borders Liberals have worked slowly but steadily to promote and further the asinine concept of political correctness and have been successful in implementing it We are so sensitive these days that the mere mention of a nationality or a particular behavior has people gasping and whispering words like bigot hateful and intolerant As a society we've forgotten how to speak to one another in a truthful and direct manner As a result we have countless Interpretational breakdowns or Misunderstandings on a personal professional and political basis every day These Misunderstandings as Liberals call them are the result of our inability to actually convey our thoughts and intentions in a direct and non politically correct manner Sensitivity to the most mundane and insignificant aspects of life has turned Americans into a weak and litigious people who are neither respected nor respectable Few people in our country actually have the inner fortitude to ignore the Liberals rules regarding speech and Appropriate topics and actually Say it like it is I hope to point out how accustomed we've become to political correctness and how completely asinine the whole thing really is Political correctness is the best example of what happens when Liberals work to gradually normalize and institute a concept that has had nothing but detrimental affects on our country Where has political correctness led us It's no longer acceptable to call the Chinese Chinese We can't refer to a Black man as a Black man The word criminal should no longer be used to describe an individual who breaks the law Pride in America is far less PC than an animosity toward it No blame can be put on those who choose to act in an unacceptable manner We've been trained to think of wealthy people as bad individuals and poor people as victims Armed conflict is no longer seen as the protection of our way of life as much as it is seen as an attempt on the part of our evil leaders to conquer and occupy foreign lands Political correctness teaches us Tolerance and Diversity and we can see where that has led us The teaching of manners a Sea Power E.B.
