Merry On Little Things:

Merry Little Things Linda Shantz, 2022-01-02 Christmas has always been Emilie's favorite time of year but this one is shaping up to be different. With her parents rekindling old family ties in Montreal and her sister celebrating with future in-laws out west, she's facing her first solo holiday season on the family's bustling Thoroughbred farm. But who has time to feel lonely? Between juggling her physiotherapy internship, exercising horses, helping at her friend's cozy caf   and dreaming of adopting the perfect furry companion, Emilie's plate is more than full. Then the farm manager's sudden departure sends her carefully balanced world spinning until she accepts that sometimes the best Christmas gift isn't found under the tree; it's in letting others share the load. Liv's never wanted any part of the spotlight, but the success of *Just Jay* has thrust her into it whether she likes it or not. Campaigning Triple Stripe's big horse for Horse of the Year means every decision she makes as a trainer is scrutinized on the backstretch, the internet, and by the Kentucky group interested in syndicating Jay as a stallion. Now her unconventional views on training racehorses are under fire when all she wants is to get Jay through to the end of his career and keep everyone happy: her father, the syndicate, and most importantly, the horse.
