USE THEIR HEART DUANE THE GREAT WRITER,2014-07-25 In a world that has been so over educated it becomes rather difficult for people to See Beyond this Created World of such a Matrix Design So much of what we are experiencing here has nothing to do with The Natural Environment that supports ALL of US A person can talk about how they love things but it all becomes Real when they Do Something Wonderful with ALL This world is being purposely brainwashed to agree to its own demise and at the same time many are convinced that it is for the good of everyone This is how deranged the Social Structures and that of Politics and Religion have become It has become common place to agree to all the insanity people have created for themselves When we look at Children and the creatures with The Natural Environment we do not see the same results taking place as with the overly created things that we now have to deal It is time to See as Children See from Your Heart Your Being moreso than just Your Mind www.DuaneTheGreatWriter.info

MIND DUANE THE GREAT WRITER,2012-08-20 When a person goes with their Heart they are taking the risk into discovering their own Being Of course all most all of us go through some type of schooling which makes sense for the society in which we live but if we never take the risk to discover our Heart and Being then we continue on for many more unconscious lifetimes until we are ready to WakeUp But we definitely need RealGuidance to discover who we are and why we are here moreso than what can be found in any of the Literal Institutions Young children live with their Heart and not their head or mind as they have not been overly conditioned Nature and all the creatures in it are the same way as they are Being with Life and not working against it or trying to destroy it Of course none of us can destroy Life but we can create things that

My Mother's House David Armand, 2016-03-11 Set in the bucolic yet brutal South of his youth *My Mother's House* is a memoir by novelist David Armand It recounts the young author's early memories of being born to a schizophrenic mother then given up for adoption only to be raised in a home with an alcoholic and abusive step father In this sharply remembered portrait of the people and places that shaped him Armand paints his seemingly negative experiences with a sympathetic and understanding brush As the reader follows Armand through his childhood and later into adult life when he is reunited with his mother after she makes a failed suicide attempt a surprisingly new world of hope and possibility is rendered despite the overwhelming challenges of this reunion Armand's writing is reminiscent of Hemingway straightforward descriptions of manly action punctuated by laconic dialogue *New York Journal of Books* Armand writes in a comfortingly familiar literary voice that blends Ernest Hemingway's laconic but rhythmically complicated explorations of the mysteries of masculinity with William Faulkner's more fabulist Southern Gothic twang It's a heady seductively intoxicating combination *Richmond Times Dispatch*
