New York True North:

True North Mark Liederbach, Seth Bible, 2012 A Christian ethics professor explores the person and work of Jesus Christ in relation to creation redemption and the restoration of all things explaining why creation care involves more than global warming debates

True North Bernie Finkelstein, 2012 One of the all time greats in Canadian music recounts his life and times in the business from the 1960s to the present Whether acting as a producer indie record label owner True North or manager of great singer songwriters and bands such as Bruce Cockburn Sarah McLachlan Rough Trade and k os Bernie Finkelstein is a sterling example of a Canadian music management legend

True North Kimberly Kafka, 2001-03-01 For six years Bailey Lockhart has lived alone in the Alaskan bush supporting herself from the cockpit of a floatplane She is the only white woman in a land owned by the local Ingalik tribe her closest neighbor is a fellow bush pilot and activist named Kash Bailey and Kash are drawn to each other but their fiercely independent natures keep them apart When two Easterners hire Bailey to pilot them into the bush a series of events is set in motion that will upset the delicate racial balance of the land and lead to violence As the truth behind the couple s arrival becomes apparent the refuge Bailey has created for herself shatters Forced to face the demons of her unresolved past she is given a chance to free herself at last from the secret that haunts her Marked by spare resonant prose and imbued with an indelible sense of place True North tells a powerful story of adventure and survival It is a welcome debut by a gifted new voice in literary fiction

True North B.J. Epstein, 2014-06-02 True North Literary Translation in the Nordic Countries is the first book to focus solely on literary translation from to and between the Nordic tongues The book is divided into three main sections These are novels children s literature and other genres encompassing drama crime fiction sagas cookbooks and music although naturally there are connections and overlapping themes between the sections Halld r Laxness Virginia Woolf Selma Lagerl f Astrid Lindgren Mark Twain Henrik Ibsen Henning Mankell Janis Joplin and Jamie Oliver are just some of the authors analysed Topics examined include particular translatorial challenges translating for specific audiences or influencing audiences through translation re translation the functions of translated texts the ways in which translation can change a genre the creation of identity through translation and more As is clear from this list many of the theories proposed and findings discussed here are also relevant to the wider field of translation studies as well as to literary studies more generally It is time for the world s growing Nordicmania to influence the field of translation studies and for translation to take its place as a relevant and essential issue in our understanding of the Northern countries The varied chapters in this book will contribute to these stimulating and critical conversations

The American Museum of Natural History and How It Got That Way Colin Davey, Thomas A. Lesser, 2019-05-14 An extensive history of the American Museum of Natural History and Hayden Planetarium featuring a cast of colorful characters The American Museum of Natural History is one of New York City's most beloved institutions and one of the largest most celebrated museums in the world Since 1869 generations of New Yorkers and tourists of all ages have been educated and entertained here Located across from Central Park the sprawling structure spanning four city blocks is a fascinating conglomeration of many buildings of diverse architectural styles built over a period of 150 years The first book to tell the history of the museum from the point of view of these buildings including the planned Gilder Center The American Museum of Natural History and How It Got That Way contextualizes them within New York and American history and the history of science Part II The Heavens in the Attic is the first detailed history of the Hayden Planetarium from the museum's earliest astronomy exhibits to Clyde Fisher and the original planetarium to Neil deGrasse Tyson and the Rose Center for Earth and Space and it features a photographic tour through the original Hayden Planetarium Author Colin Davey spent much of his childhood literally and figuratively lost in the museum's labyrinthine hallways The museum grew in fits and starts according to the vicissitudes of backroom deals personal agendas two world wars the Great Depression and the Cold War Chronicling its evolution from the selection of a desolate rocky hilly swampy site known as Manhattan Square to the present day the book includes some of the most important and colorful characters in the city's history including the notoriously corrupt and powerful Boss Tweed Father of New York City Andrew Haswell Green and twentieth century powerbroker and master builder Robert Moses museum presidents Morris K. Jesup Henry Fairfield Osborn and Ellen Futter and American presidents polar and African explorers dinosaur hunters and German rocket scientists Features a new preface by the author and a new foreword by Neil deGrasse Tyson This is in many ways a particularly American story and anyone interested in history or museums will find this a very satisfying read Author Colin Davey had a life long love affair with the museum growing up in New York and spending many many hours happily lost in the museum collections and that shines through in his writing as does his fine in depth research Plenty of excellent graphics and photographs support this fascinating history **True North** Stephanie Gallagher, 2009 The new bottom line for 21st century capitalism will measure success based on the company's impact on all stakeholders including the environment and the global community at large Throughout his interesting career and challenging business ventures Knut Utstein Kloster he has proven the axiom that businesses can do well by doing good Long before green became more than a color or capitalism came generally to mean more than just profit making Knut Utstein Kloster was investing in socially responsible enterprises that valued all of its stakeholders The now popular expression triple bottom line was Knut's modus operandi from day one The story emphasizes the important role of

the conscience in navigating a just and equitable course forward Kloster s no man s land is the distance between the world that is and the world as it should be **General Science, First Course** Lewis Elhuff,1916 **Air Navigation Made Easy** James Naidich,2013-05-31 The purpose of this book is simply to teach you how to fly from Here to There It will teach you the four principle types of navigation which include celestial navigation radio navigation dead reckoning piloting A concise practical guide for all private civilian flyers Corporate Responsibility Coalitions David Grayson,Jane Nelson,2013-03-27 It is estimated that there are more than 110 national and international business led corporate responsibility coalitions Given the growing reach and significance of these alliances there is now a critical need for an informed and balanced analysis of their achievements their progress and their potential In Corporate Responsibility Coalitions the first book to chronicle the subject David Grayson and Jane Nelson explore the past present and future of these coalitions They consider the emergence of new models of collective corporate action over the past four decades the increasing number of these coalitions their diversity and complexity and how they network with each other and a broader set of institutions that promote sustainable capitalism Drawing on their global study the authors light the way for the future development of these influential alliances In addition they provide in depth profiles of the most strategic effective and long standing coalitions **Improving Your Leadership Intelligence** Wanda S.
