women I have concluded that they have something in common whether or not they make religious retreats They are able to find spiritual spa refreshment in everyday living Somehow they have discovered ways to spiritualize their mundane tasks I m convinced I ve been overlooking an important source of spiritual refreshment one I call The Spiritual Spa At this spa we can learn how to spiritually relax and shut out the voices in our heads so that even changing diapers can refresh us and teach us After all it is those daily activities that provide clues to the mystery of who we are why we are here and why we are in this place at this moment in history
