Mere Christianity/Screwtape Letters/Great Divorce - Box Set C. S. Lewis,2009-10-13 For the first time ever three of C S Lewis s most popular and celebrated spiritual classics come packaged together in this collector s box gift set Mere Christianity The Screwtape Letters and The Great Divorce According to Kathleen Norris Lewis seeks in Mere Christianity to help us see religion with fresh eyes as a radical faith whose adherents might be likened to an underground group gathering in a war zone a place where evil seems to have the upper hand to hear messages of hope from the other side from the foreword One of the most popular and beloved introductions to Christian faith ever written Mere Christianity has sold millions of copies worldwide and its popularity continues to grow The book brings together Lewis s legendary broadcast talks of the war years talks in which he set out simply to explain and defend the belief that has been common to nearly all Christians at all times A masterpiece of satire The Screwtape Letters has entertained and enlightened readers the world over with its sly and ironic portrayal of human life from the vantage point of Screwtape a highly placed assistant to Our Father Below At once wildly comic deadly serious and strikingly original C S Lewis gives us the correspondence of the worldly wise old devil to his nephew Wormwood a novice demon in charge of securing the damnation of an ordinary young man The Screwtape Letters is the most engaging and humorous account of temptation and triumph over it ever written In The Great Divorce C S Lewis again employs his formidable talent for fable and allegory The main character finds himself in a bus which travels between Hell and Heaven This is the starting point for an extraordinary meditation upon good and evil and what is really at stake in this life In Lewis s own words If we insist on keeping Hell or even earth we shall not see Heaven if we accept Heaven we shall not be able to retain even the smallest and most intimate souvenirs of Hell
